

# 1

## A Crab Goes for a Walk

Name
Date

**To parents** Write your child's name and the date in the boxes above. Have your child draw a line from the crab on the top of the page to the crab on the bottom of the page without hitting any obstacles. Your child may draw the line however he or she likes.

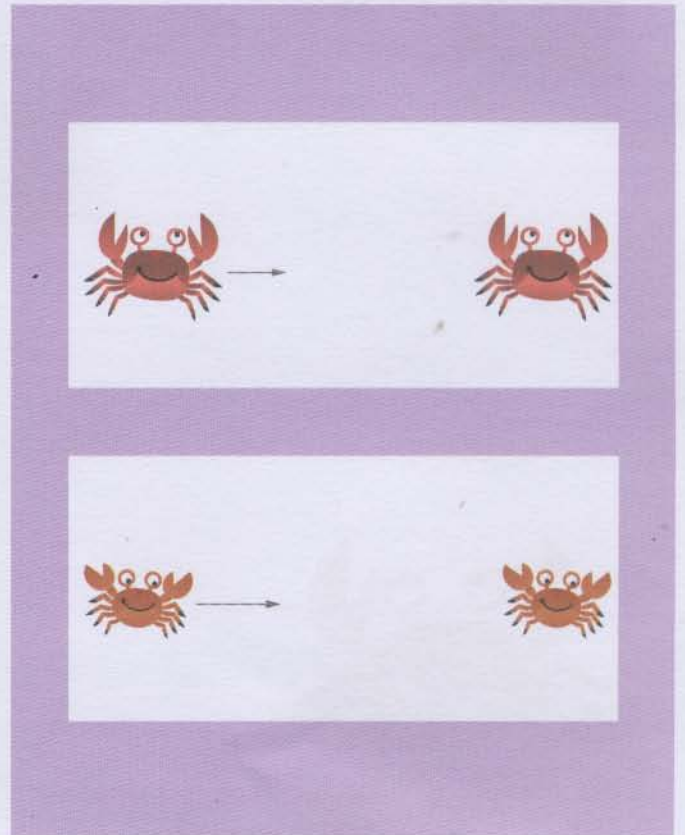

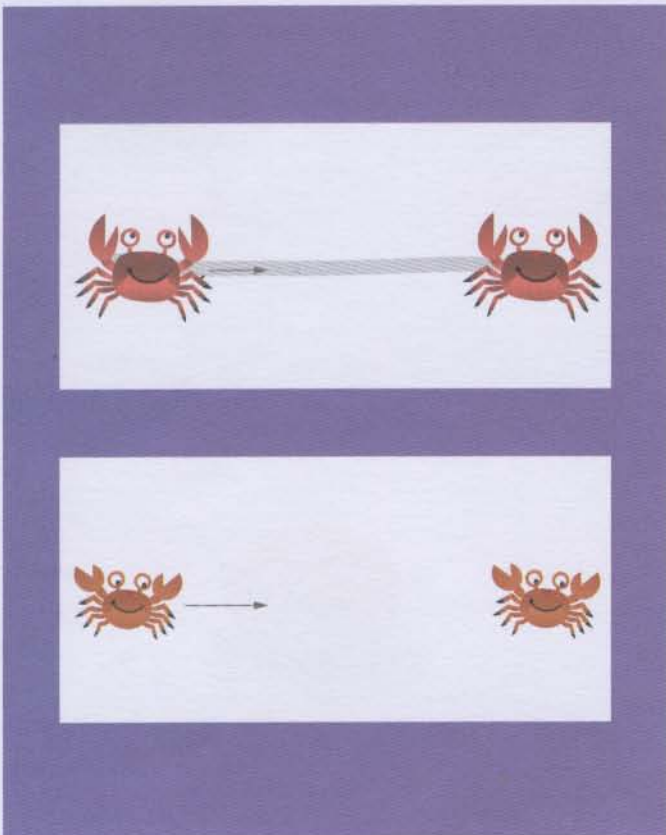

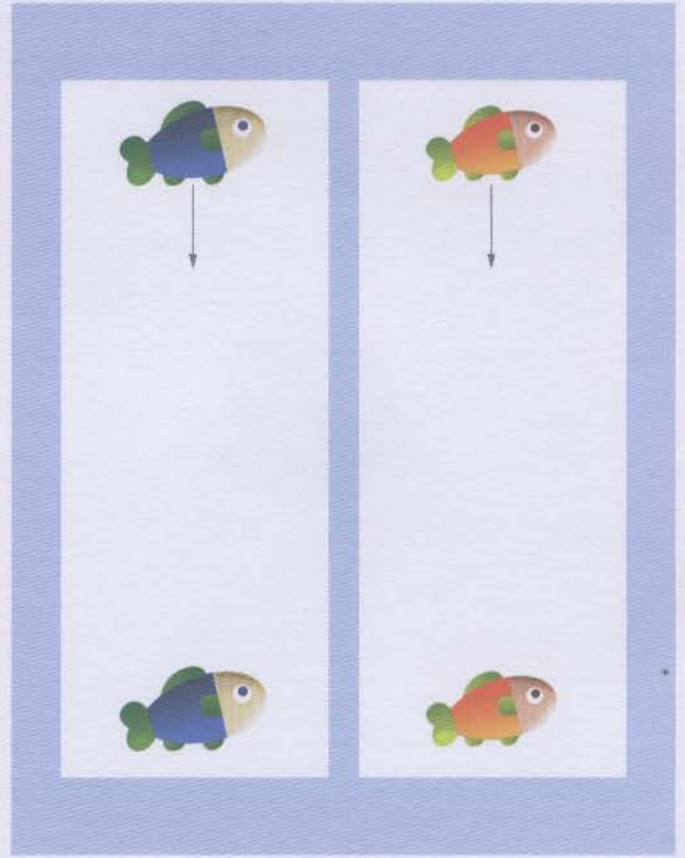

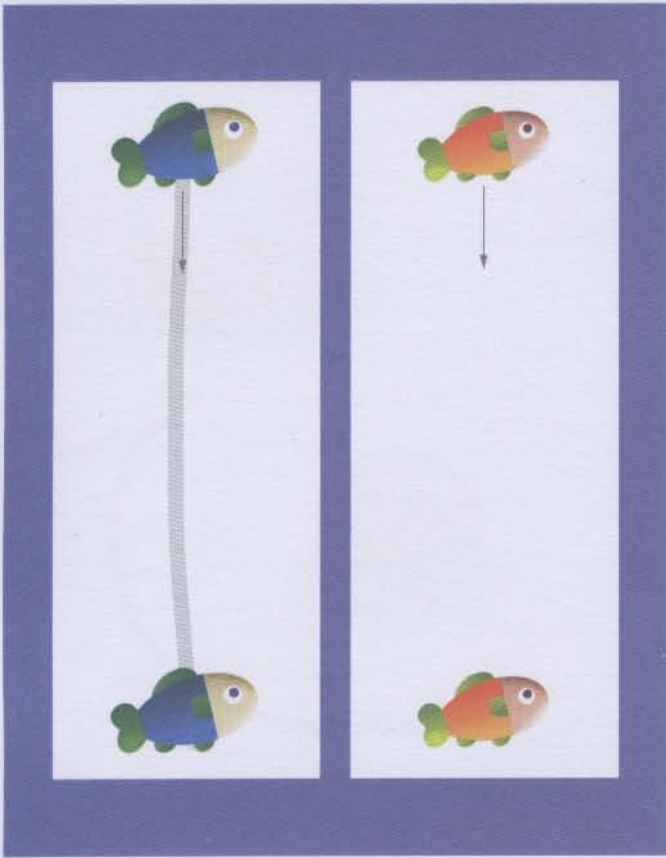

- Draw a line from one crab (  ) to the other crab (  ).

**To parents**

Here the exercise is to draw straight lines vertically and horizontally. Do the exercise along with your child if he or she has difficulty.

- Draw a line from one picture to the matching picture.

# 2

## In the Woods

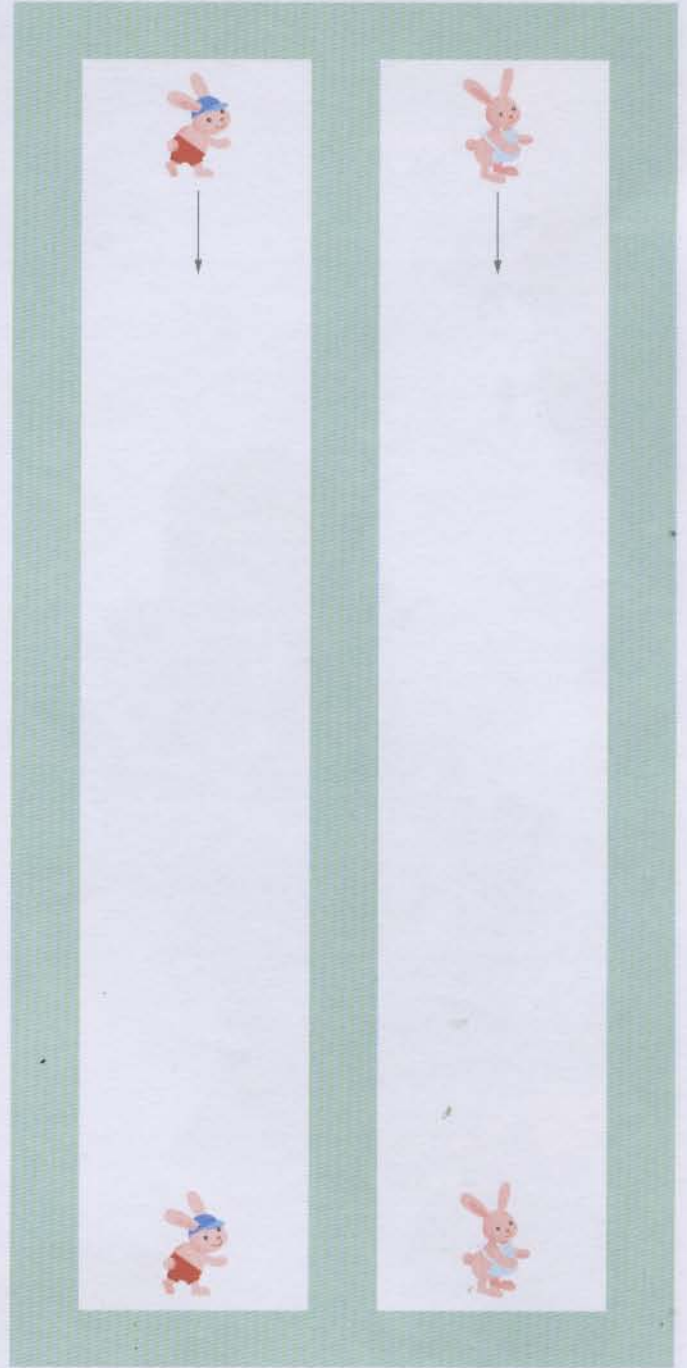

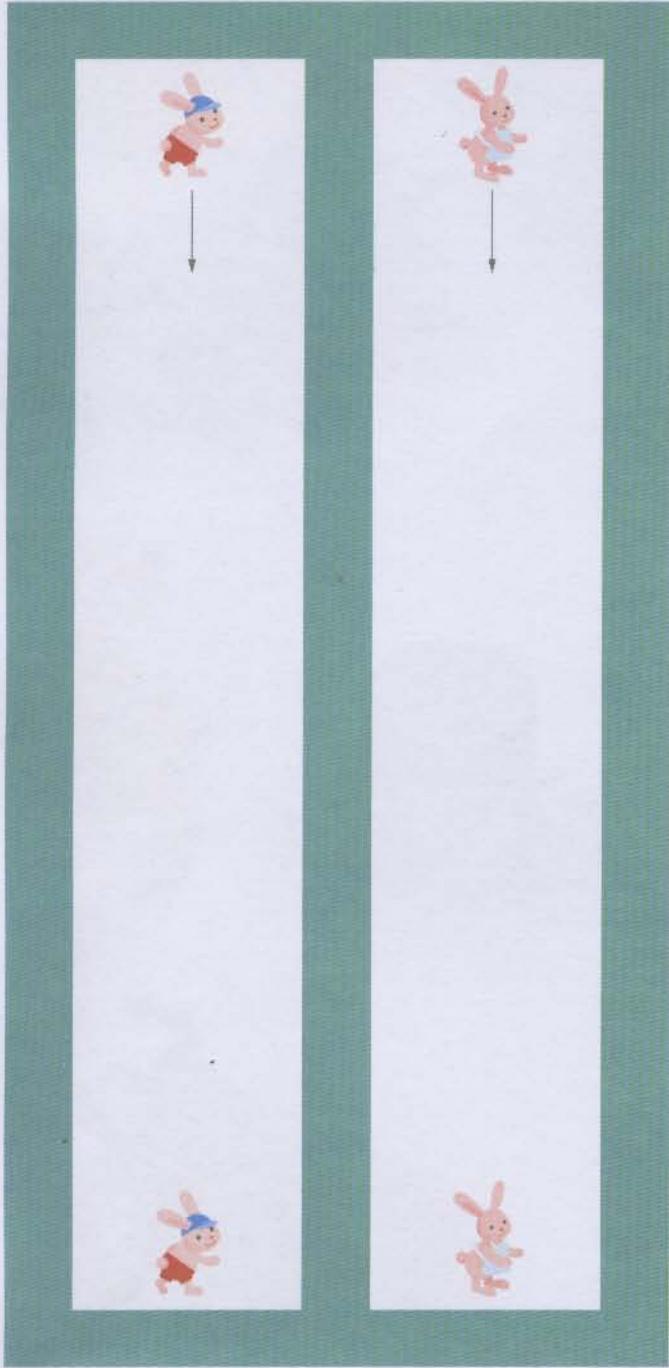

Name
Date

**To parents** Have your child draw a line from one rabbit to the other rabbit. Your child may draw the line however he or she likes. You may give your child hints. For example, "Don't let the rabbit run into a stump!"

■ Draw a line from one rabbit (  ) to the other rabbit (  ).

■ Draw a line from one picture to the matching picture.

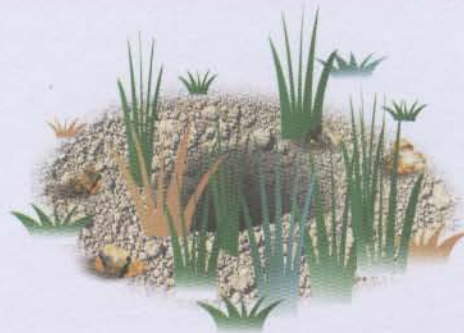

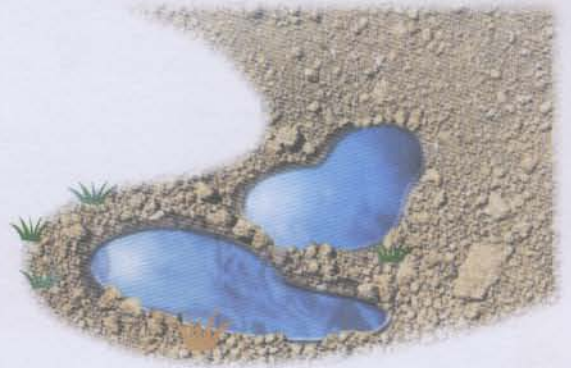

# 3

## A Tricky Path

Name
Date

**To parents** Have your child draw a line from one cat to the other cat. Your child may draw the line however he or she likes. You may give your child hints. For example, "The cat should stay out of the holes and puddles!"

■ Draw a line from one cat (  ) to the other cat (  ).

■ Draw a line from one picture to the matching picture.

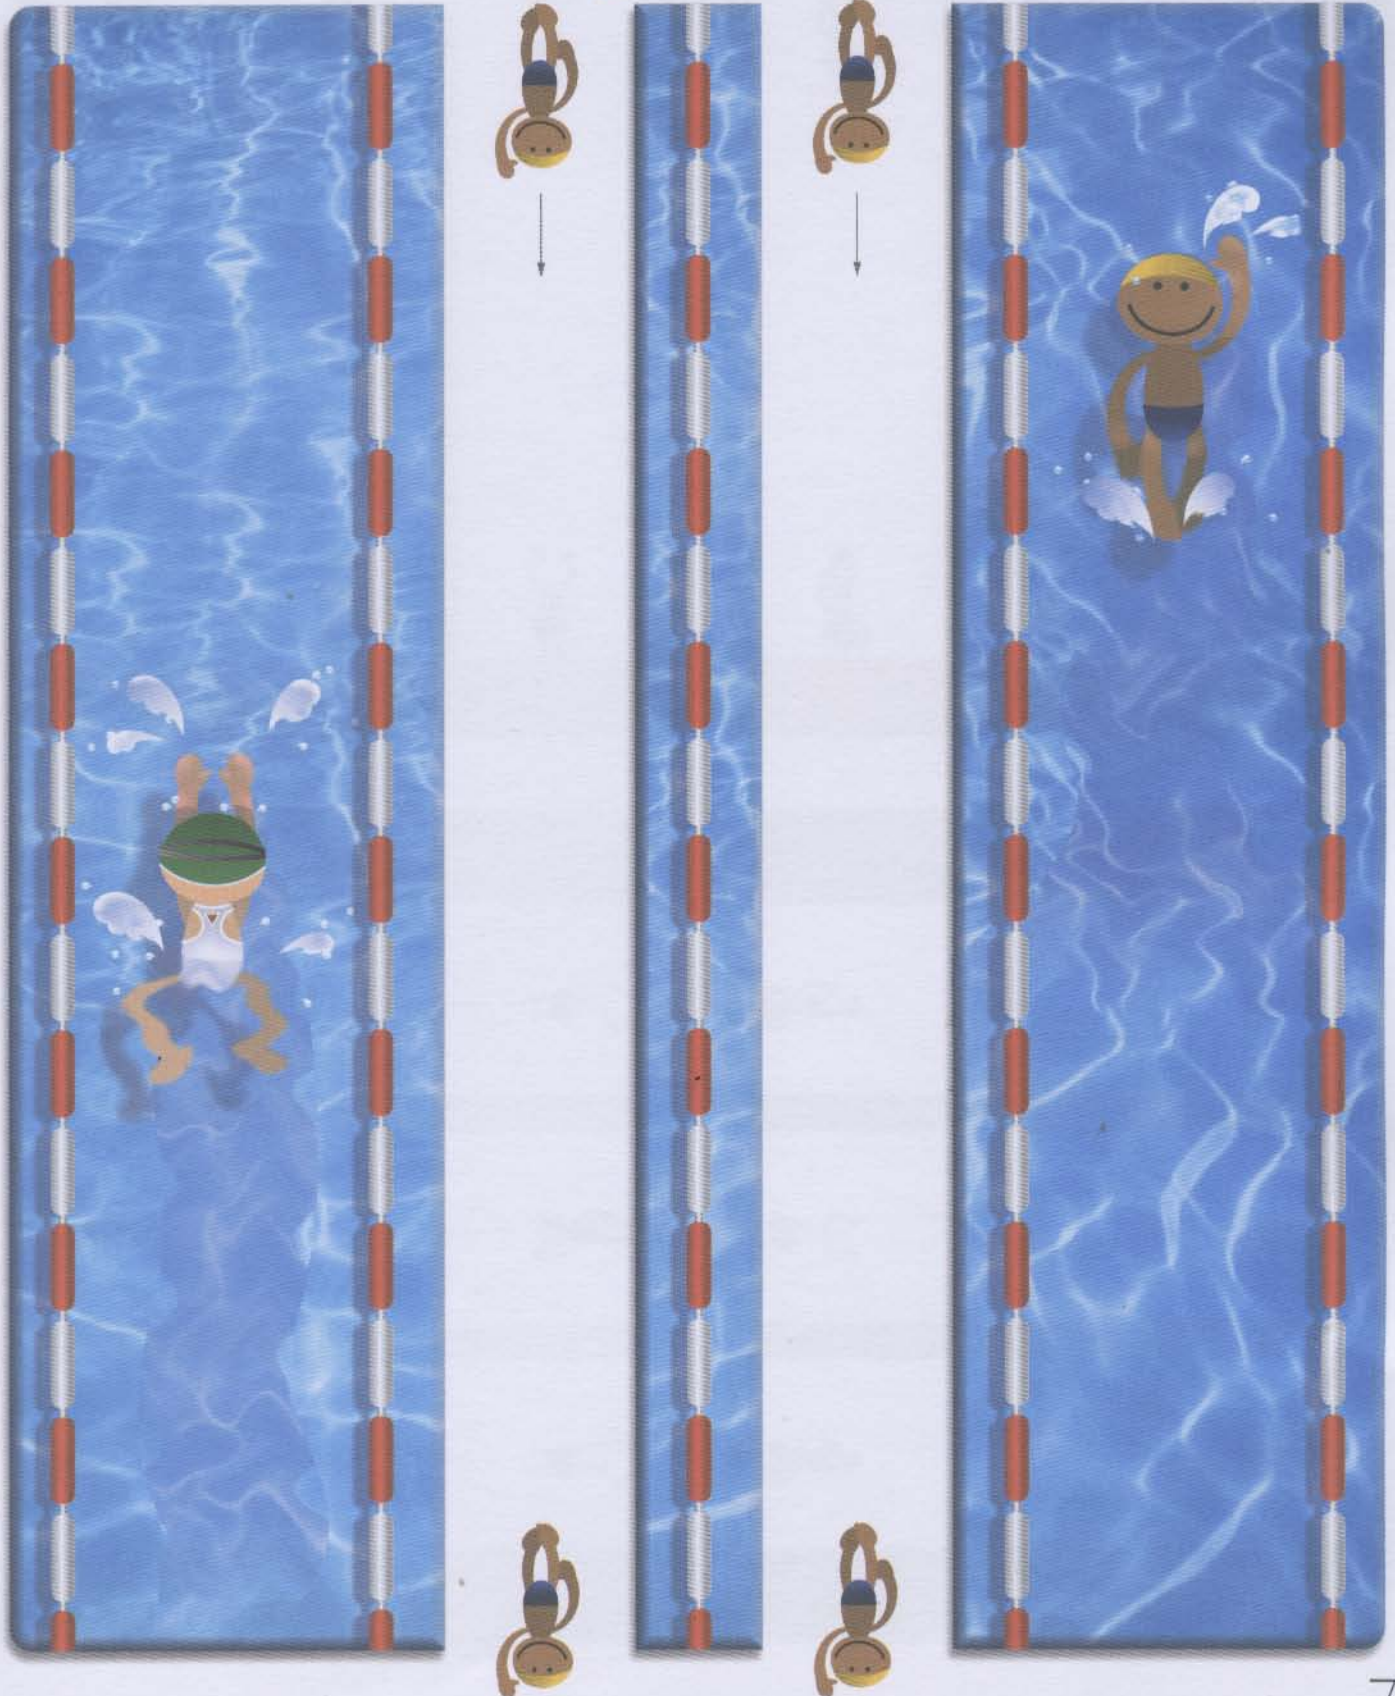

# 4

## A Race in the Swimming Pool

Name
Date

**To parents** The exercise here is to draw straight lines, even if they go outside the area. Have your child draw lines slowly and carefully.

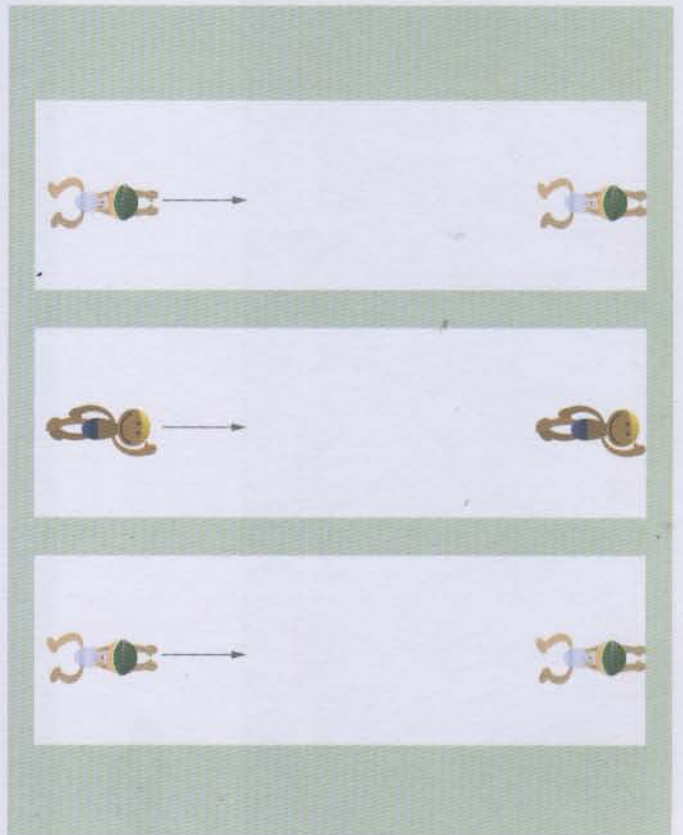

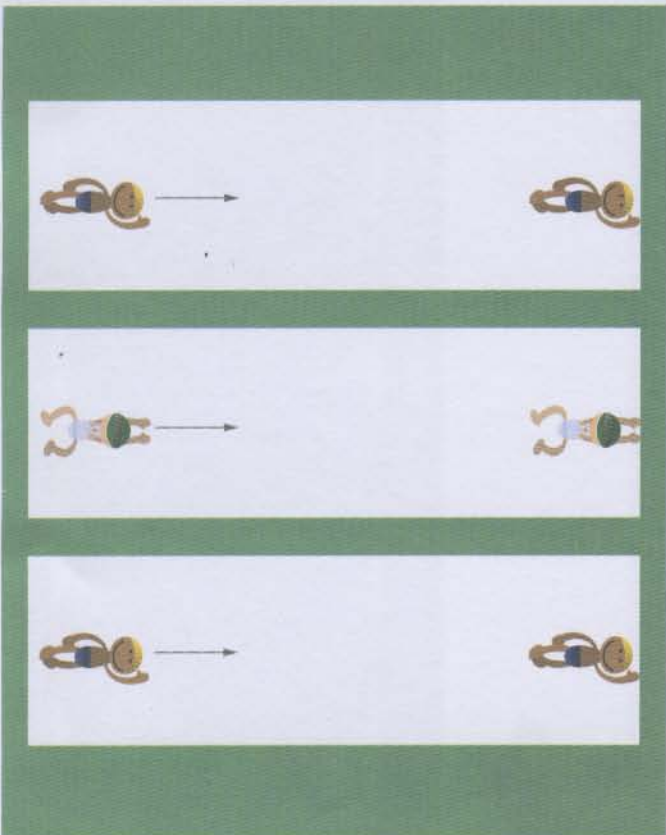

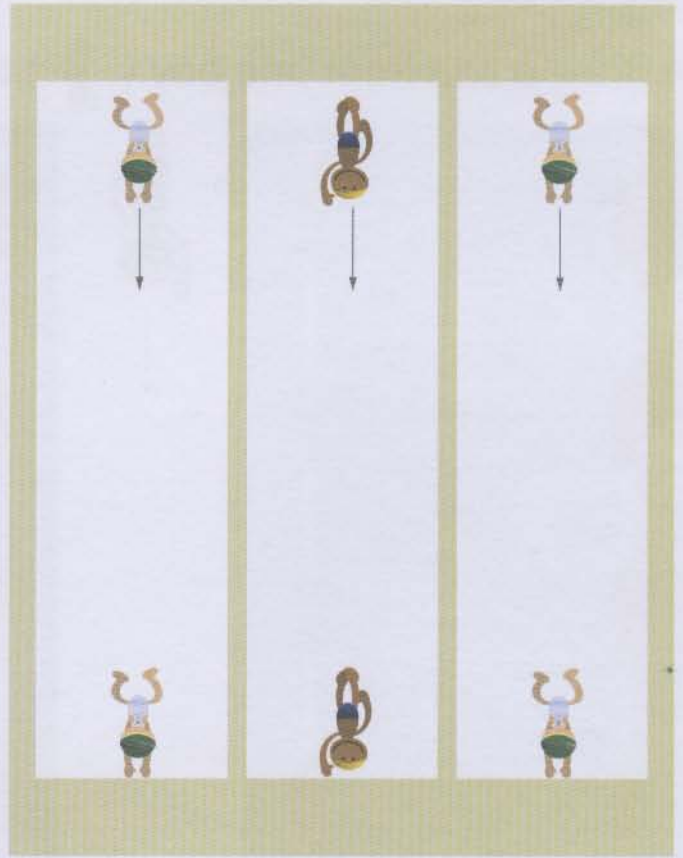

- Draw a line from one boy (  ) to the matching boy (  ).

**To parents**

This page is for further practice drawing straight lines. Have your child draw slowly, carefully, and steadily, one step at a time.

■ Draw a line from one picture to the matching picture.

# 5

## Sea Creatures

Name
Date

**To parents**  
If drawing a diagonal line in one stroke is too difficult, your child may pause in the middle.

- Draw a line from one shell (  ) to the matching shell (  ).

■ Draw a line from one picture to the matching picture.

# 6

## A Bear Paints a Barn

Name
Date

**To parents** This exercise teaches your child to draw jagged lines. This is often very difficult for children. To make this activity easier, allow your child to draw a straight line to the middle brush, then continue drawing to the brush at the bottom.

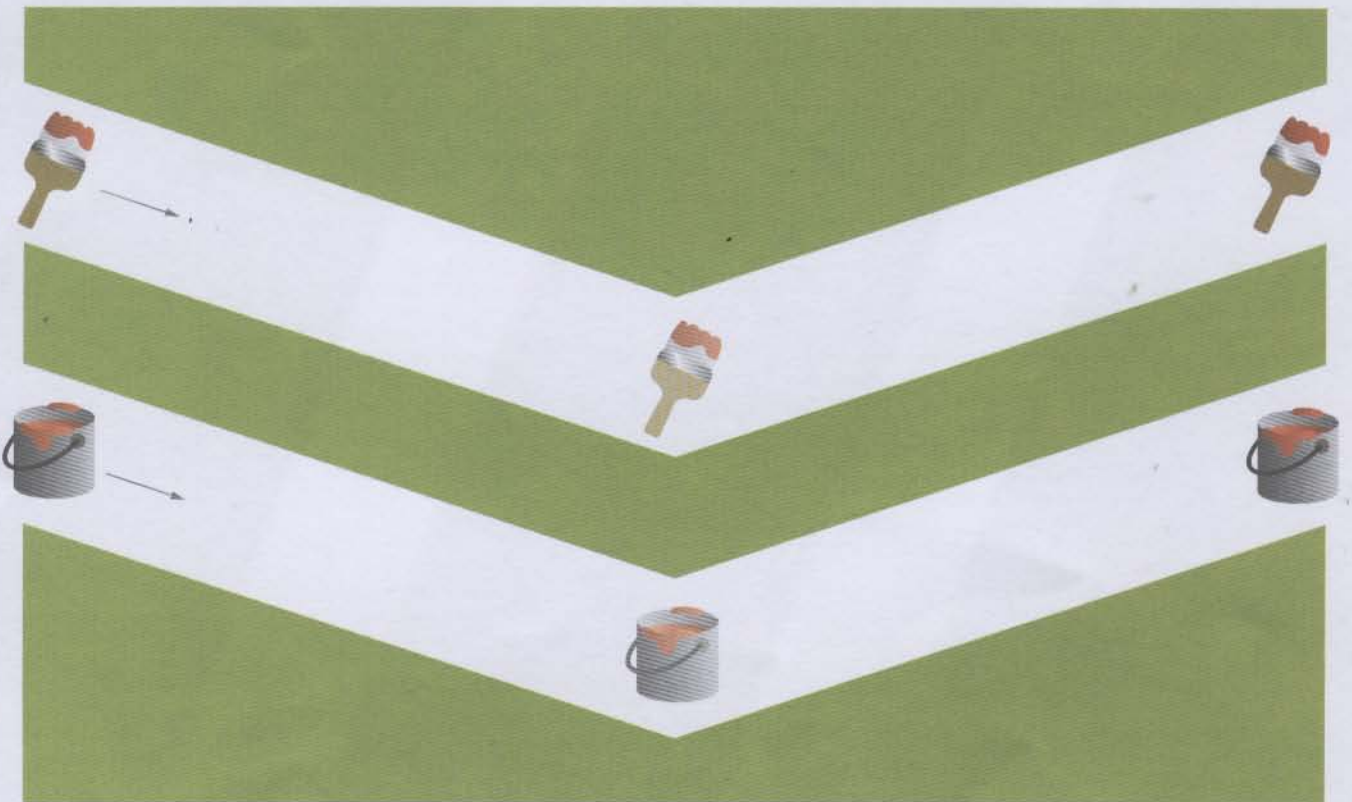

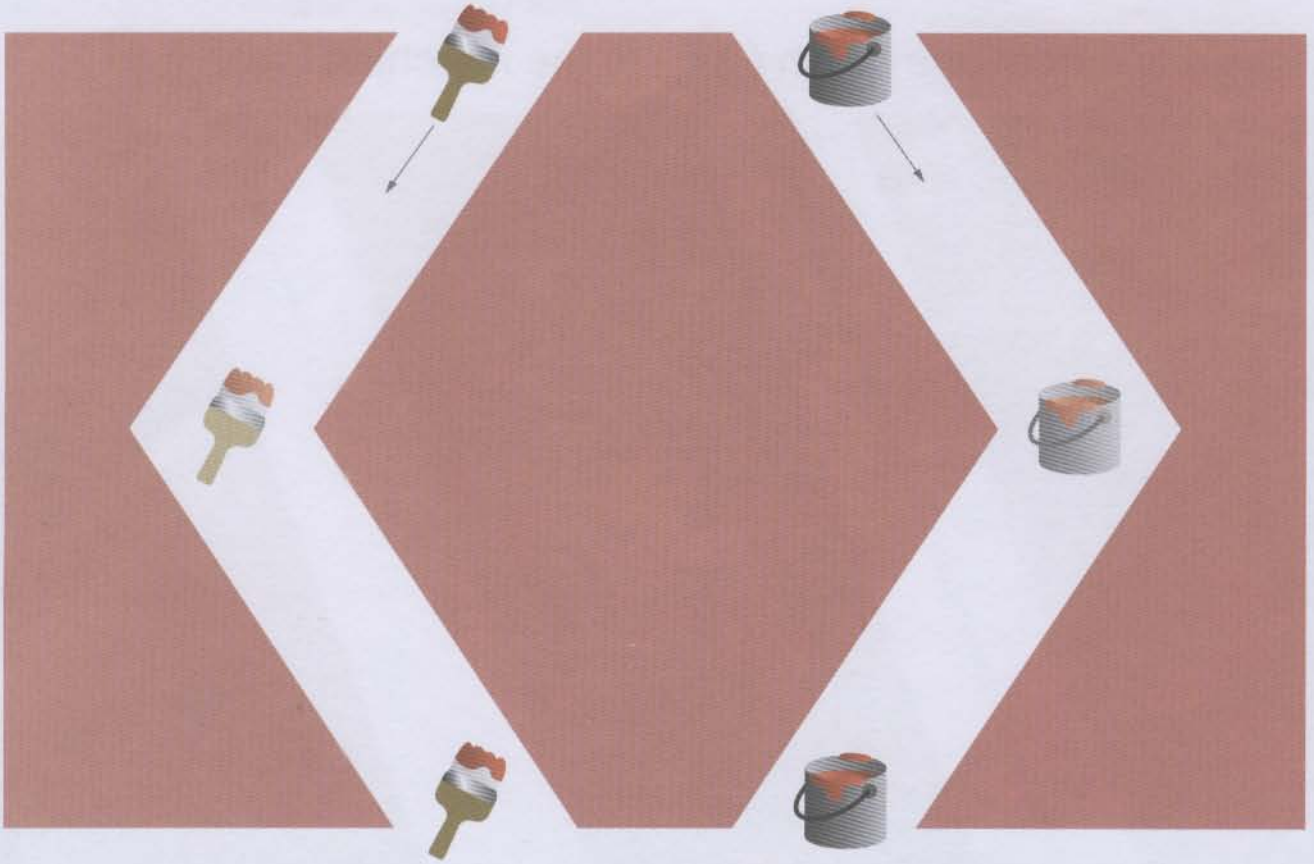

- Draw a line from one brush (  ) to the matching brush (  ).

**To parents**

Encourage your child to draw a jagged line from start to finish in one stroke. If your child needs help, allow your child to draw a straight line to the middle picture, then continue drawing to the end of the picture.

- Draw a line from one picture to the matching picture.

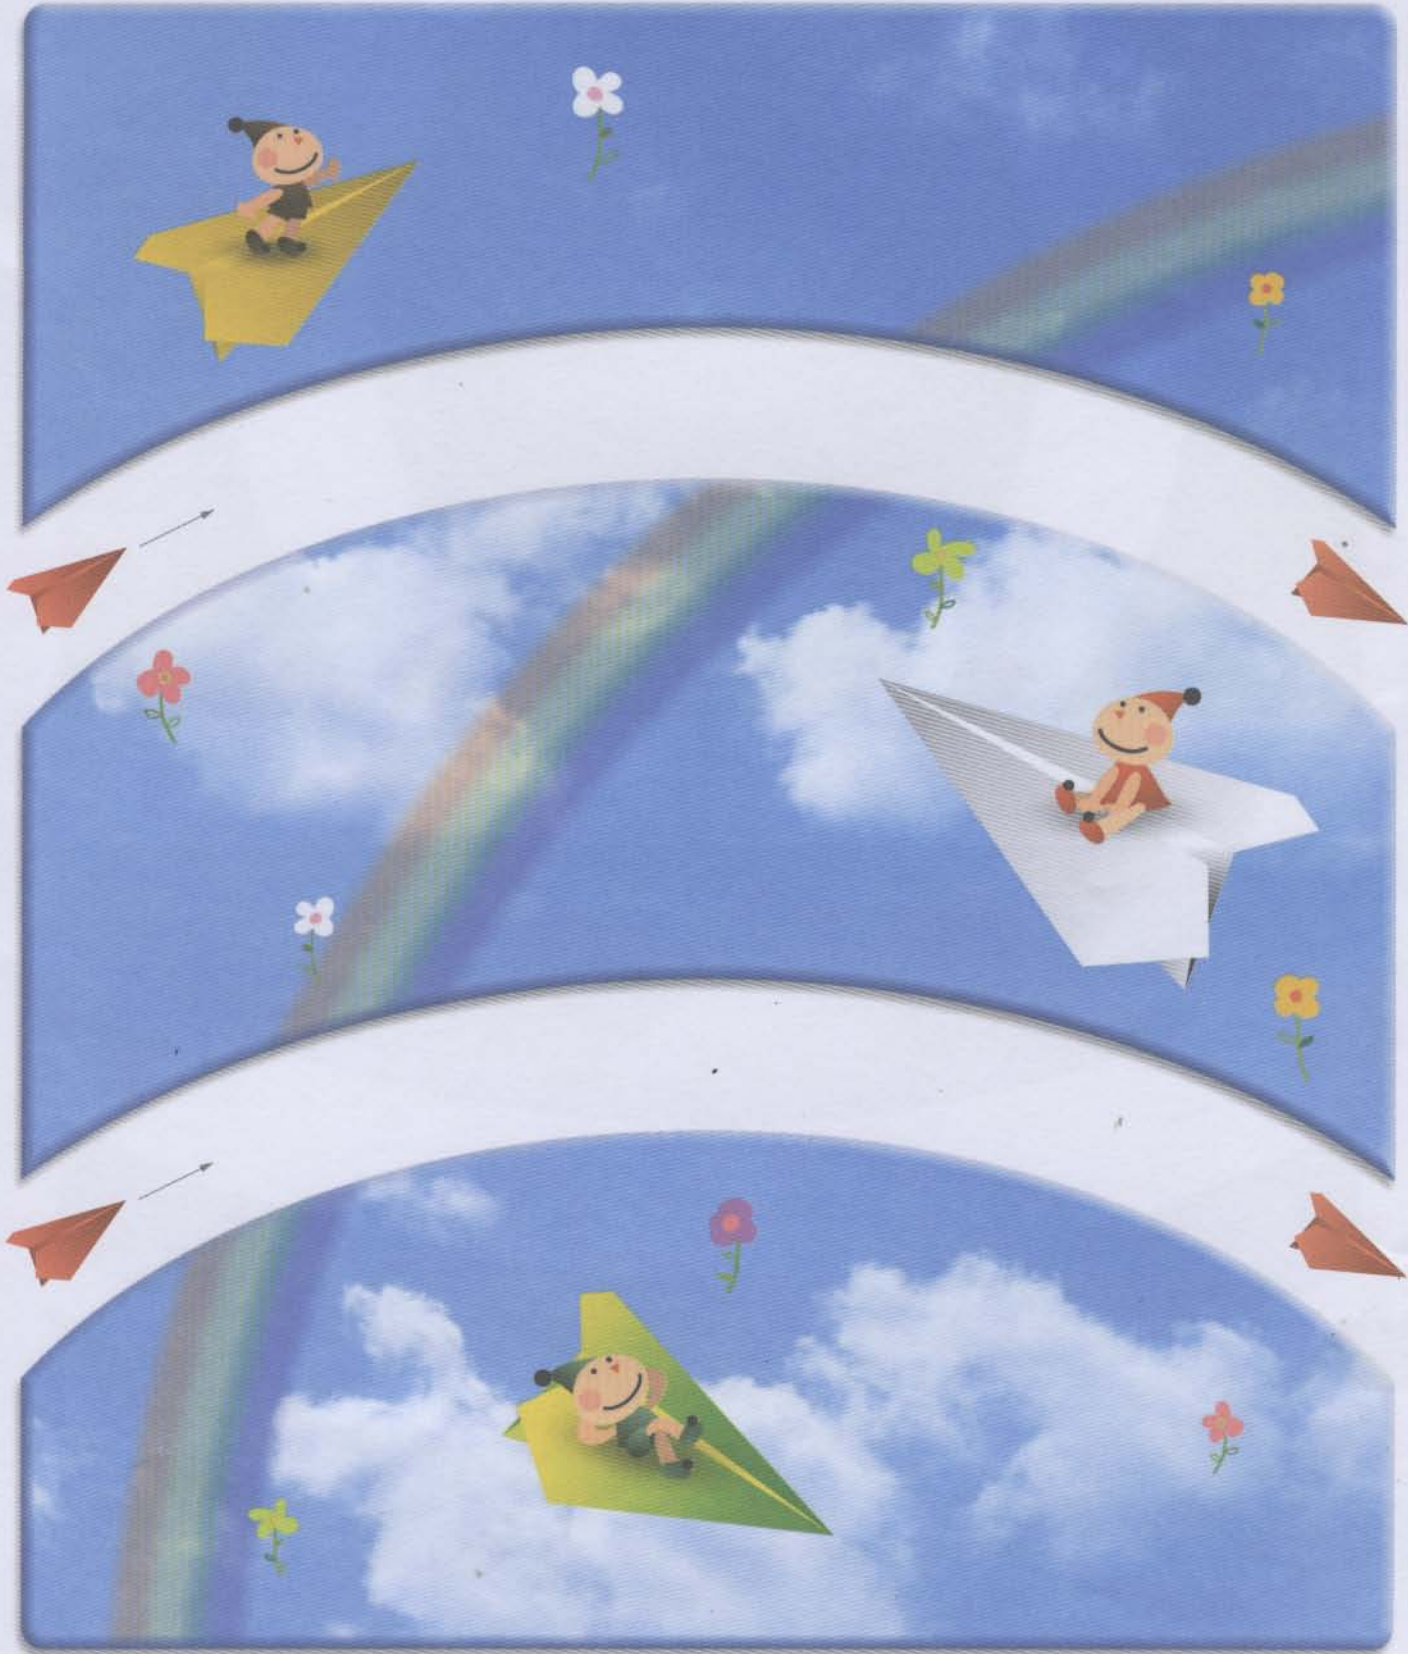

# 7

## Flying Over the Rainbow

Name
Date

**To parents** This exercise teaches your child to draw curved lines. Have your child move the pencil slowly along the curved path.

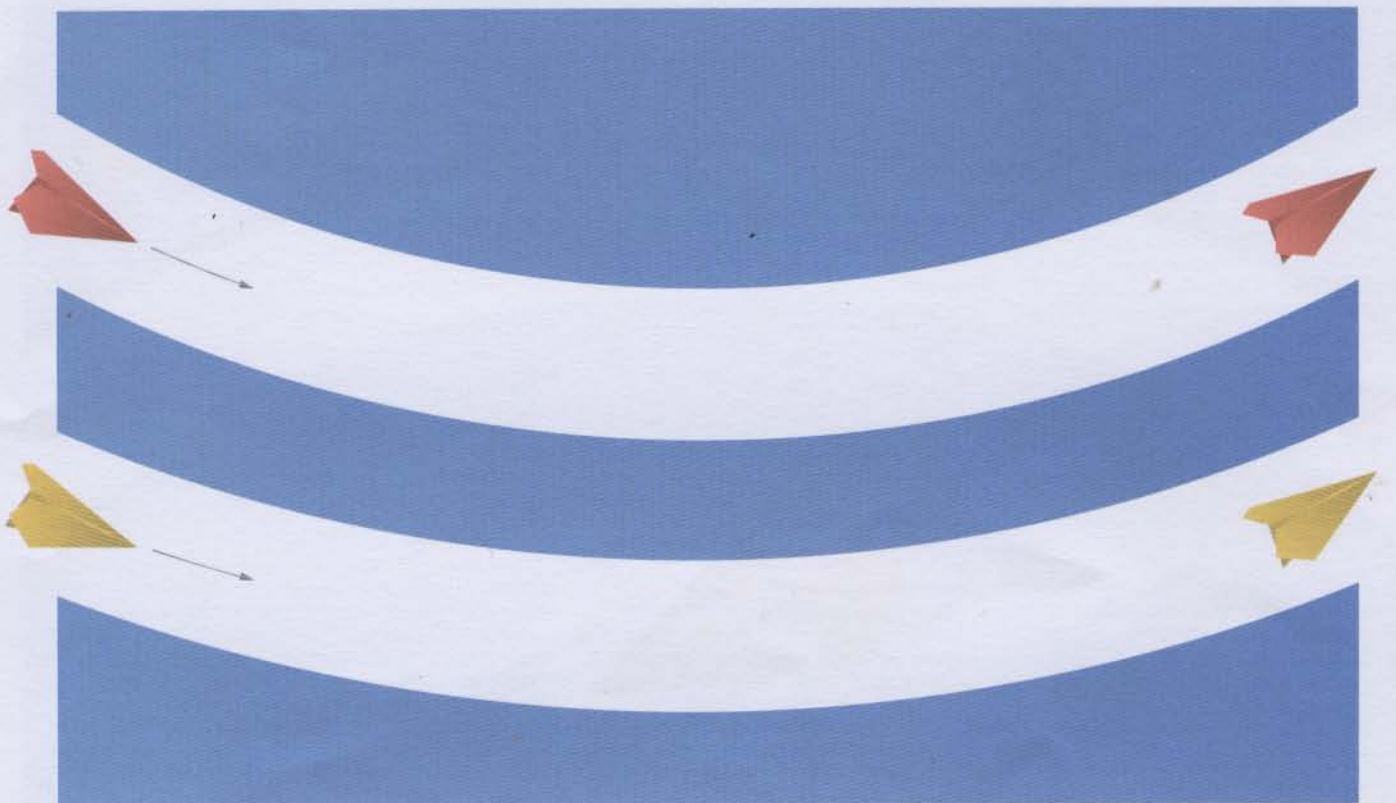

- Draw a line from one paper plane (✈) to the matching paper plane (✈).

**To parents**

Encourage your child to draw curved lines, showing the path of the paper planes.

- Draw a line from one picture to the matching picture.

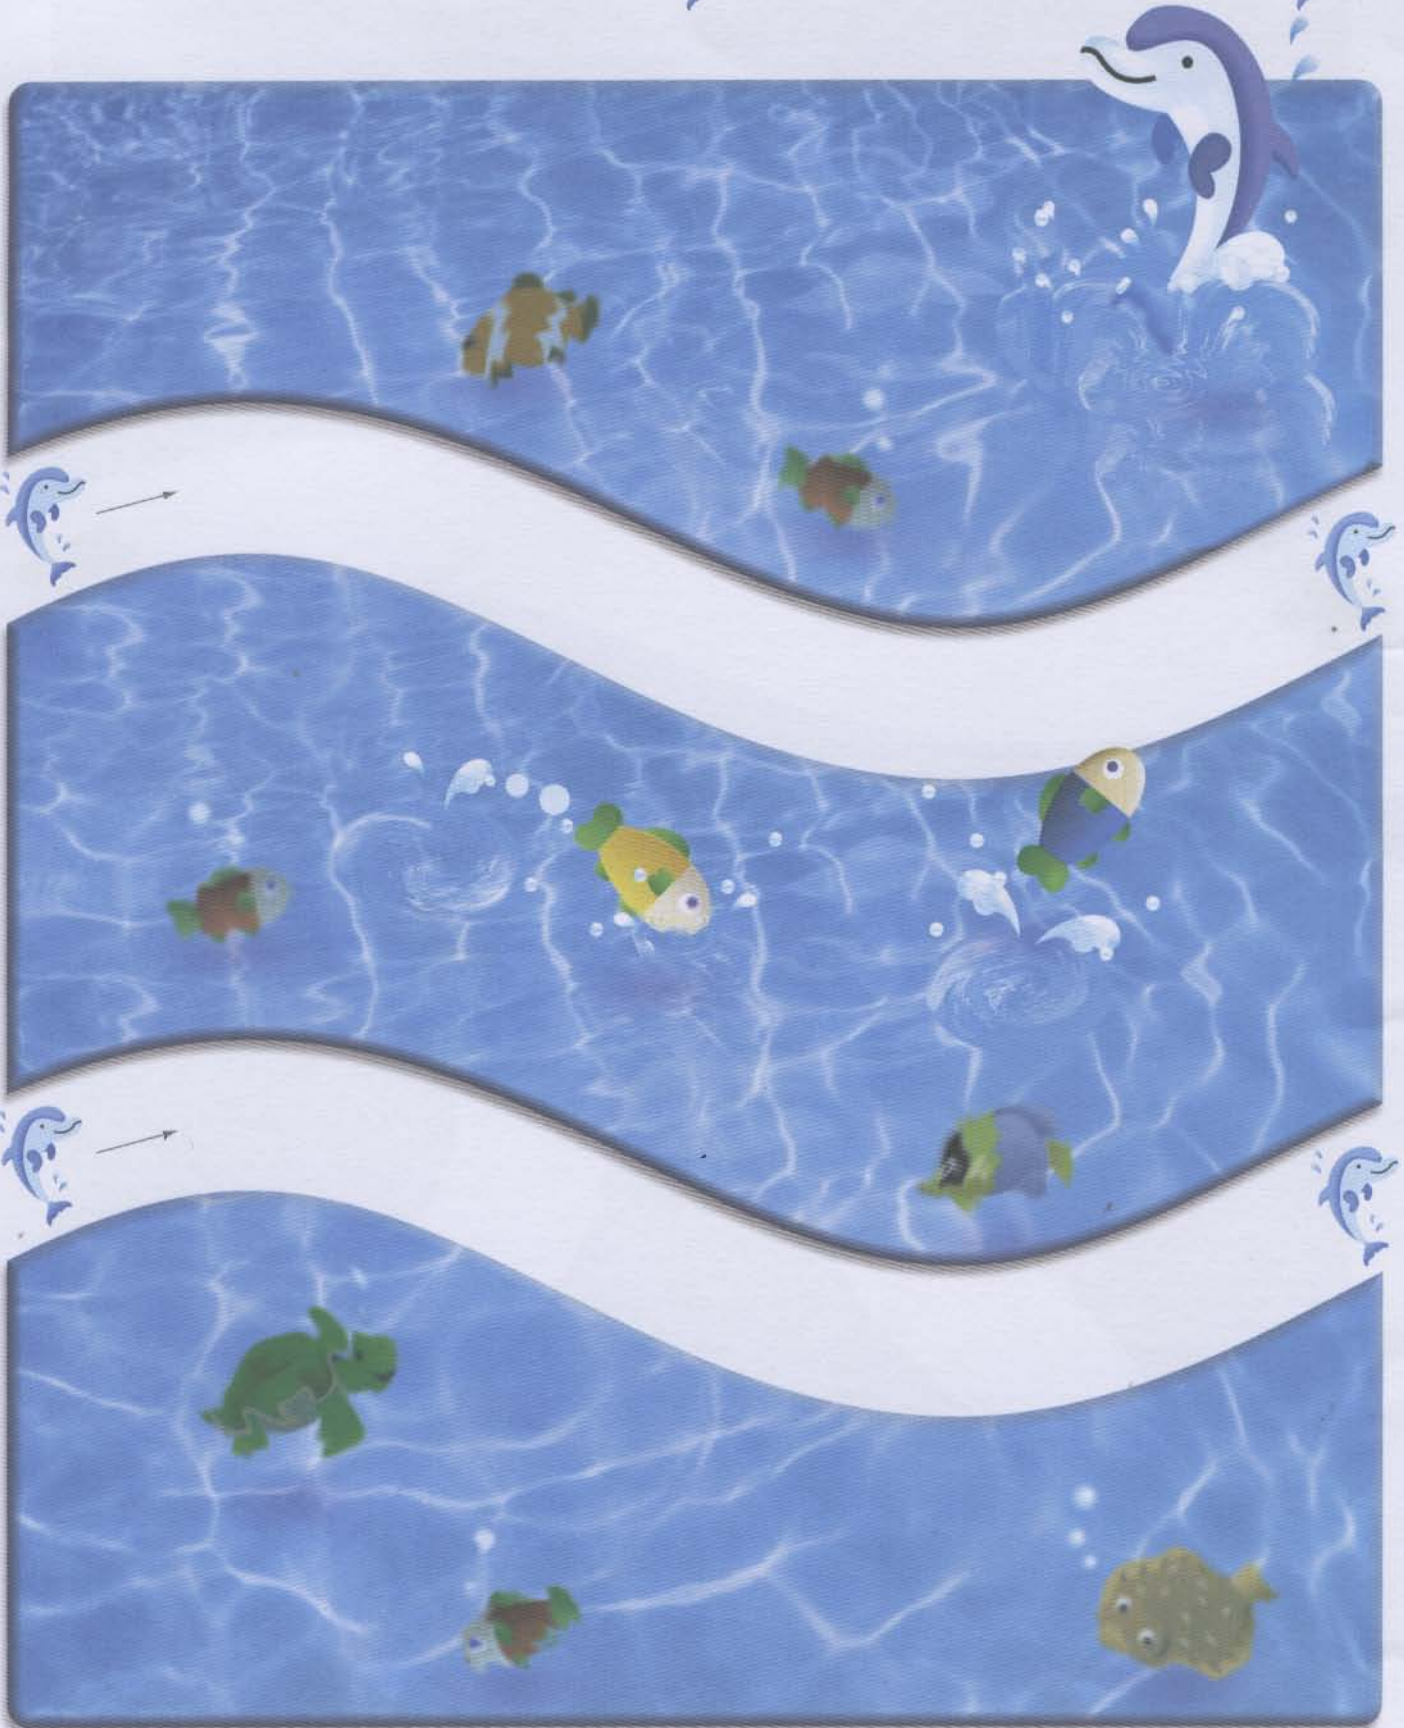

# 8

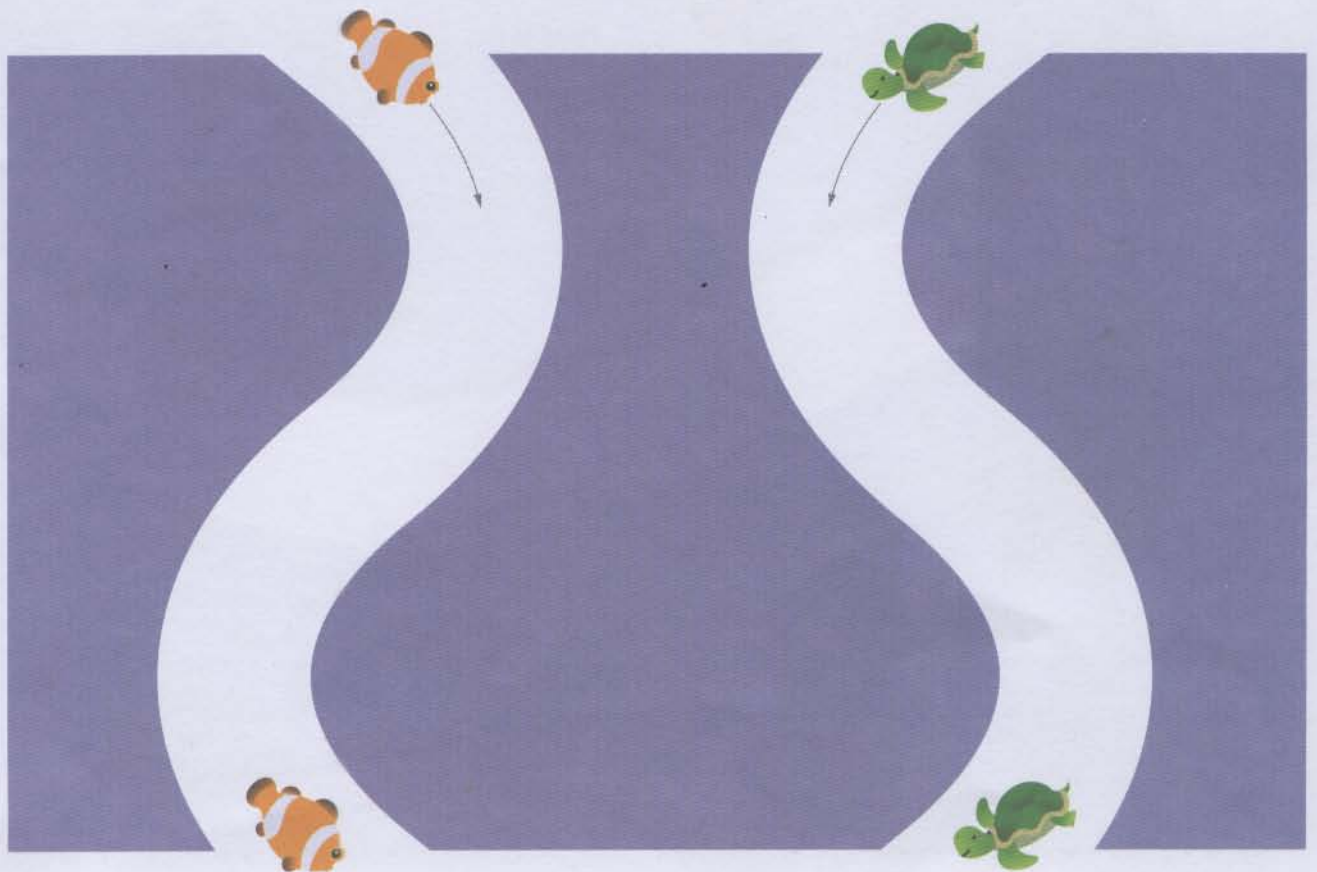

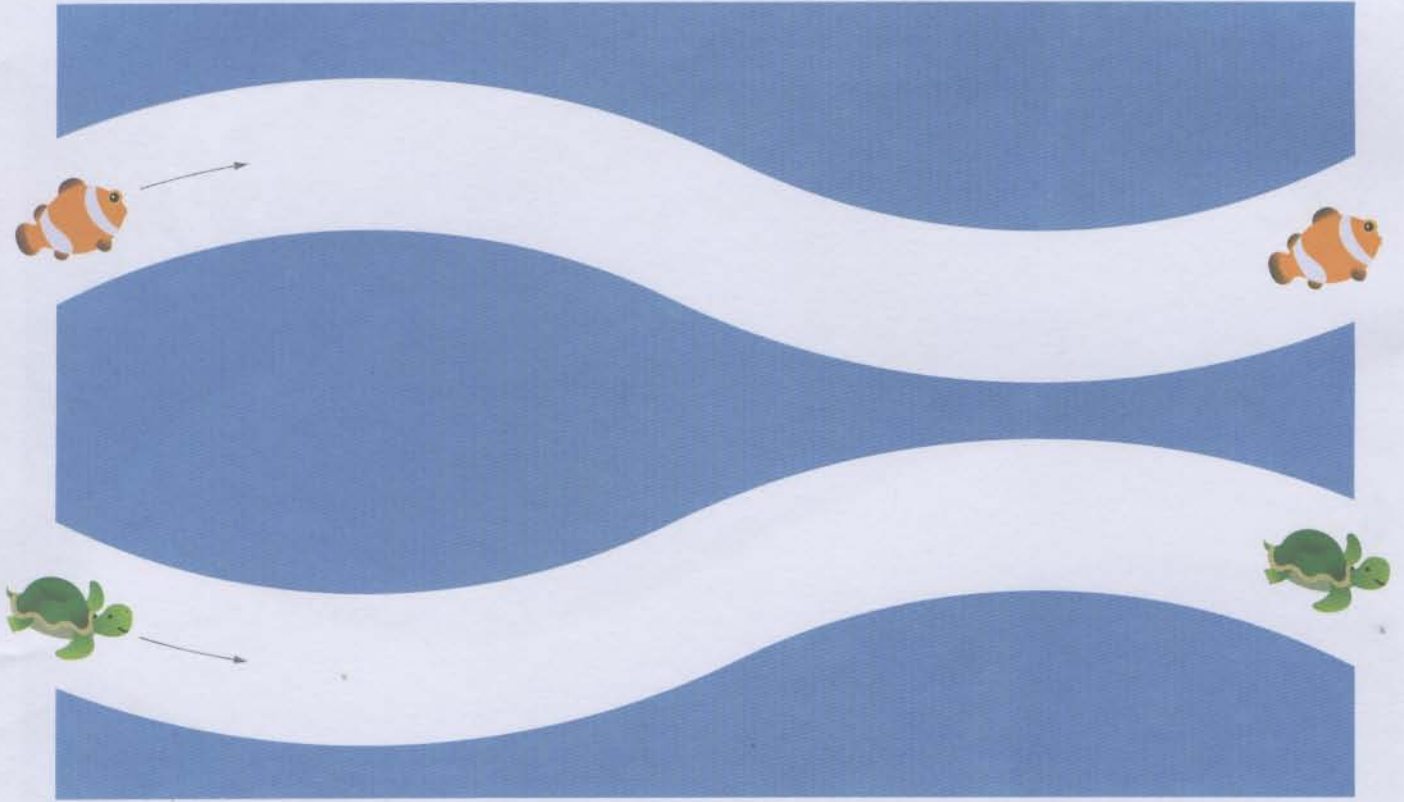

## Swimming Freely in the Sea

Name
Date

■ Draw a line from one dolphin (  ) to the matching dolphin (  ).

■ Draw a line from one picture to the matching picture.

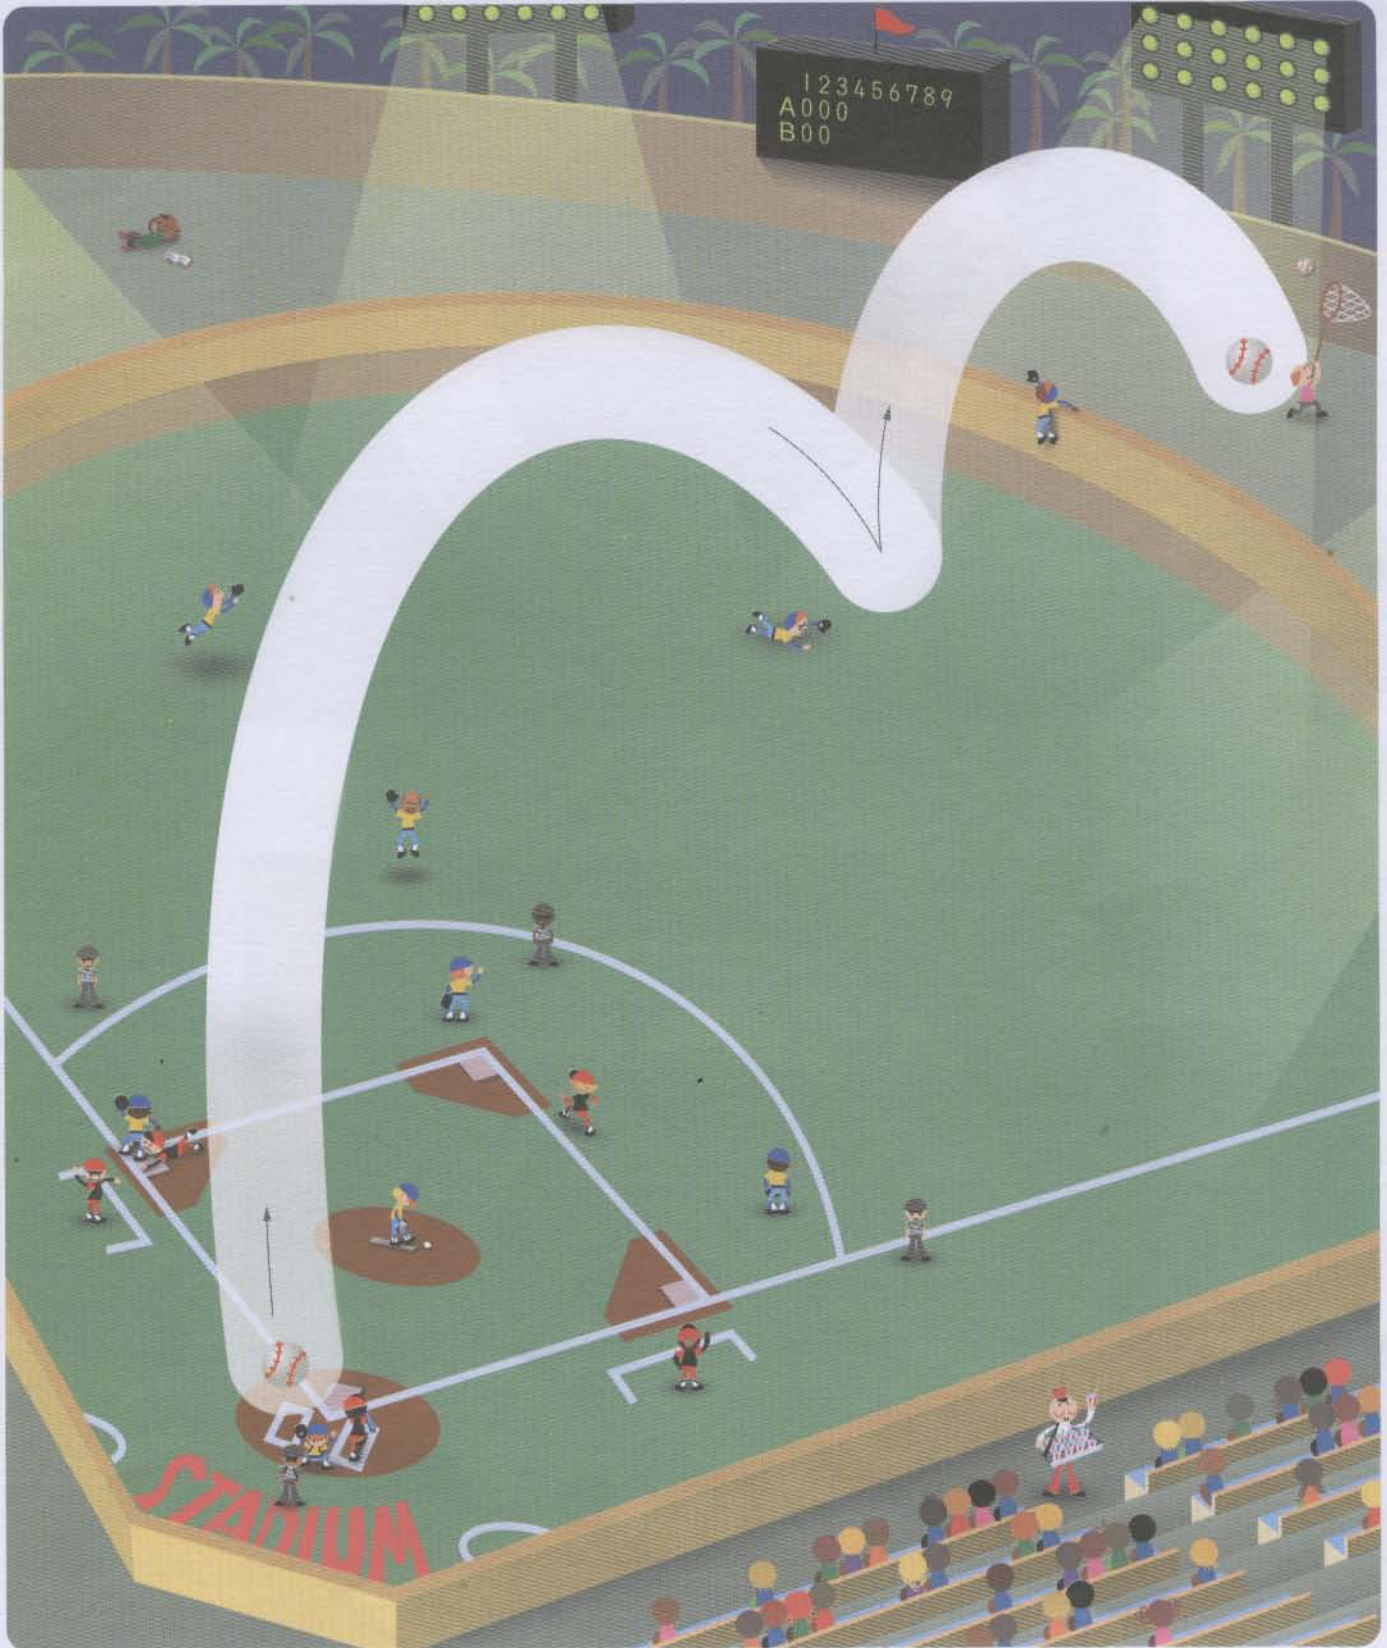

# 9

## It's a Long Hit!

Name
Date

**To parents** From this page on, drawing lines becomes more difficult. It is all right if your child draws outside the area. The important thing is to encourage your child to draw slowly and carefully.

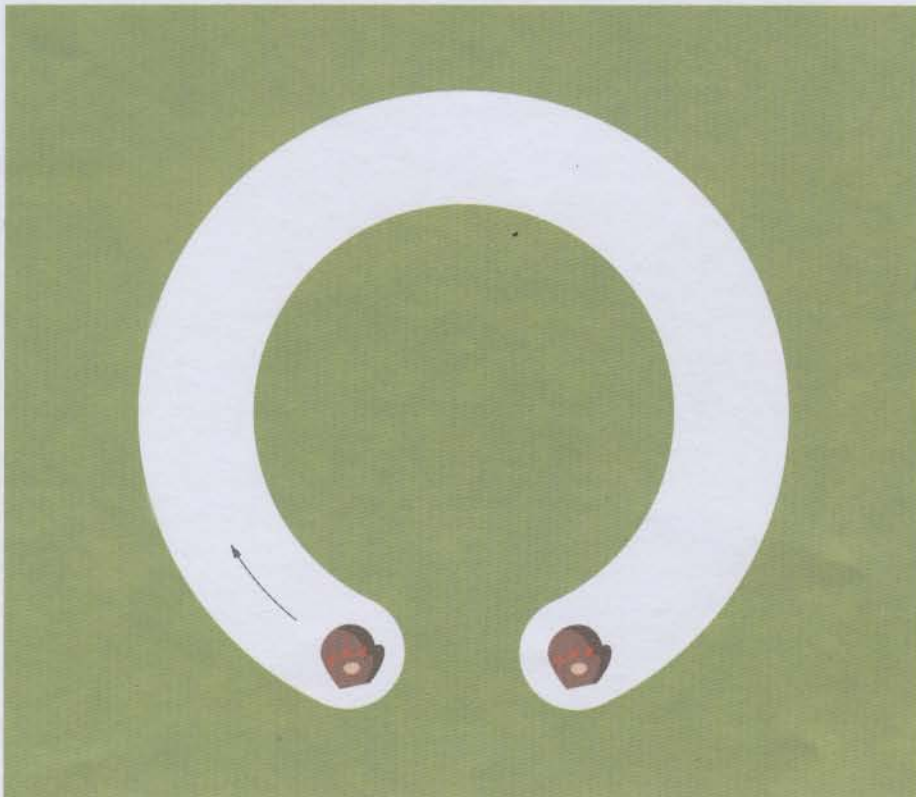

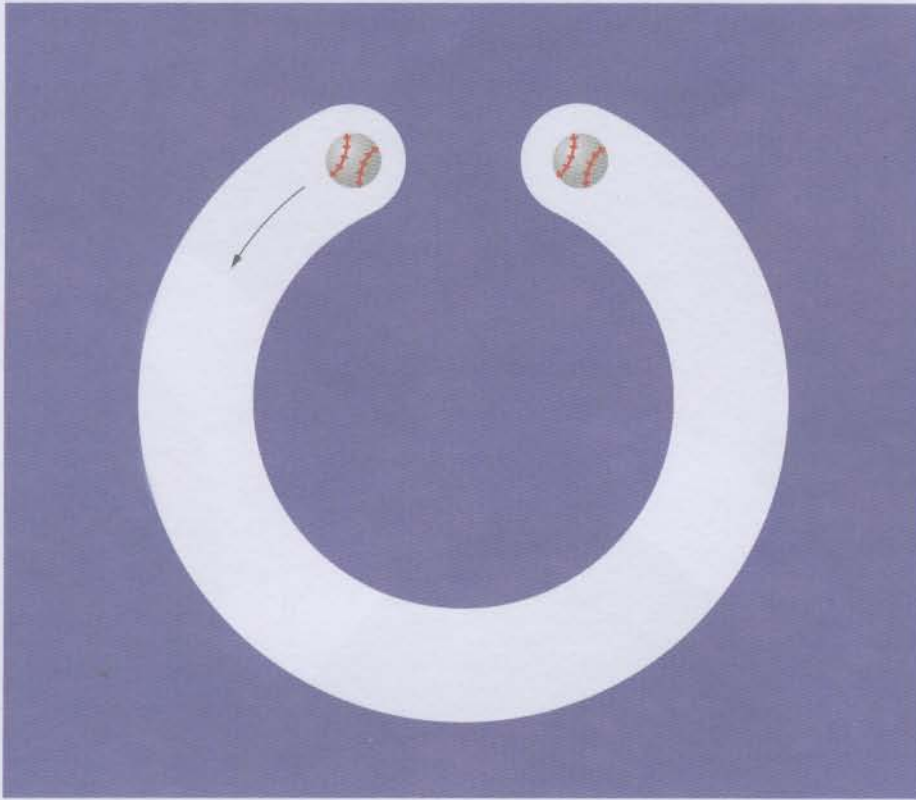

- Draw a line from one ball (  ) to the other ball (  ).

**To parents**

This exercise teaches your child to draw curved lines. There may be round shapes—a ball, a balloon—around you. Drawing them too, along with your child, will greatly help his or her pencil-stroke practice.

- Draw a line from one picture to the matching picture.

# 10

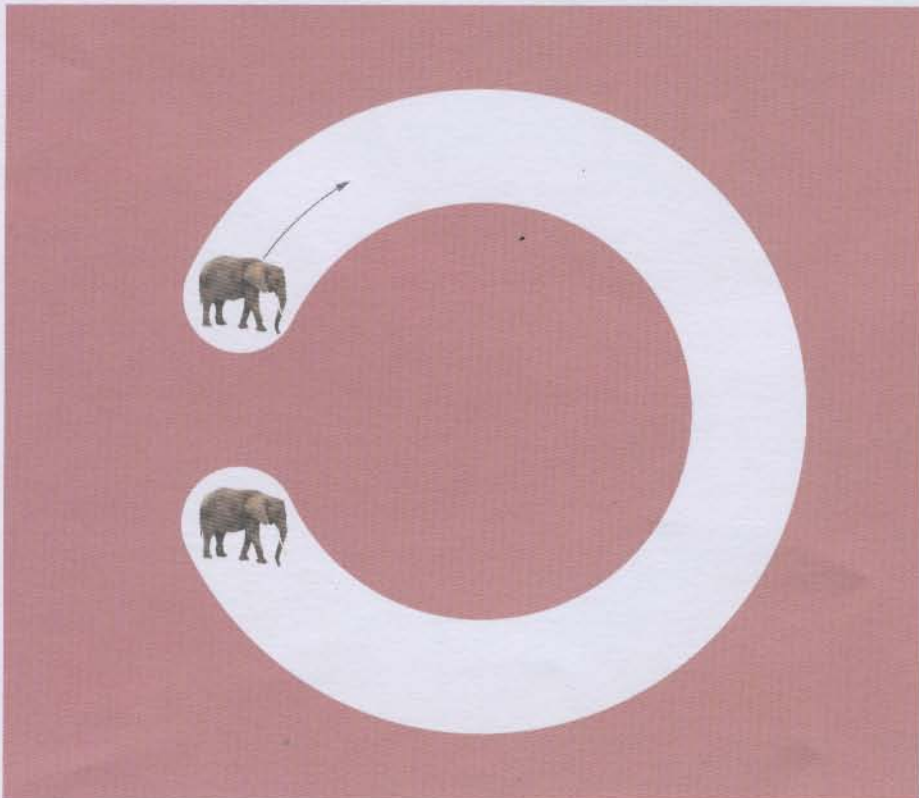

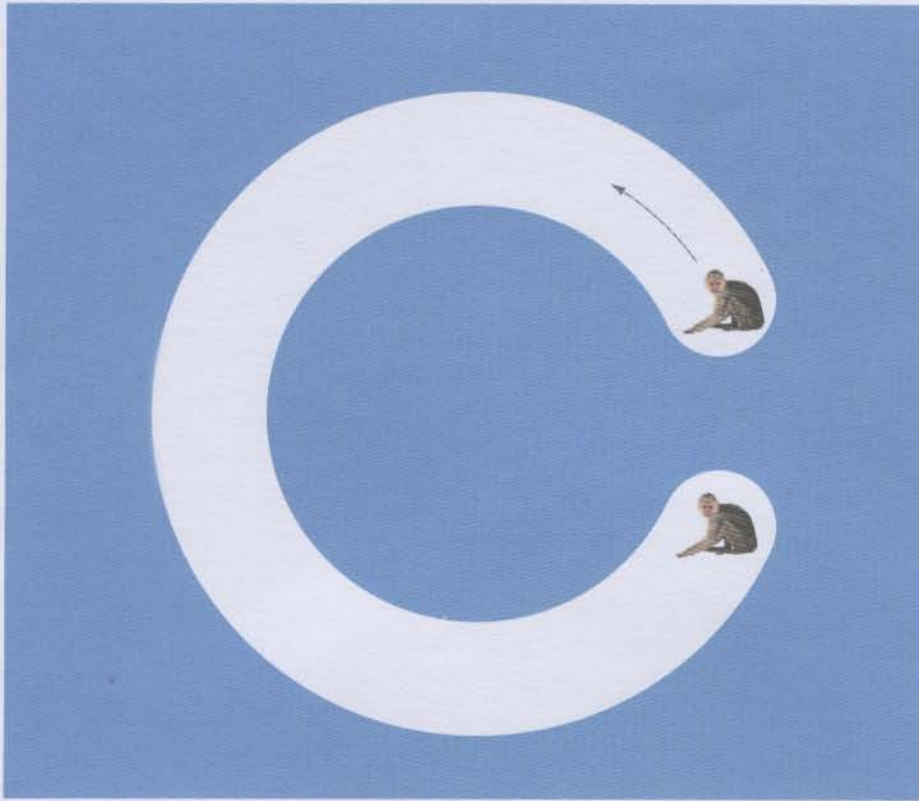

## A Tour of the Zoo

Name
Date

■ Draw a line from one friend (  ) to the other friend (  ).

■ Draw a line from one picture to the matching picture.

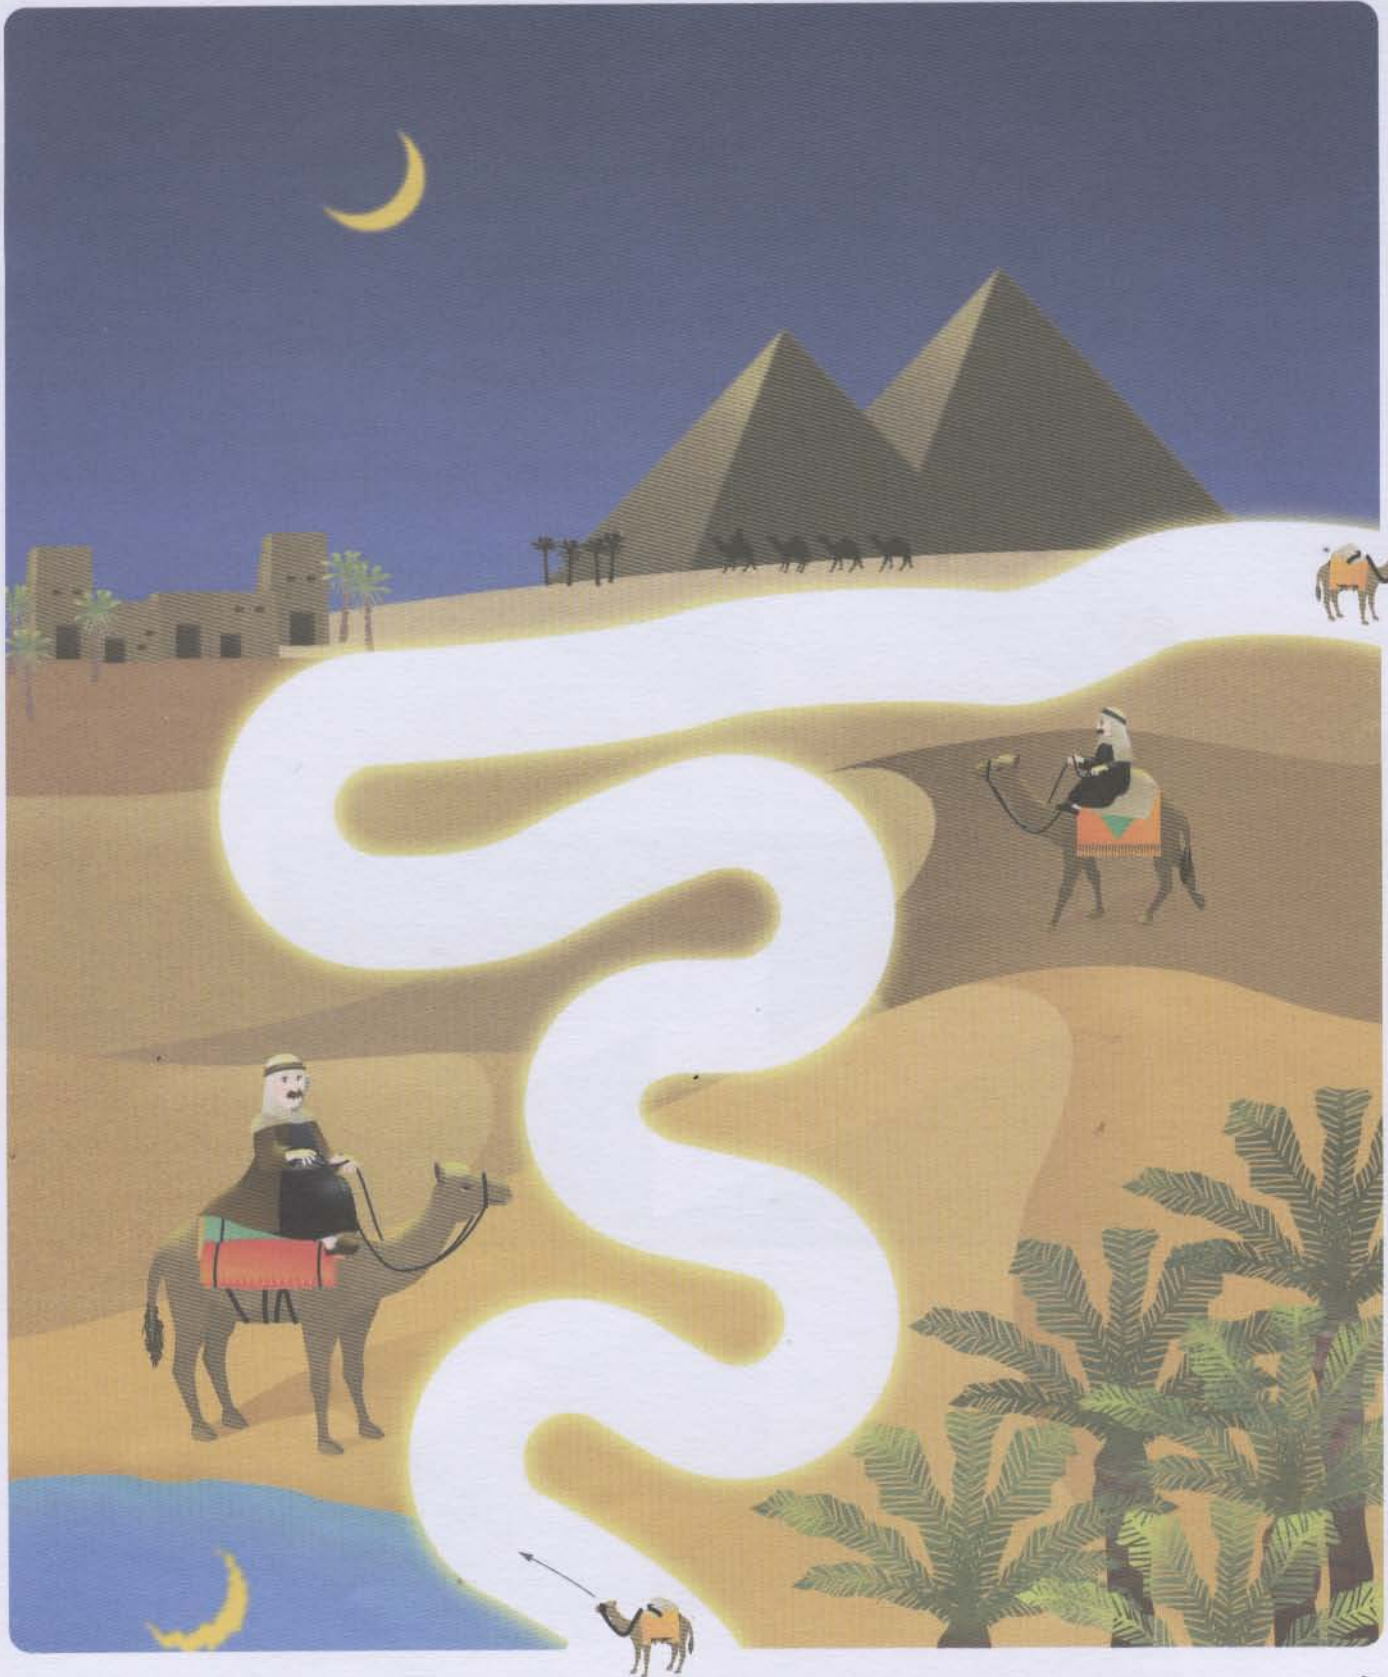

# 11

## On Camelback

Name
Date

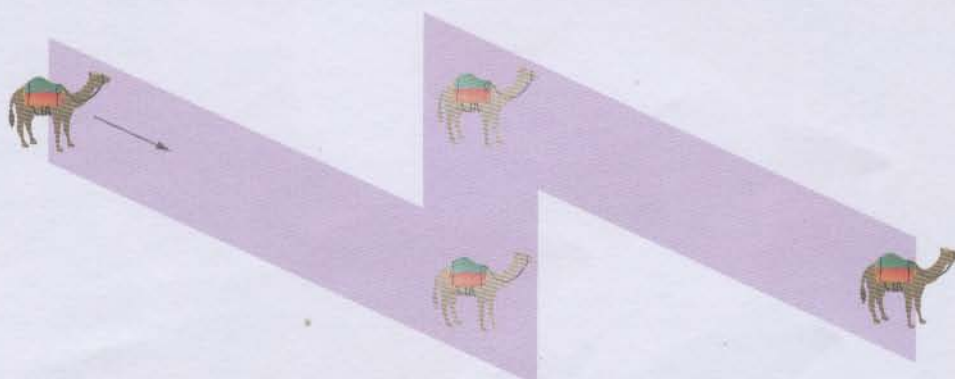

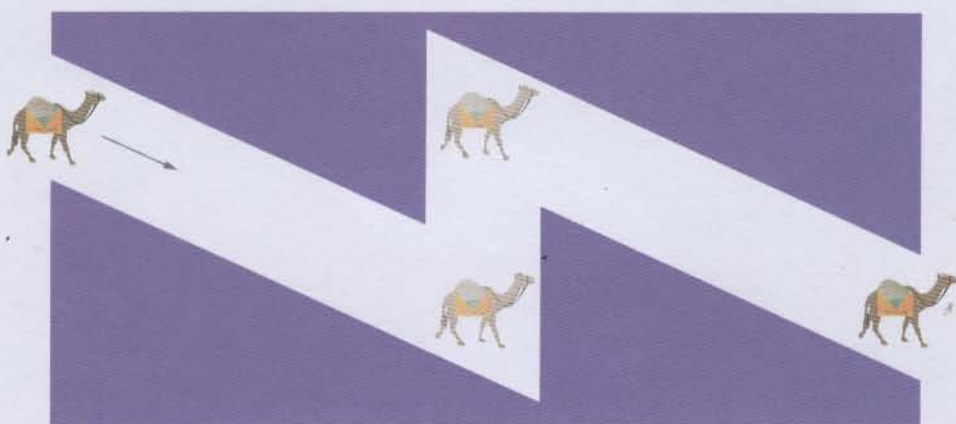

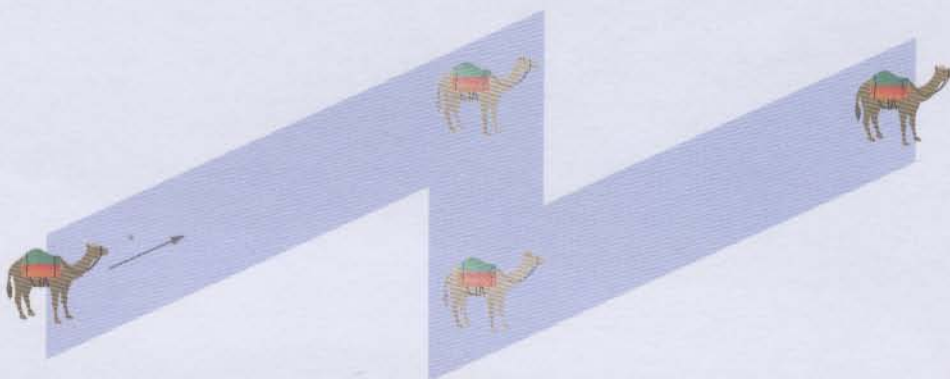

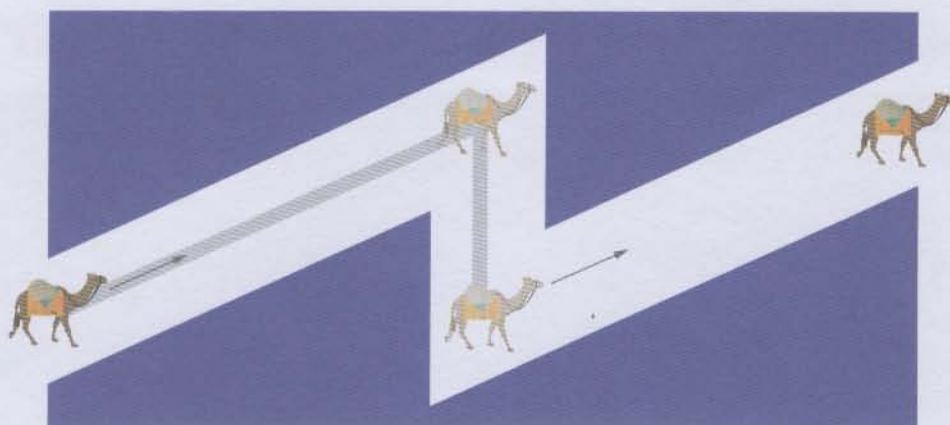

■ Draw a line from one camel (🐪) to the other camel (🐪).

**To parents**

On the following pages your child will learn to draw zigzag lines. This is often very difficult for children. To make this activity easier, allow your child to draw lines connecting one camel to the next camel, until your child has reached the end of the zigzag line.

- Draw a line from one picture to the matching picture.

# 12

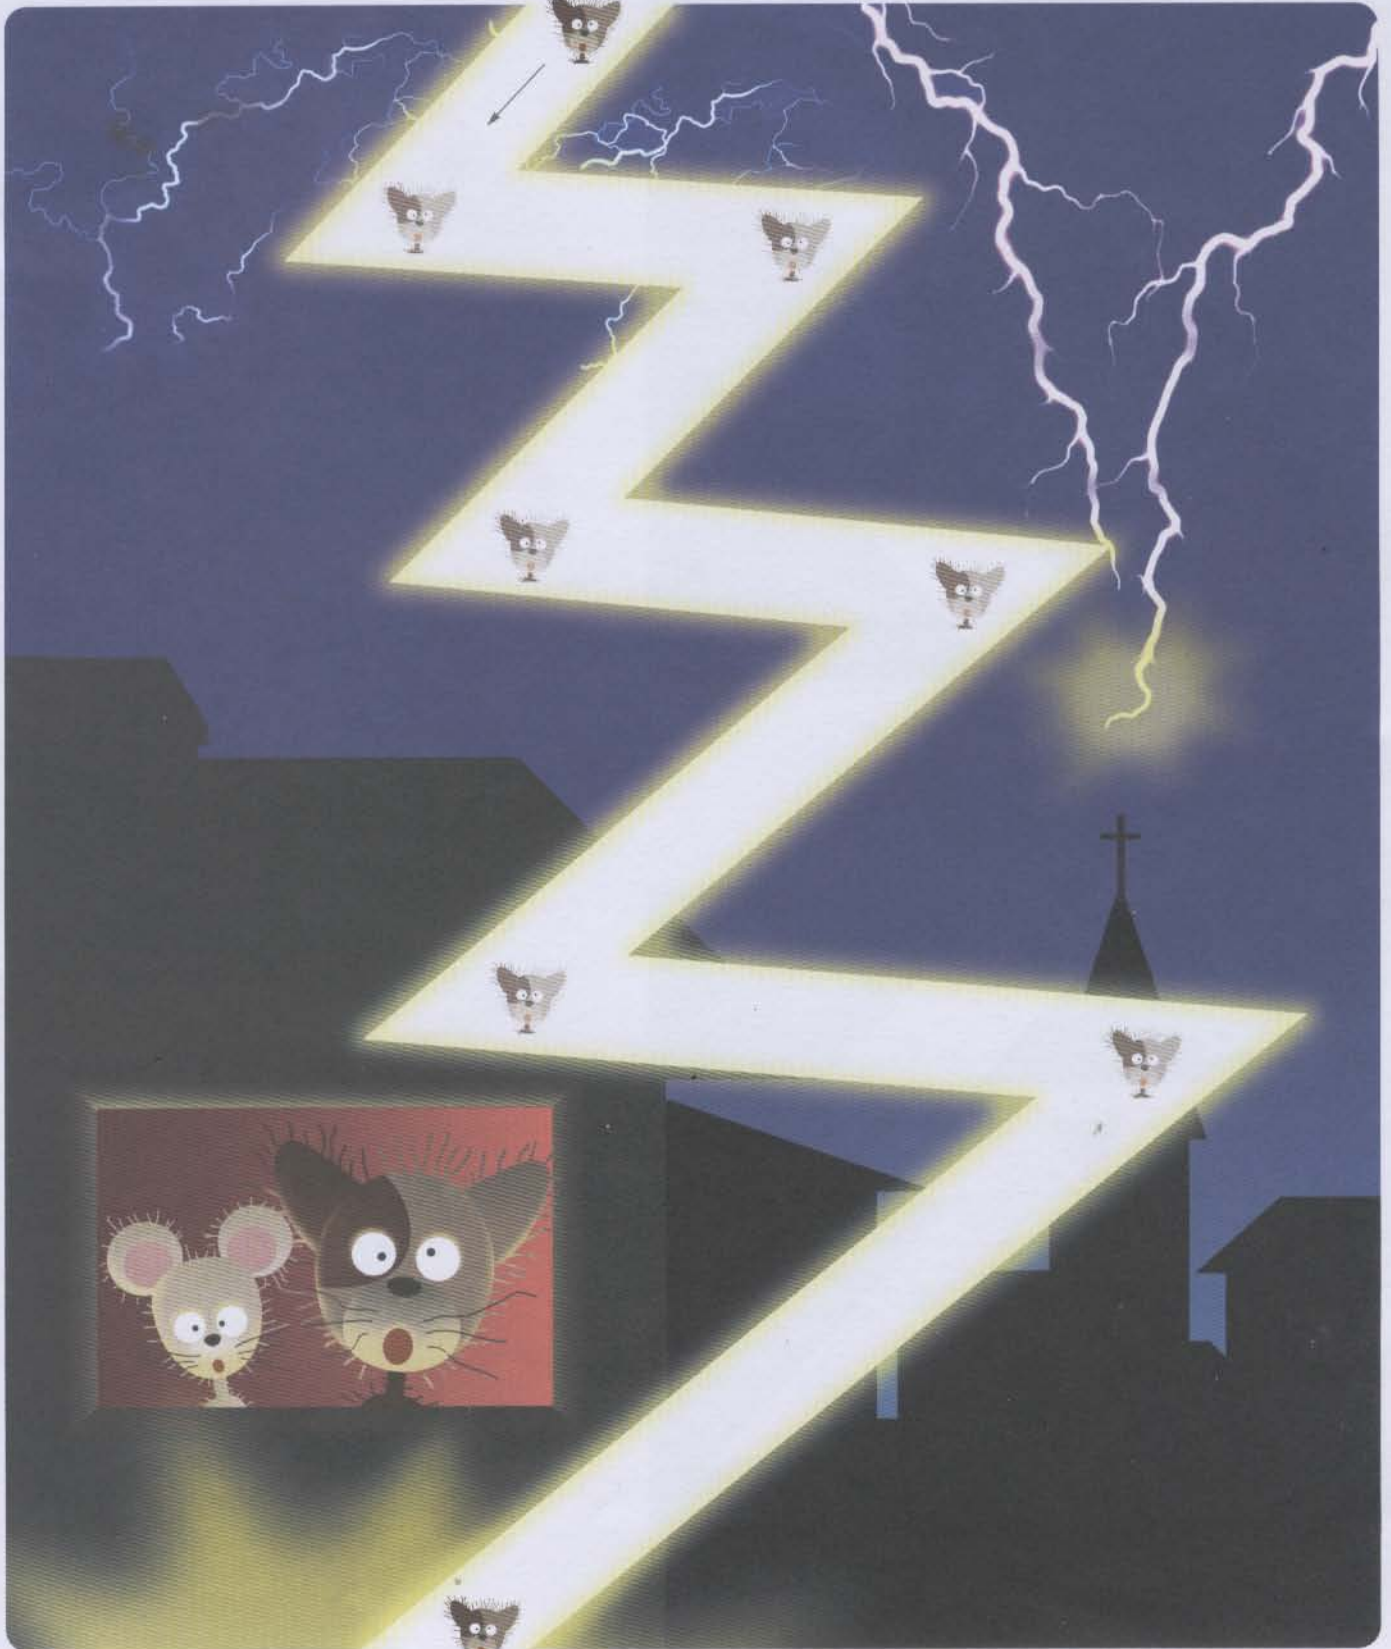

## A Flash of Lightning

Name
Date

**To parents**

Drawing a zigzag line is very difficult for a child. To make this activity easier, allow your child to draw a straight line from one dog to the next dog, then continue on to the end.

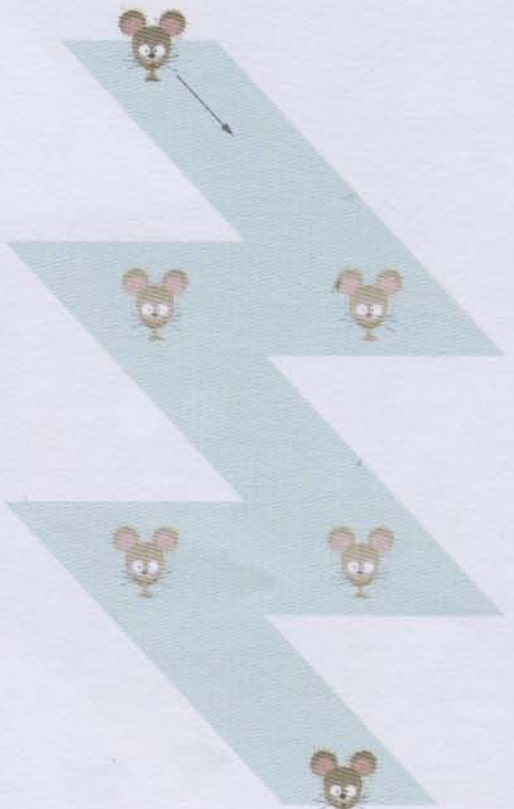

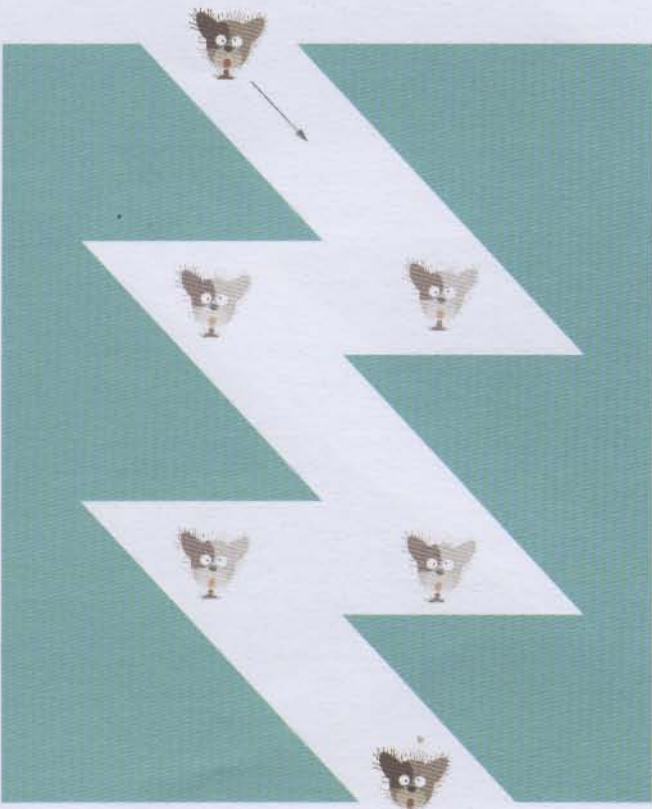

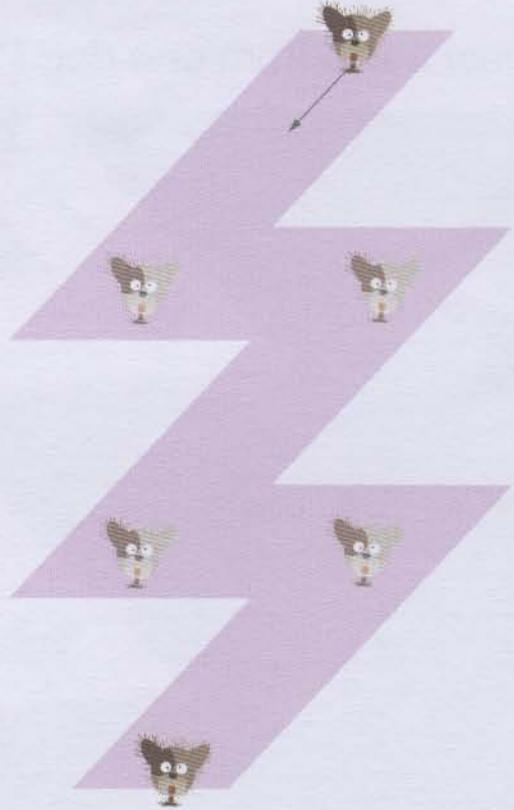

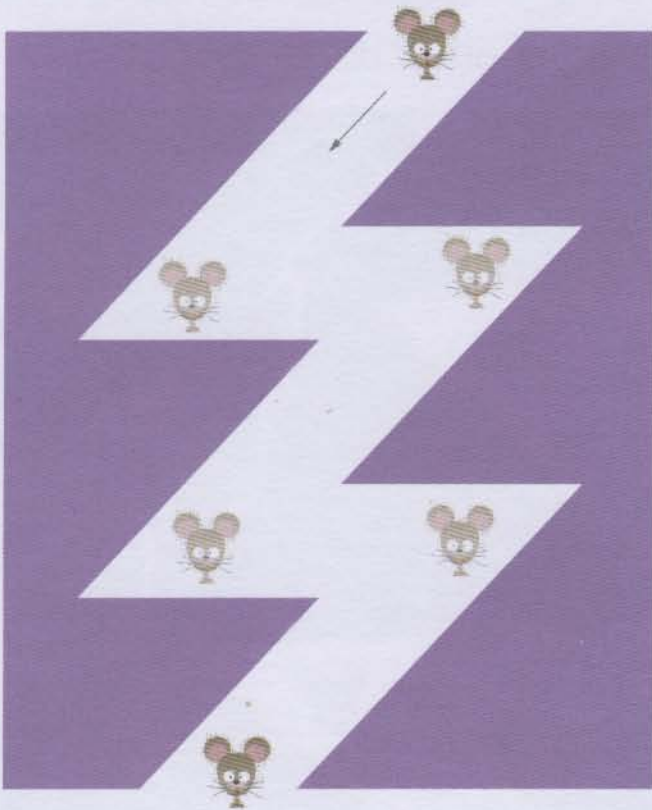

- Draw a line from one dog (  ) to the other dog (  ).

**To parents**

Begin by having your child draw a line from one picture to the next. When he or she has gotten used to this, encourage your child to draw a zigzag line in one stroke.

- Draw a line from one picture to the matching picture.

# 13

## Seashore Swimming

Name
Date

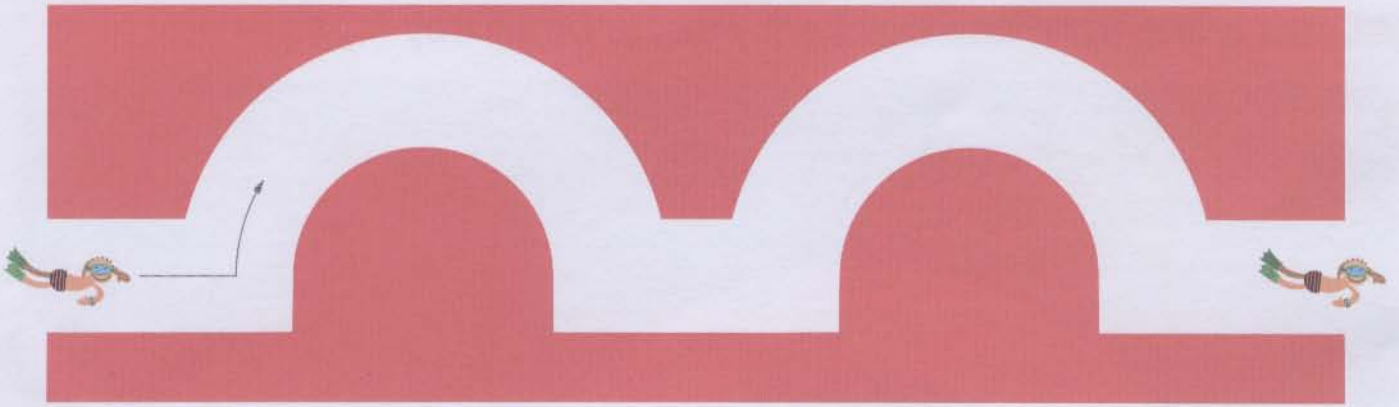

■ Draw a line from one boy (  ) to the other boy (  ).

**To parents**

Encourage your child to draw a line from one swimmer to the other swimmer. Point at the start and at the end and tell your child, "Try to swim from here to there."

- Draw a line from one picture to the matching picture.

# 14

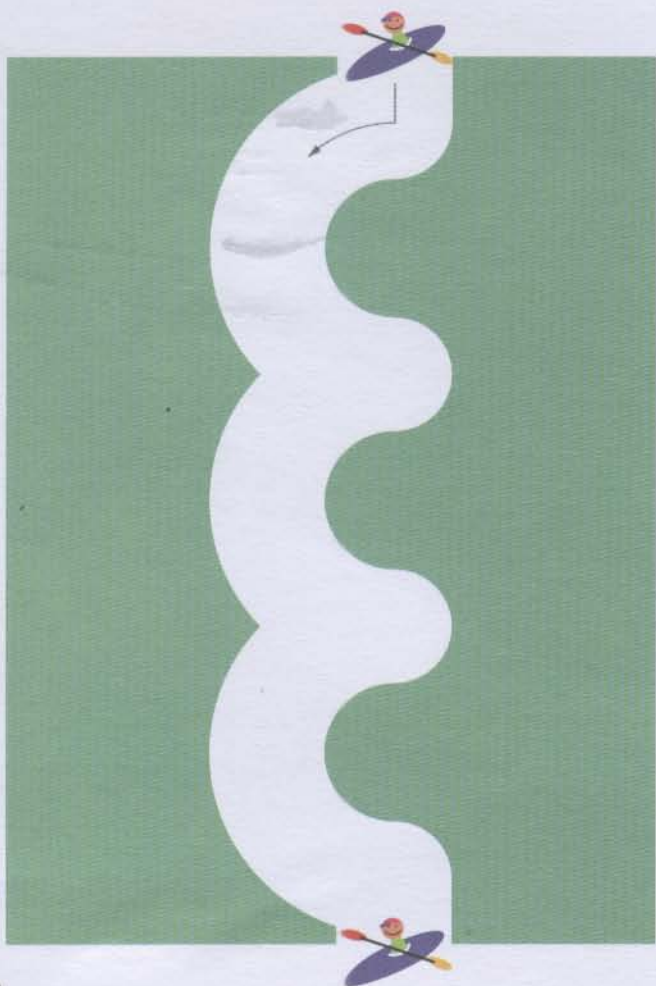

## Going Down a Winding River

Name
Date

■ Draw a line from one kayak (  ) to the other kayak (  ).

■ Draw a line from one picture to the matching picture.

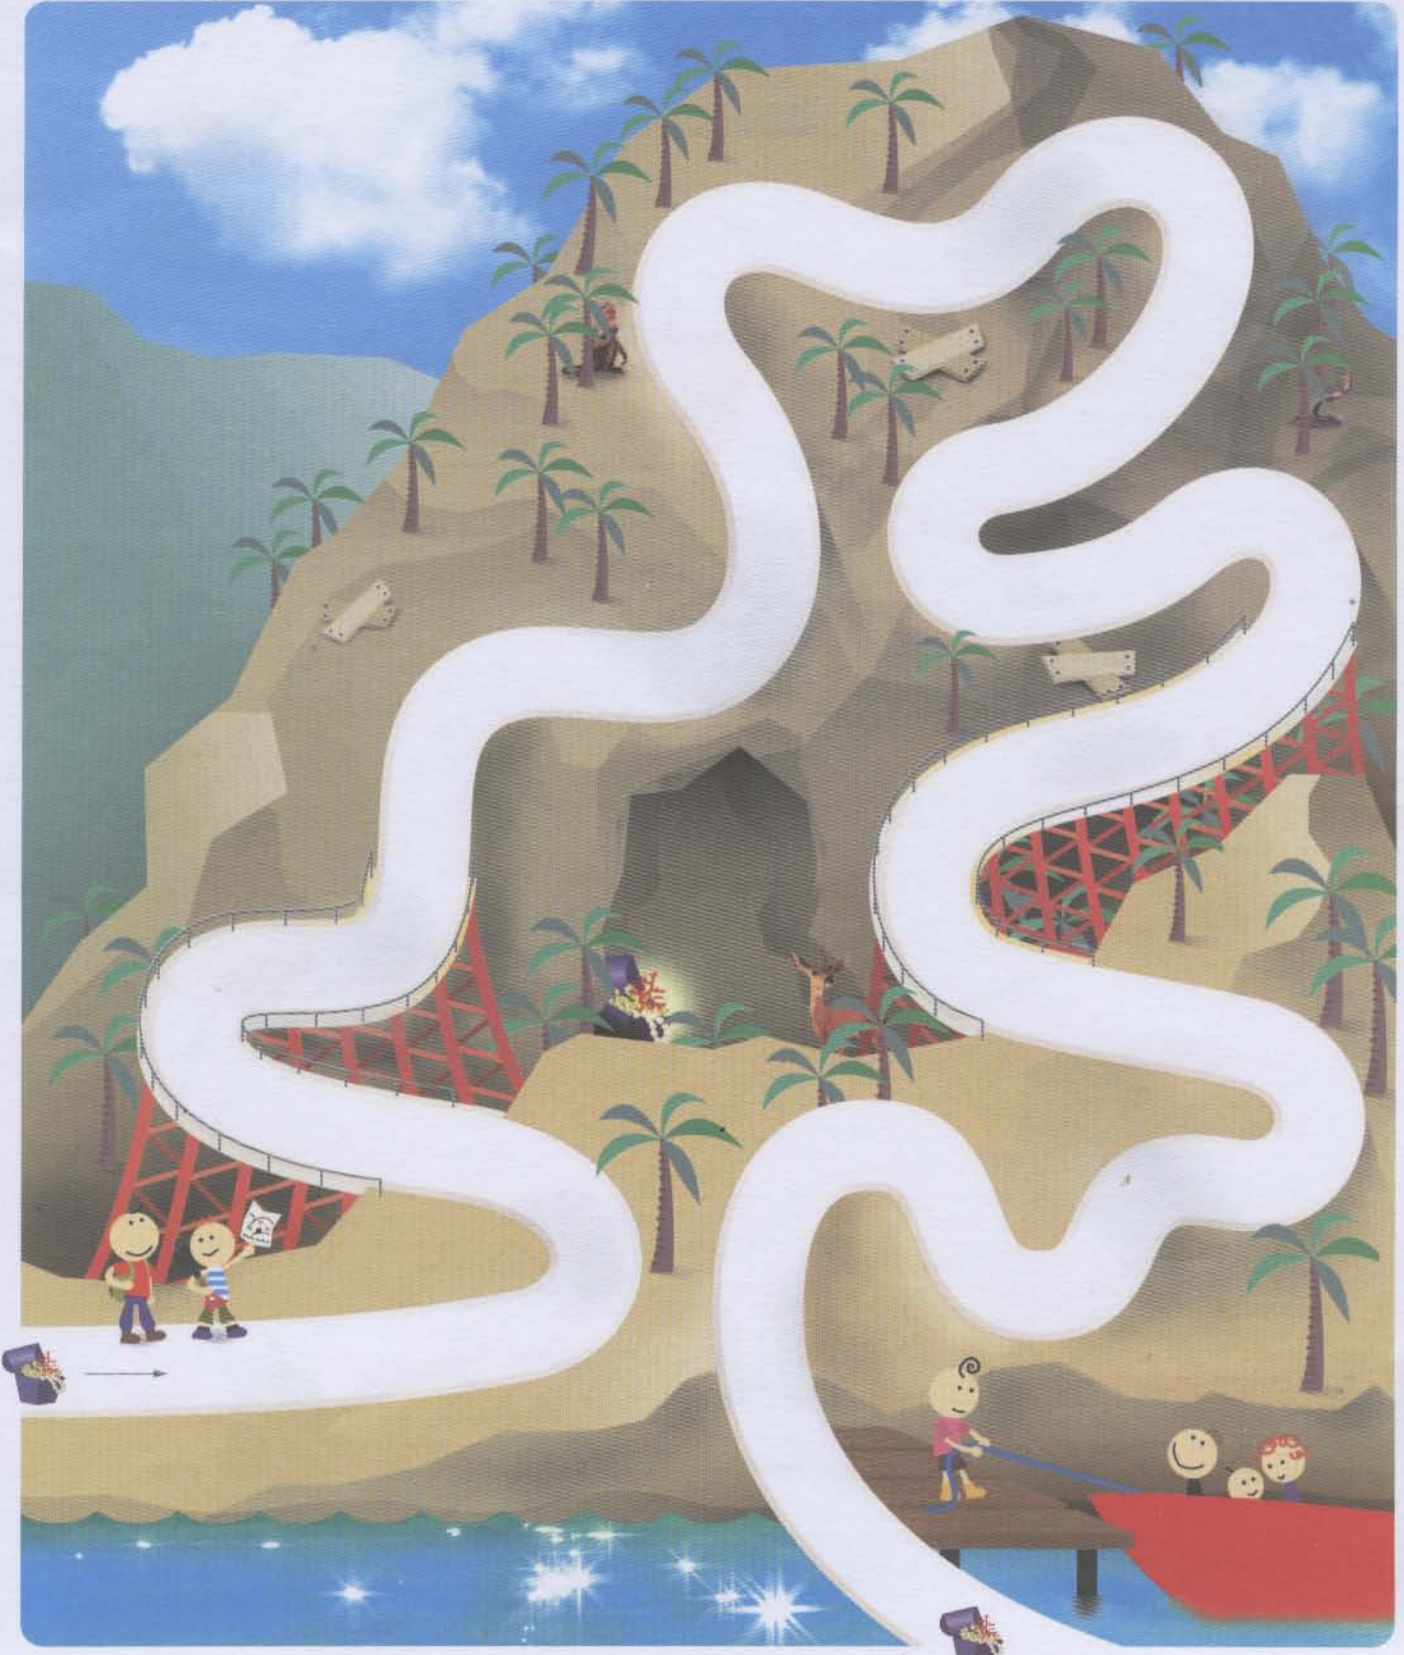

# 15

## Treasure Hunt

Name
Date

**To parents** From this page on, drawing lines becomes more difficult. It's okay if your child draws outside the area. The important thing is to encourage your child to draw slowly and carefully.

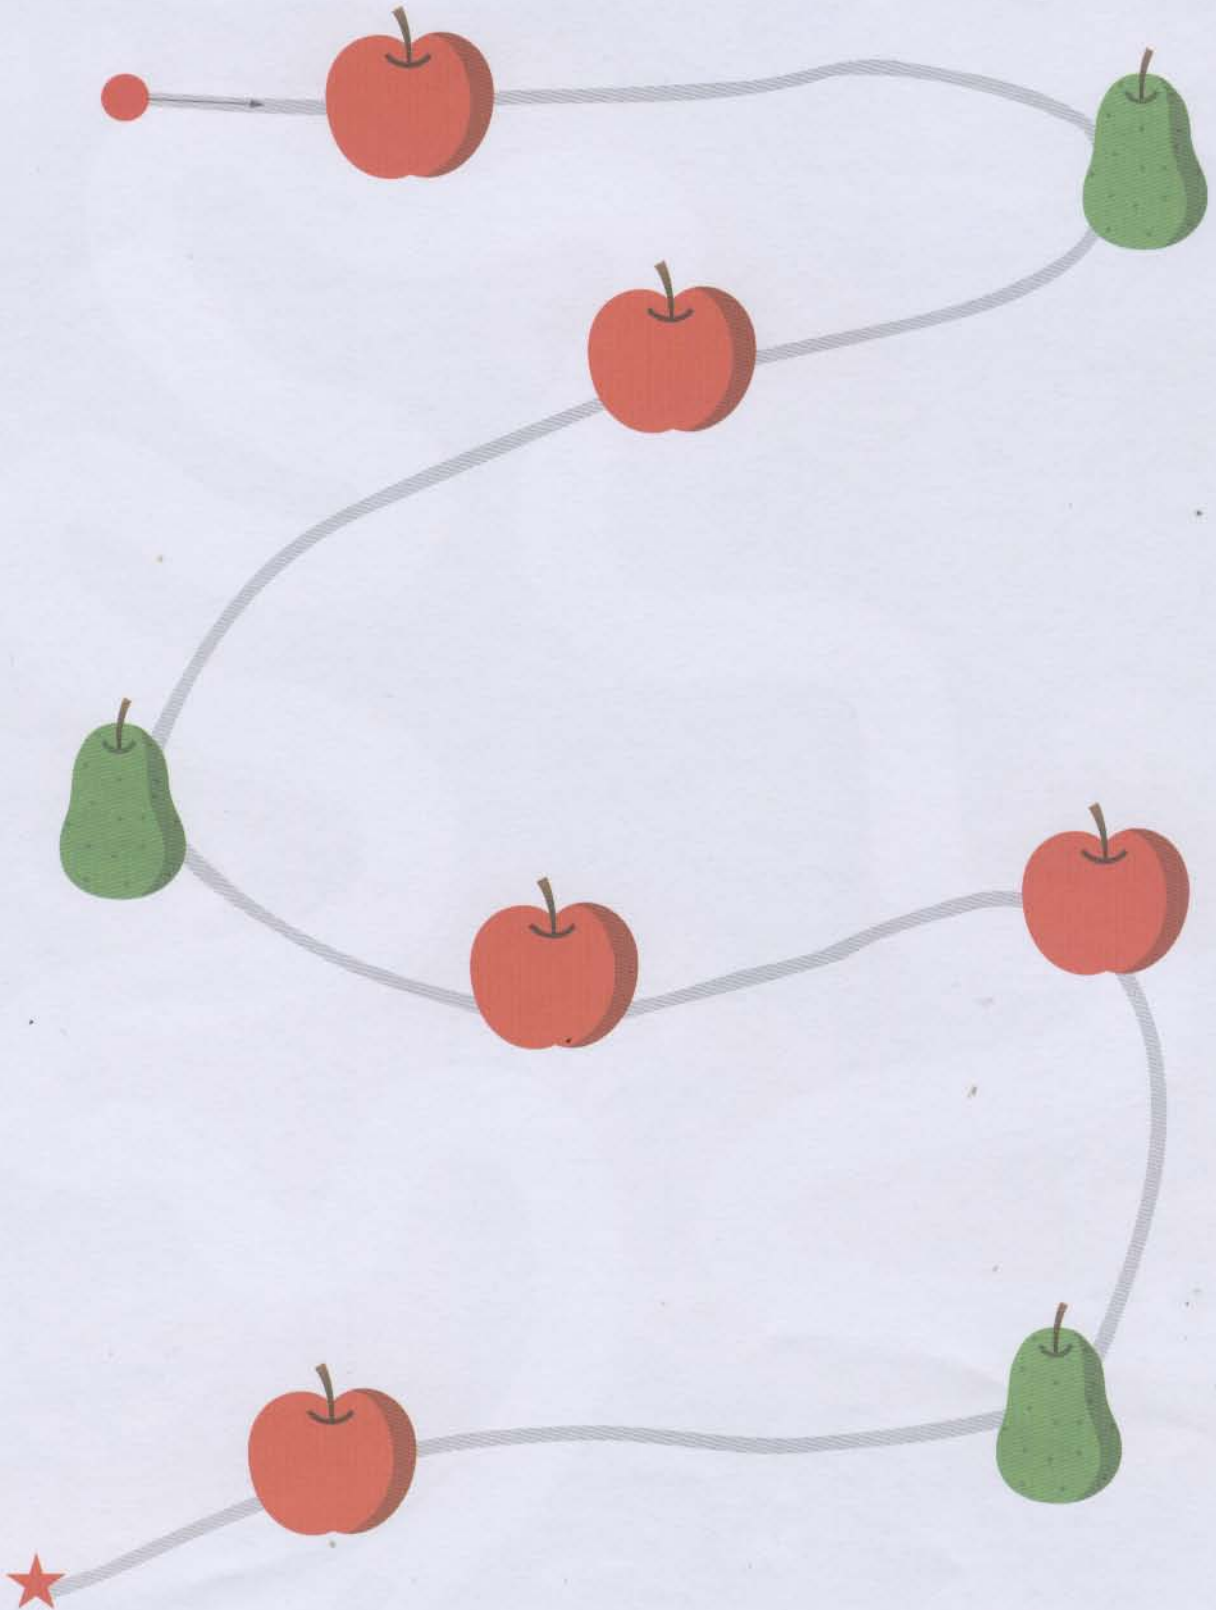

- Draw a line from one treasure chest (  ) to the other treasure chest (  ).

**To parents**

On pages 30, 32, 34, and 36, the exercise is to draw a single line through all the pictures.

- Draw a line from the dot (●) to the star (★) through all the fruit.

# 16

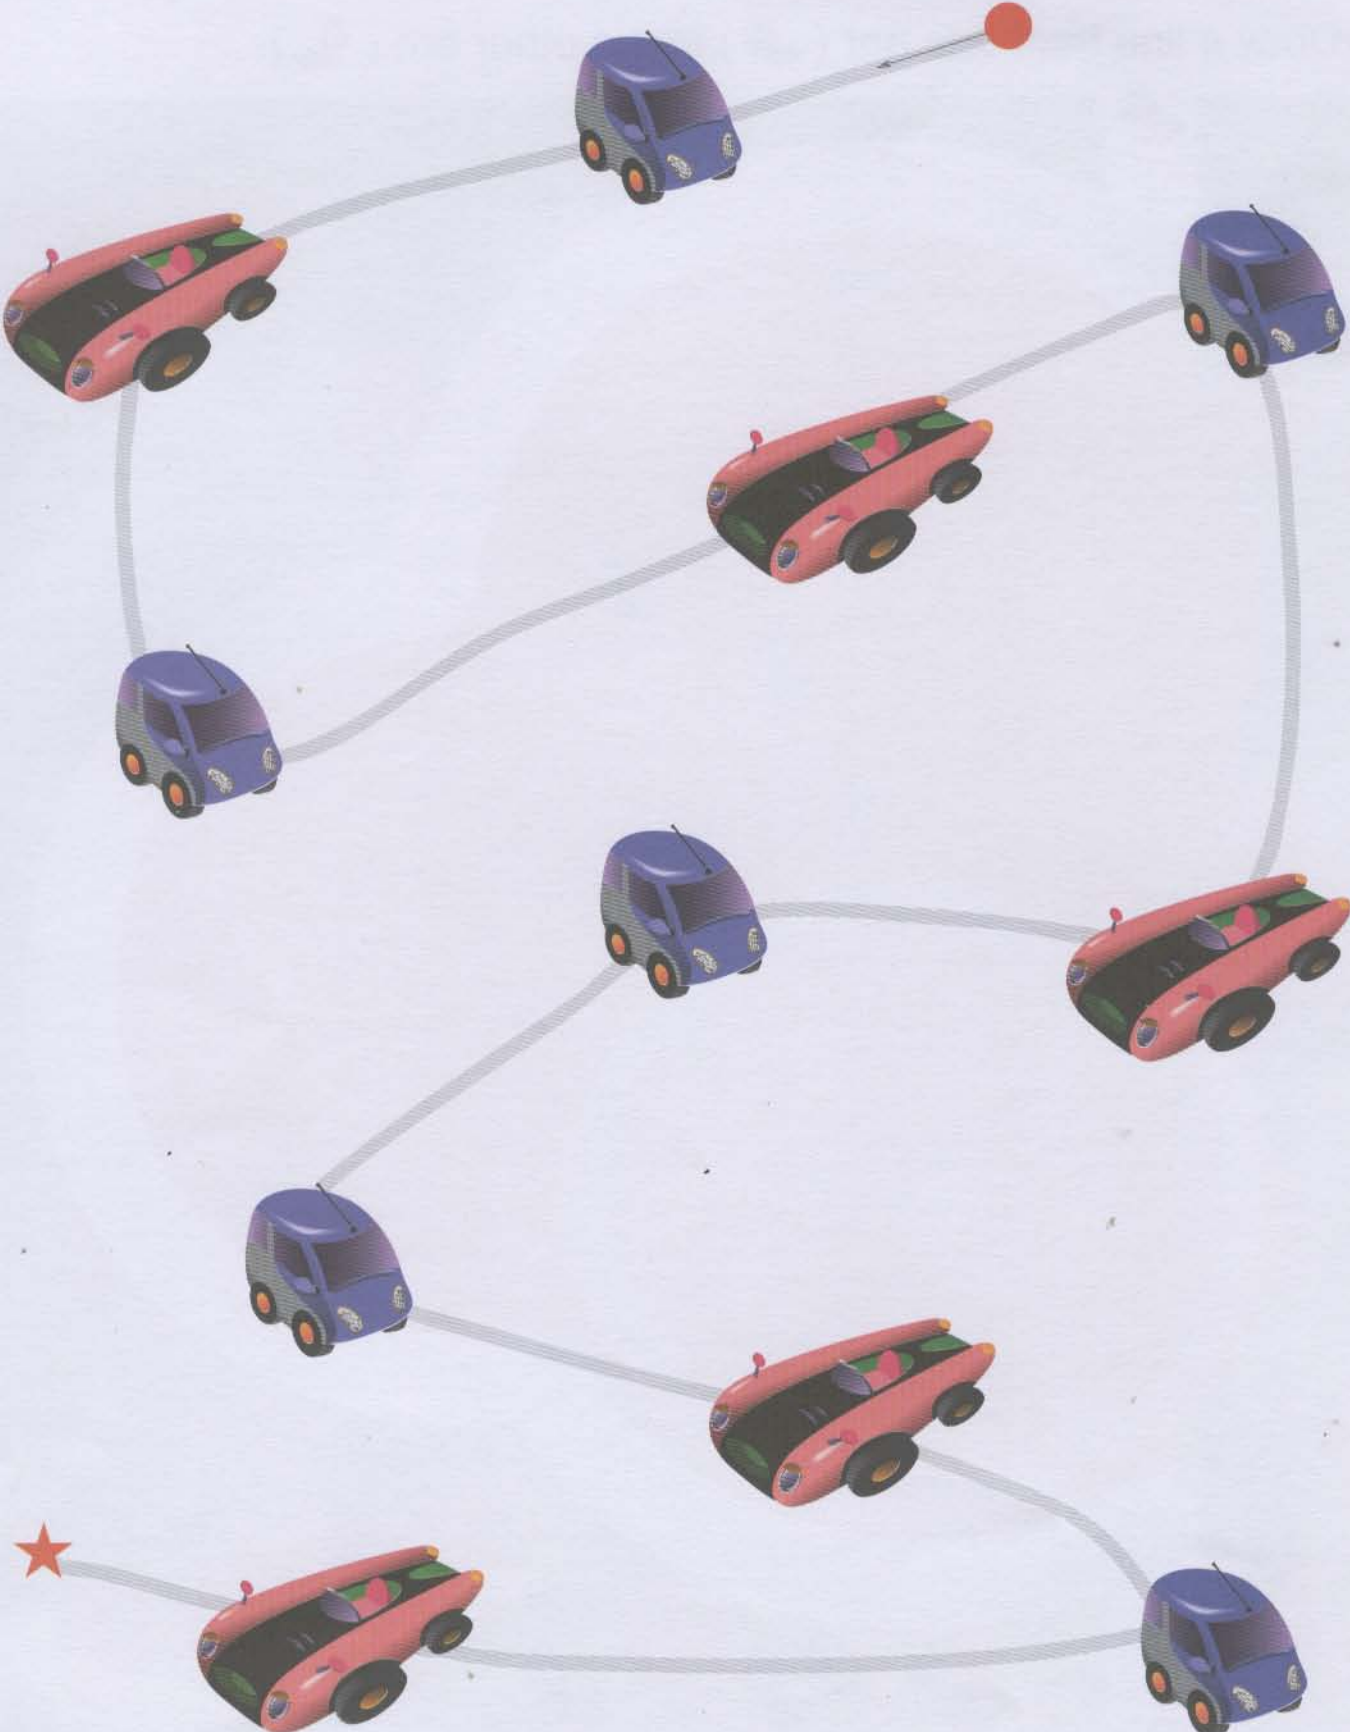

## Sweet Oranges

Name
Date

■ Draw a line from one ant (  ) to the other ant (  ).

■ Draw a line from the dot (●) to the star (★) through all the cars.

# 17

## In the Park

Name
Date

■ Draw a line from one ball ( 🎱 ) to the other ball ( 🎱 ).

**To parents**

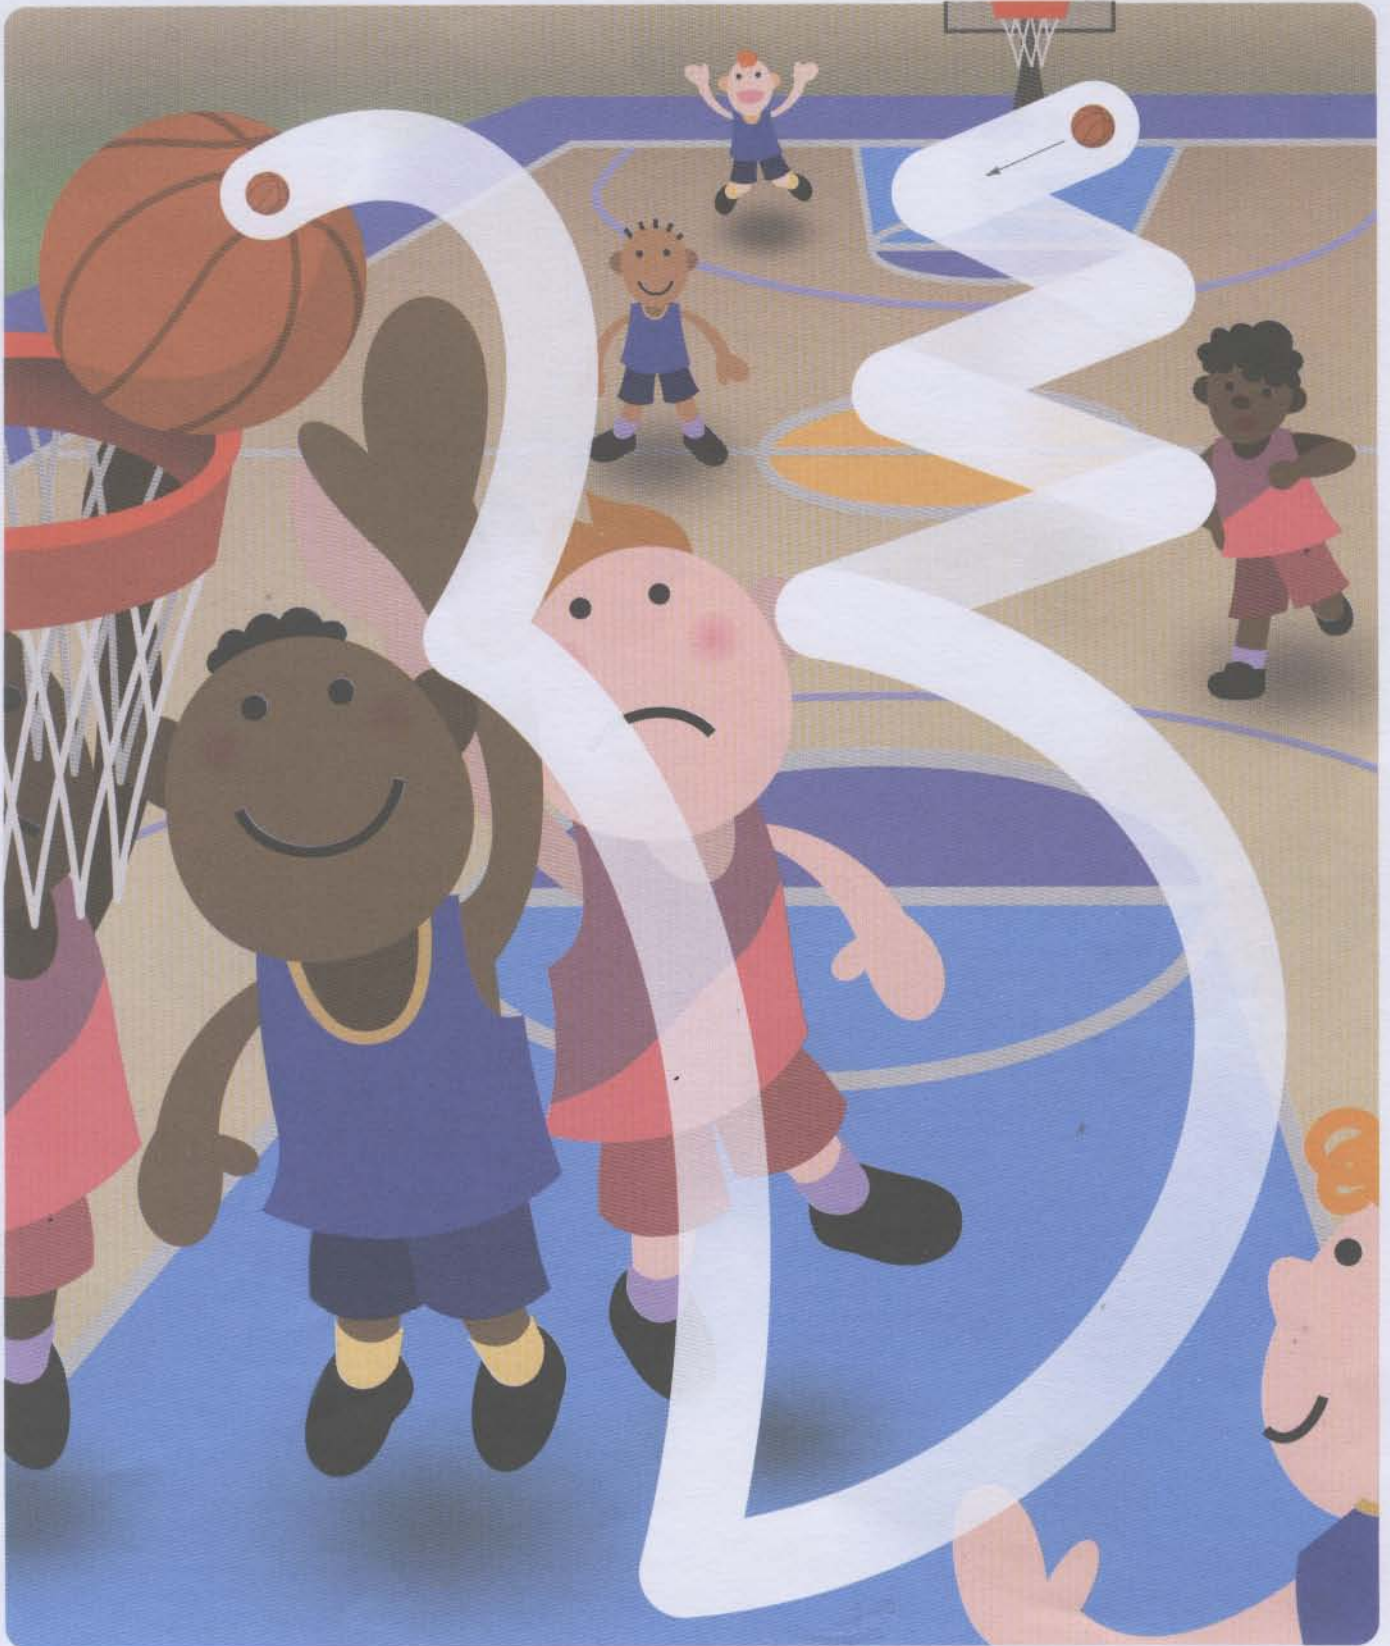

On pages 34 and 36, no example line is shown. It is all right to go in any order and pass through the same point several times.

- Draw a line from the dot (●) to the star (★) through all the cups and glasses.

Name
Date

■ Draw a line from one ball ( ● ) to the other ball ( ● ).

■ Draw a line from the dot (●) to the star (★) through all the butterflies and bees.

# 19

## On the Expressway

Name
Date

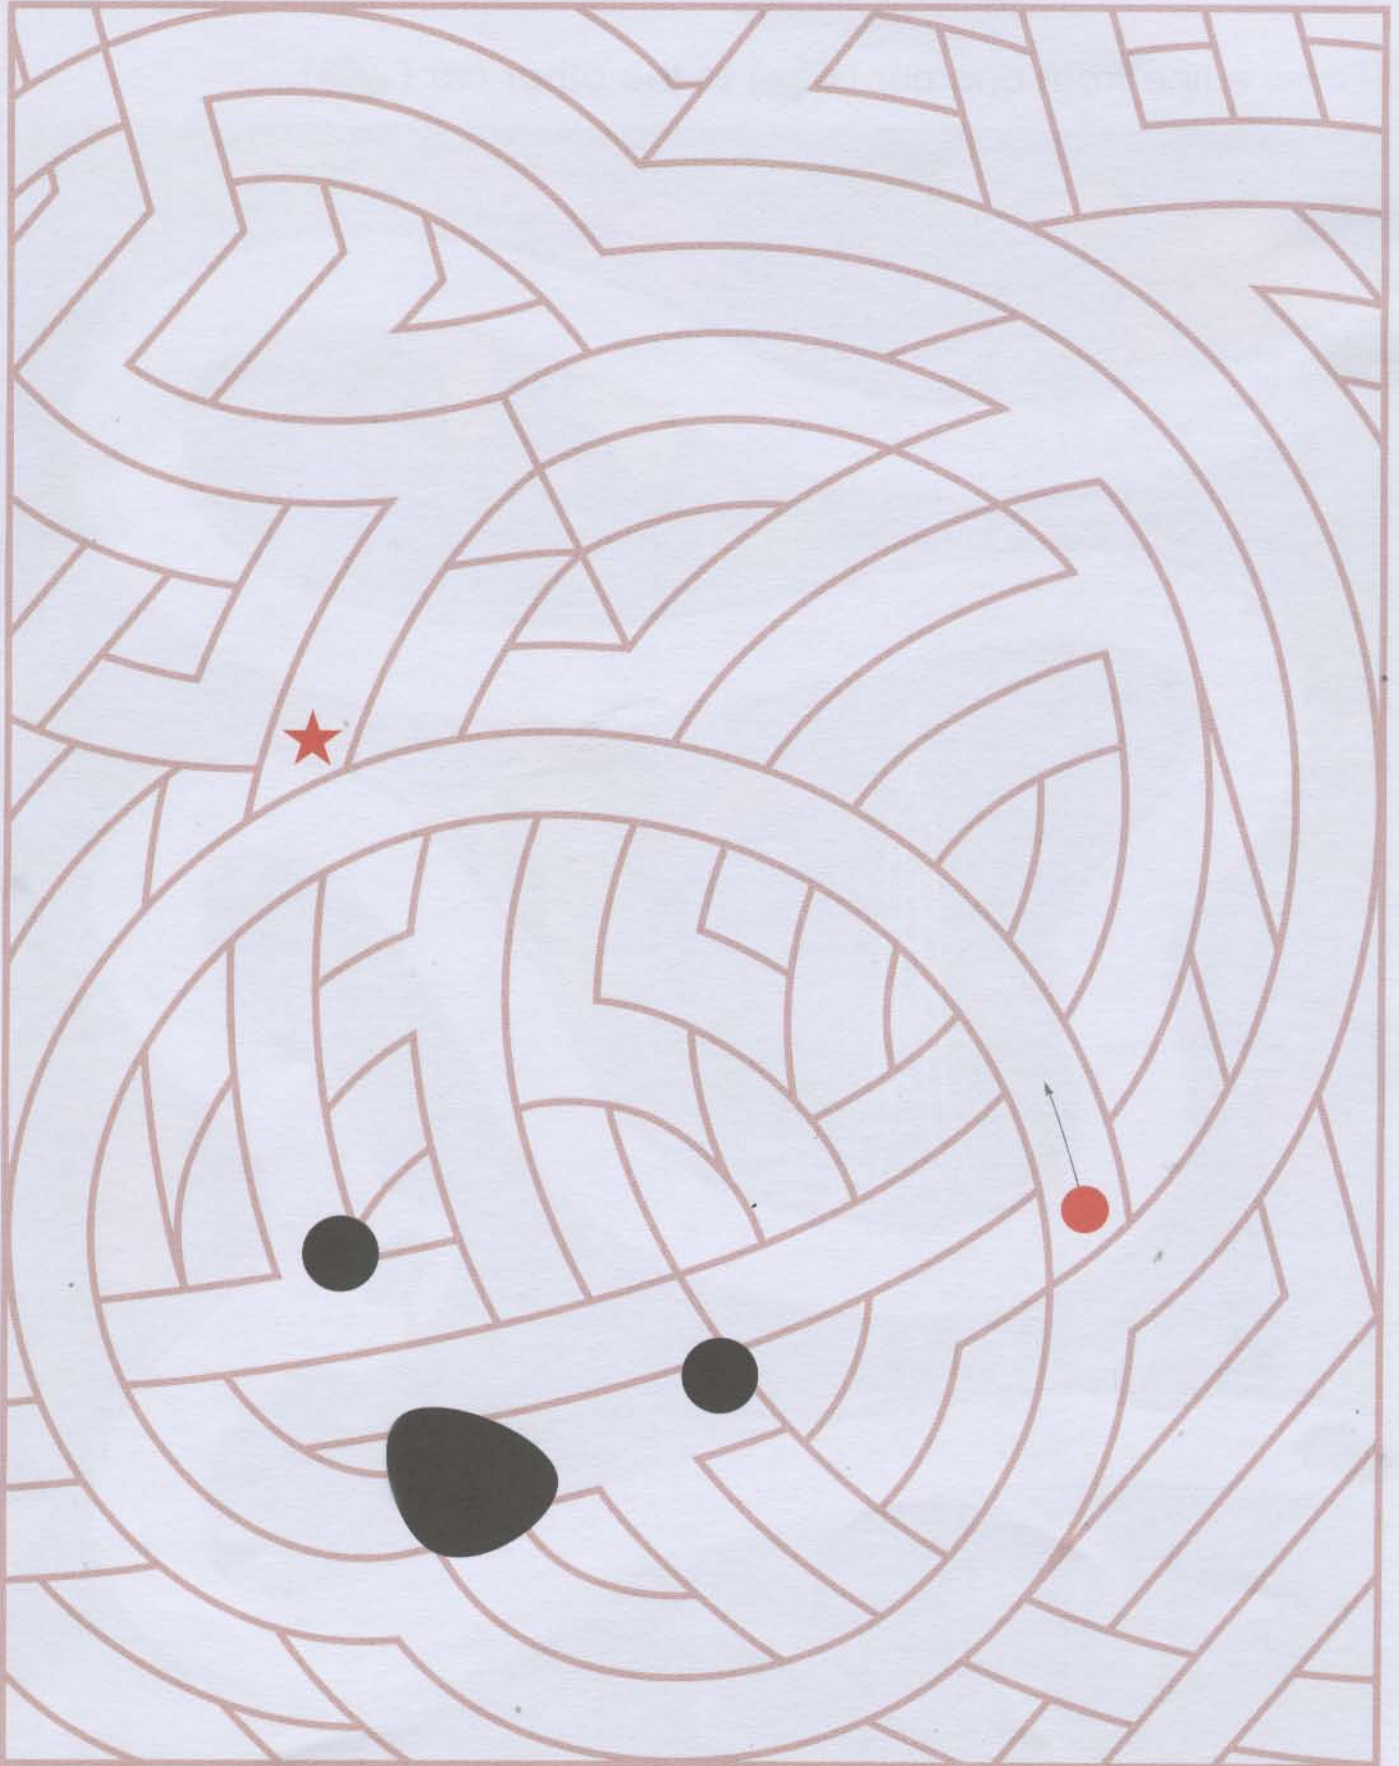

■ Draw a line from one car (  ) to the other car (  ).

**To parents**

Have your child draw a steady line from the dot to the star. When your child has finished, ask him or her what is shown in the picture. Color the picture for some extra fun!

- Draw a line from the dot (●) to the star (★).

# A Curvy Drive

Name
Date

■ Draw a line from one car (🚗) to the other car (🚗).

**To parents**

Have your child draw a steady line from the dot to the star. When your child has finished, ask him or her what is shown in the picture. Color the picture for some extra fun!

■ Draw a line from the dot (●) to the star (★).

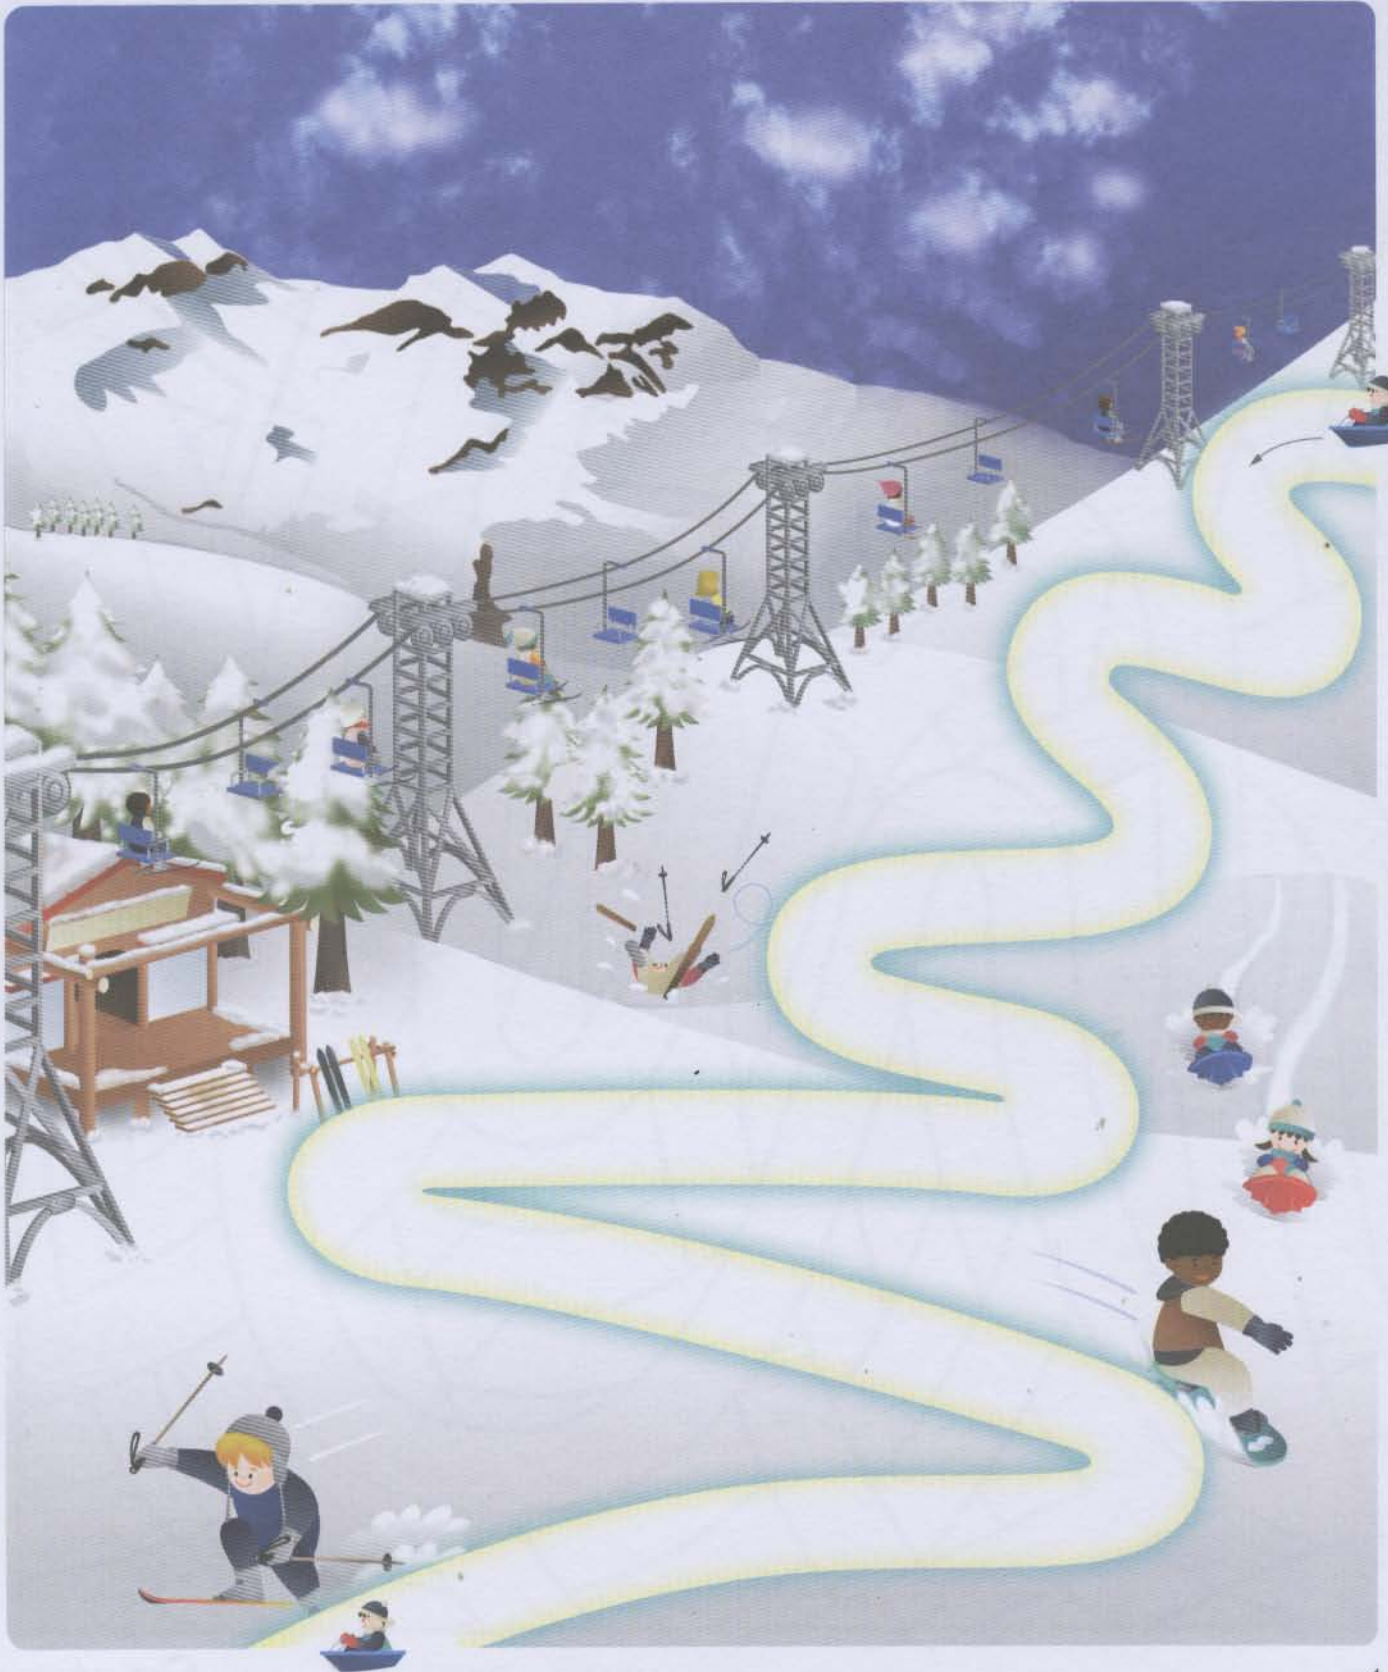

# 21

## Going Down a Snowy Mountain

Name
Date

■ Draw a line from one sled (  ) to the other sled (  ).

**To parents**

Have your child draw a steady line from the dot to the star. When your child has finished, ask him or her what is shown in the picture. Color the picture for some extra fun!

- Draw a line from the dot (●) to the star (★).

Snake

# 22

## Dollhouse

Name
Date

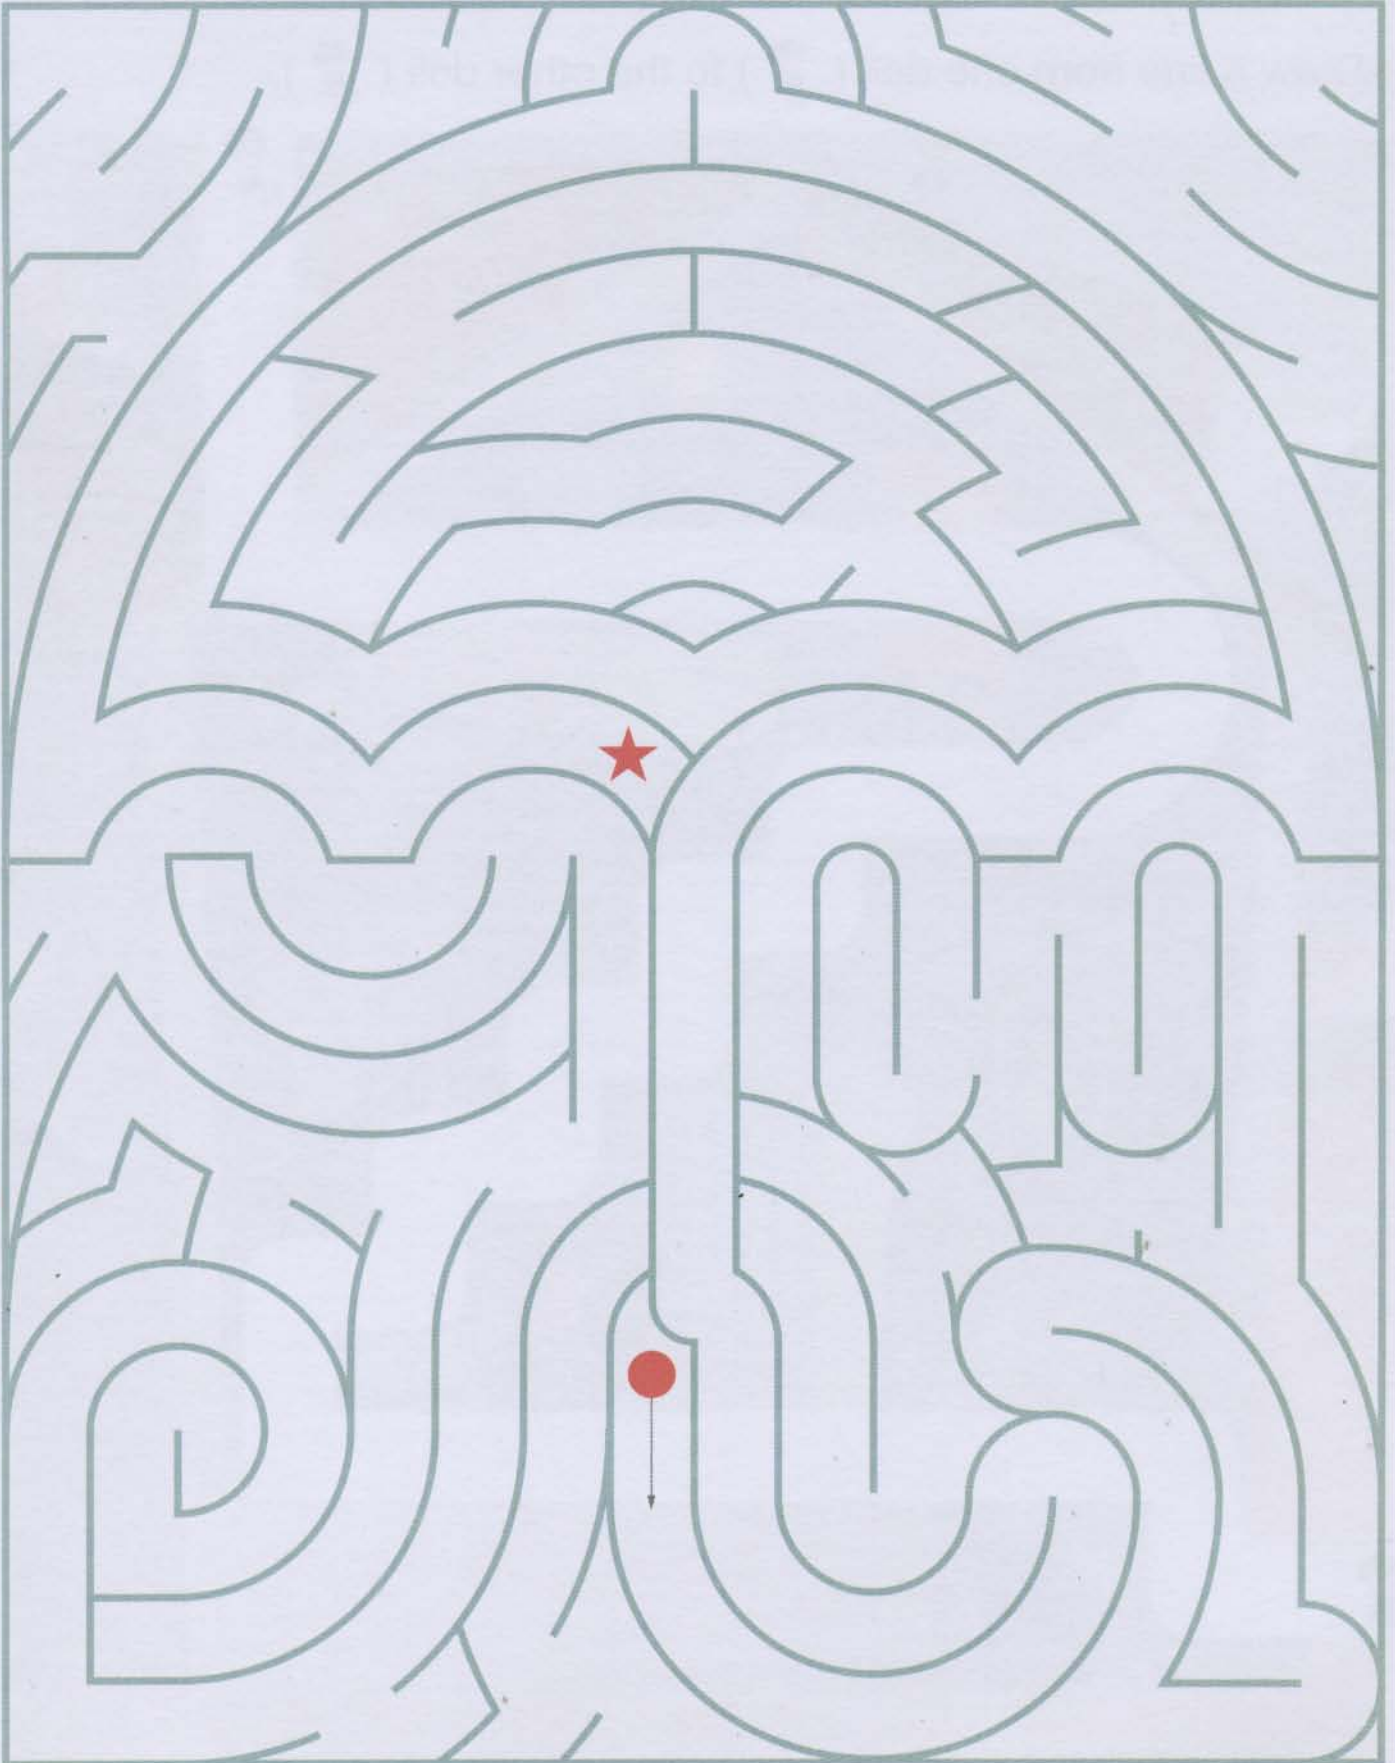

■ Draw a line from one doll (  ) to the other doll (  ).

**To parents**

Have your child draw a steady line from the dot to the star. When your child has finished, ask him or her what is shown in the picture. Color the picture for some extra fun!

- Draw a line from the dot (●) to the star (★).

# 23

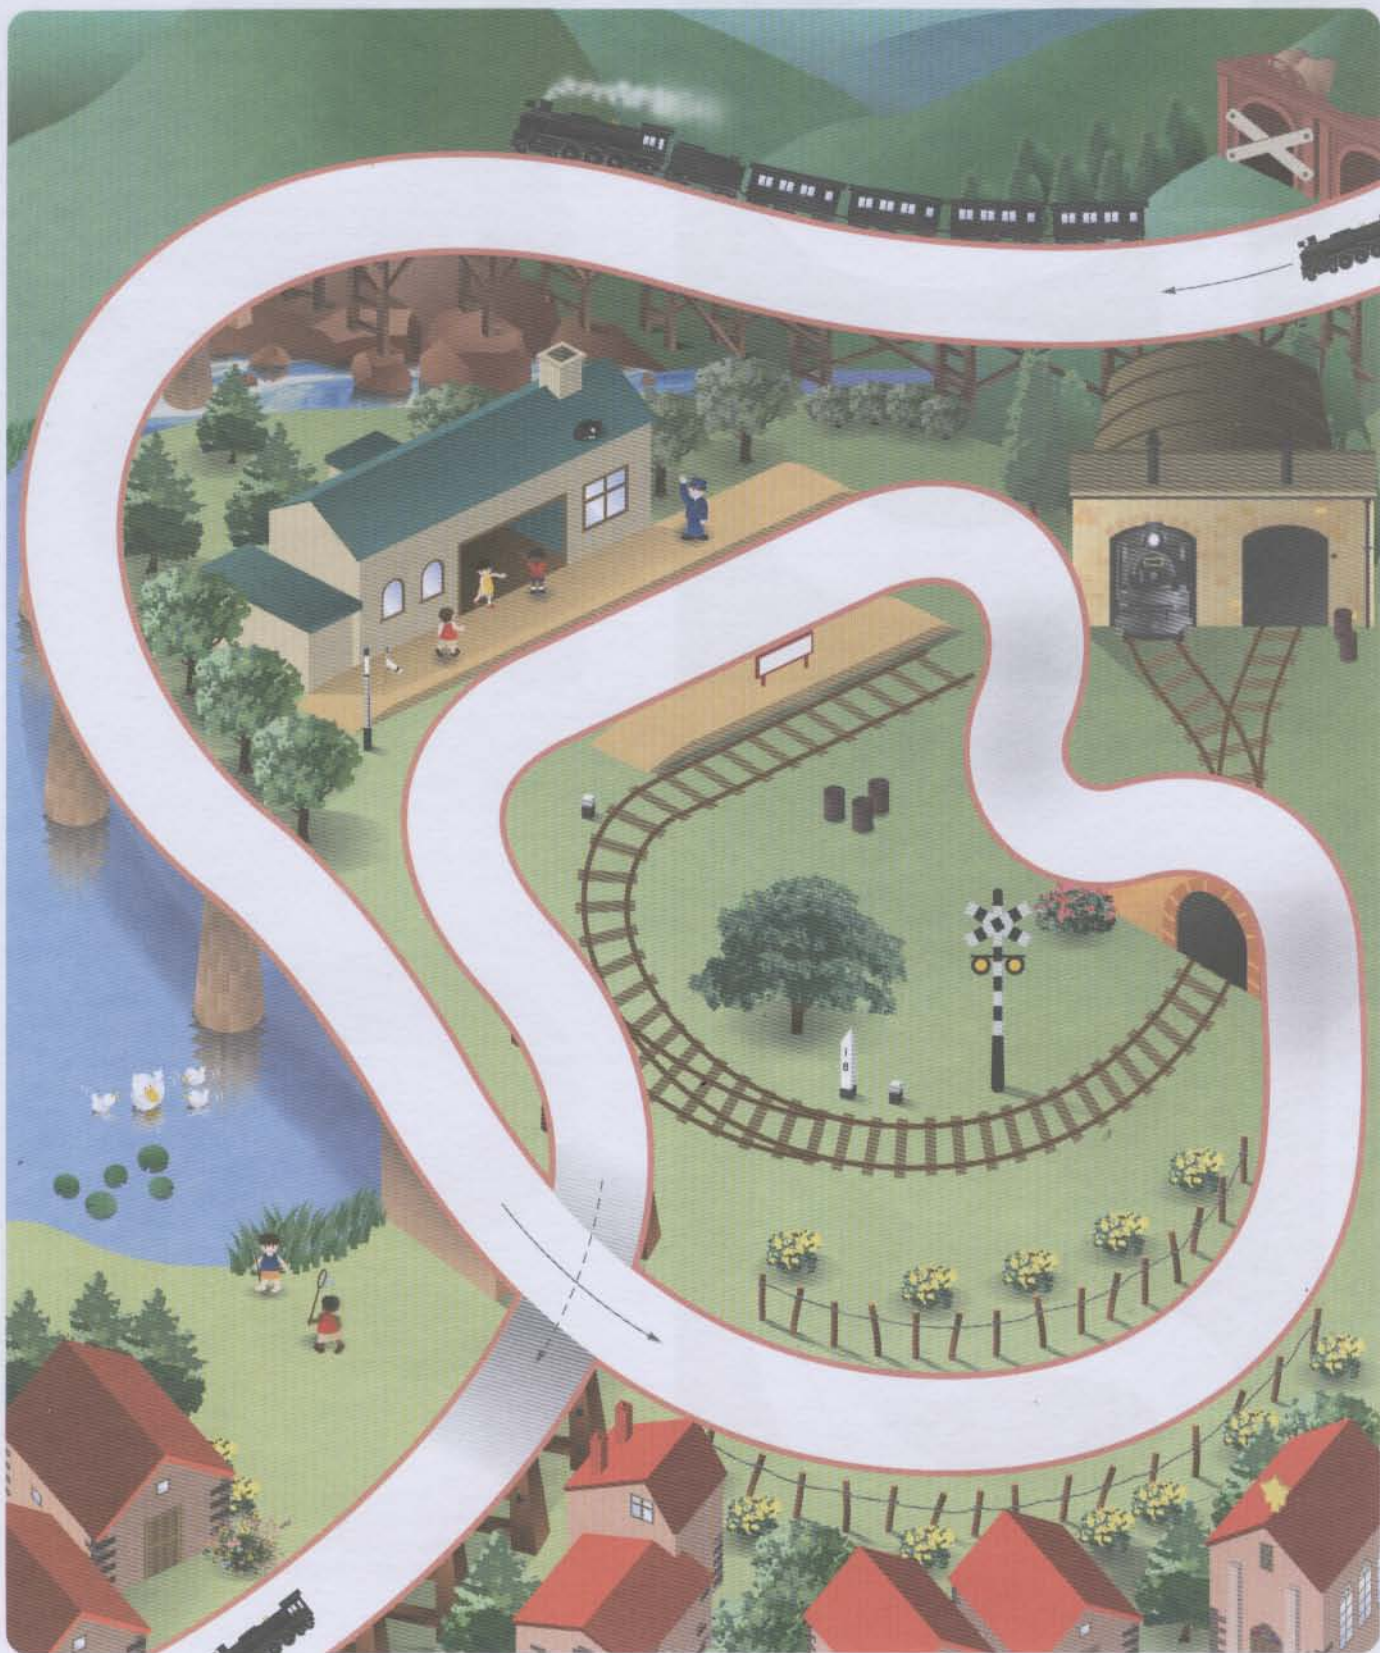

## Choo-Choo

Name
Date

### To parents

Have your child draw the path of the steam engine. Make sure your child follows the arrows at the crossing point so that he or she draws a line in the right direction.

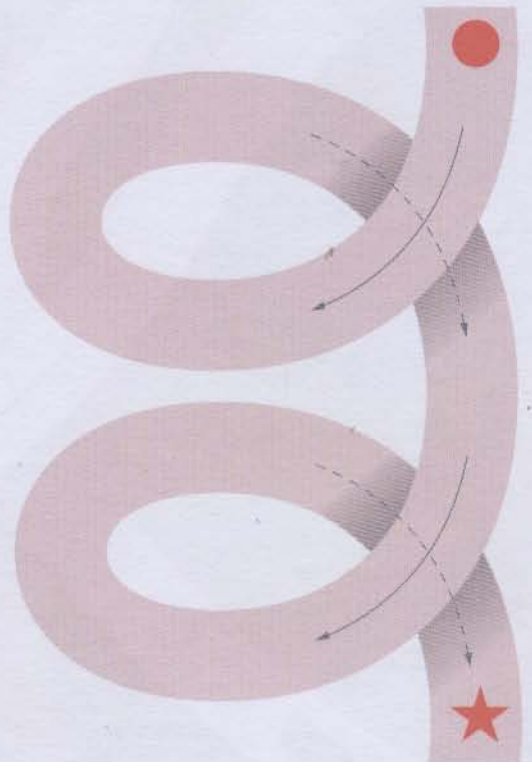

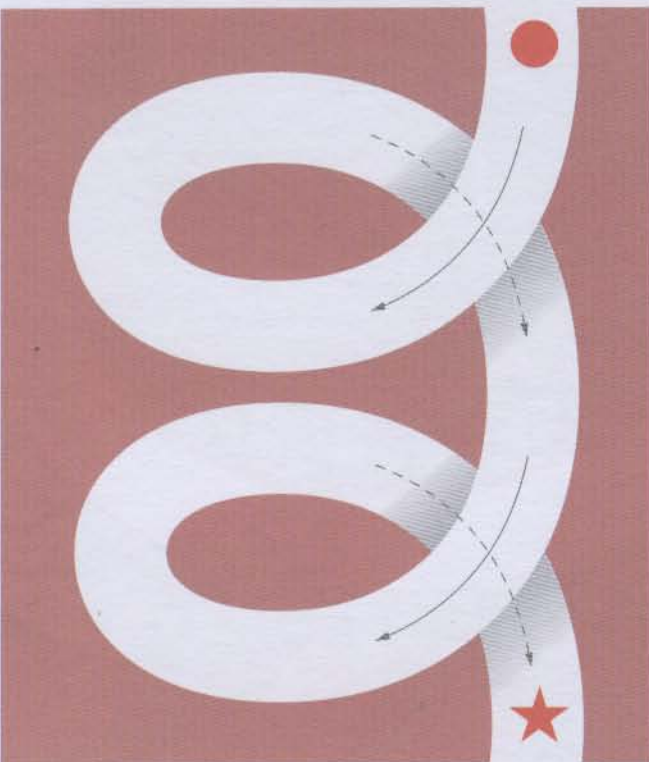

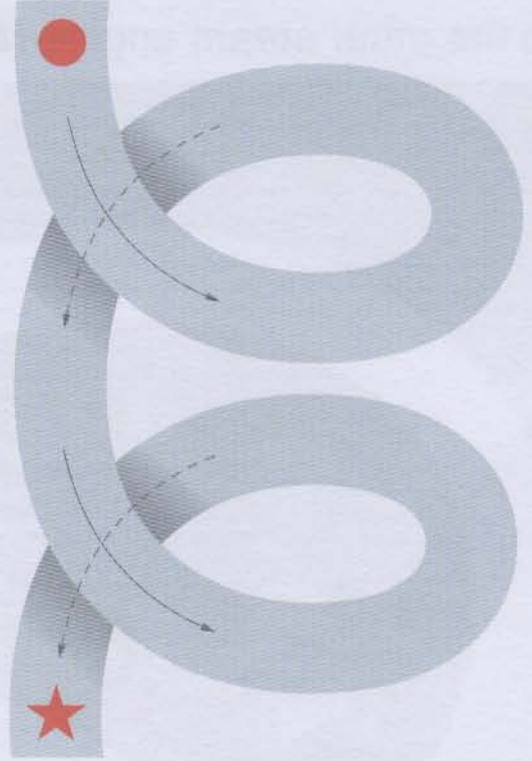

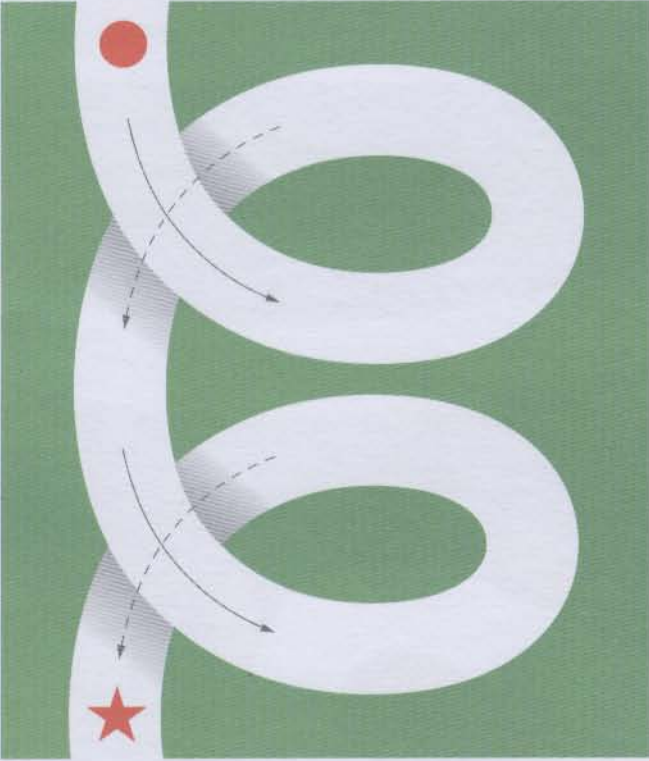

- Draw a line from one steam engine (🚂) to the other steam engine (🚂).

**To parents**

It is very difficult for a child to bring a pencil to a dead stop at the end of the line. From this page on, have your child be careful to stop at the end (★). It helps to tell him or her, "Spin, spin, and stop!"

■ Draw a line from the dot (●) to the star (★).

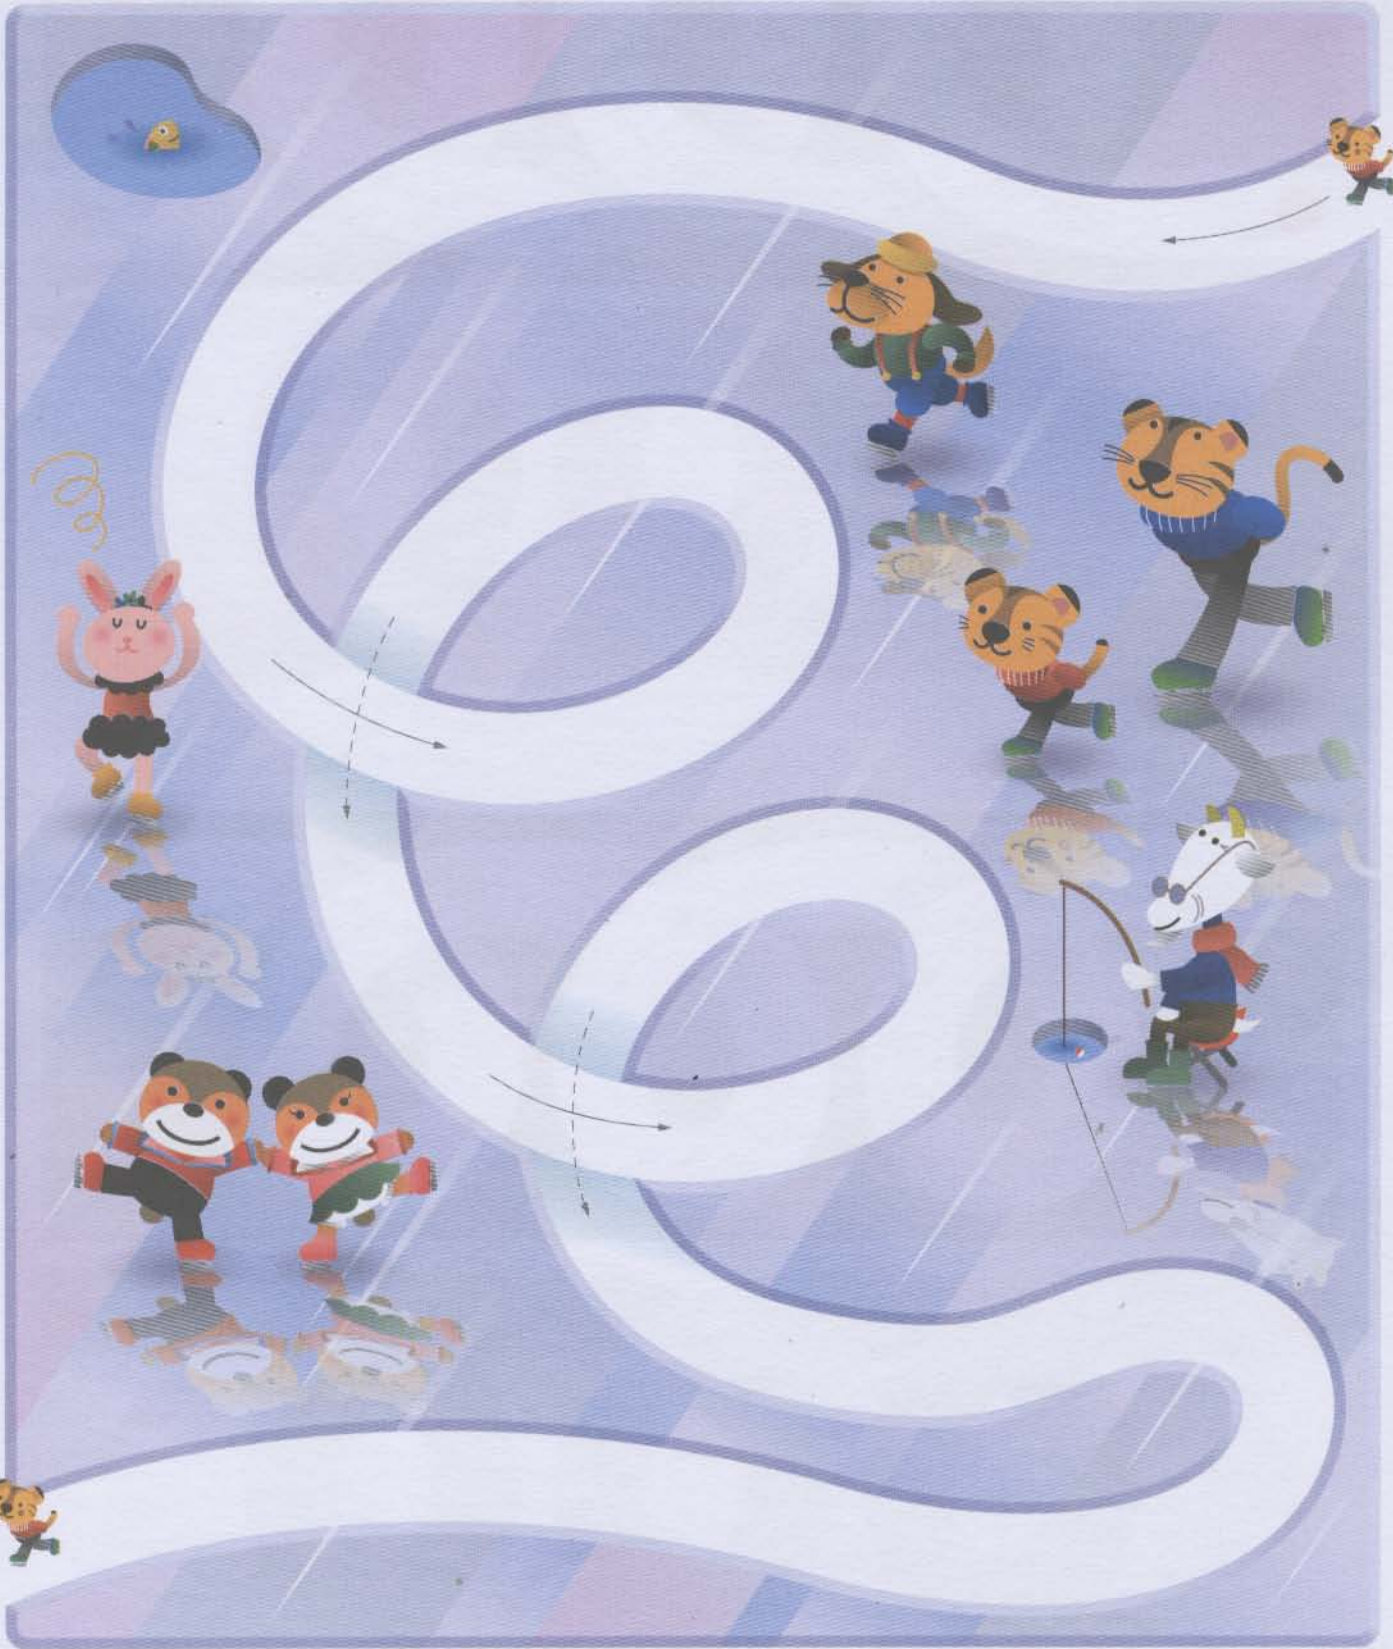

# 24

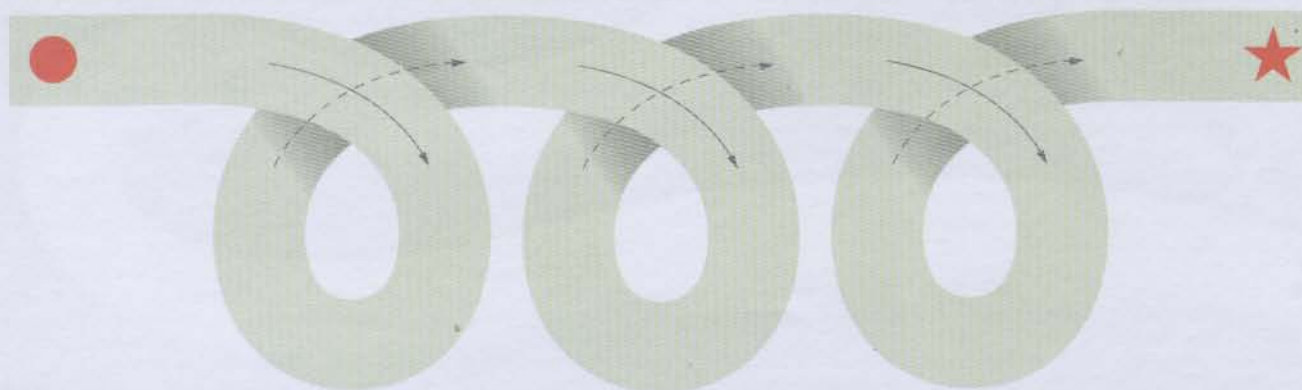

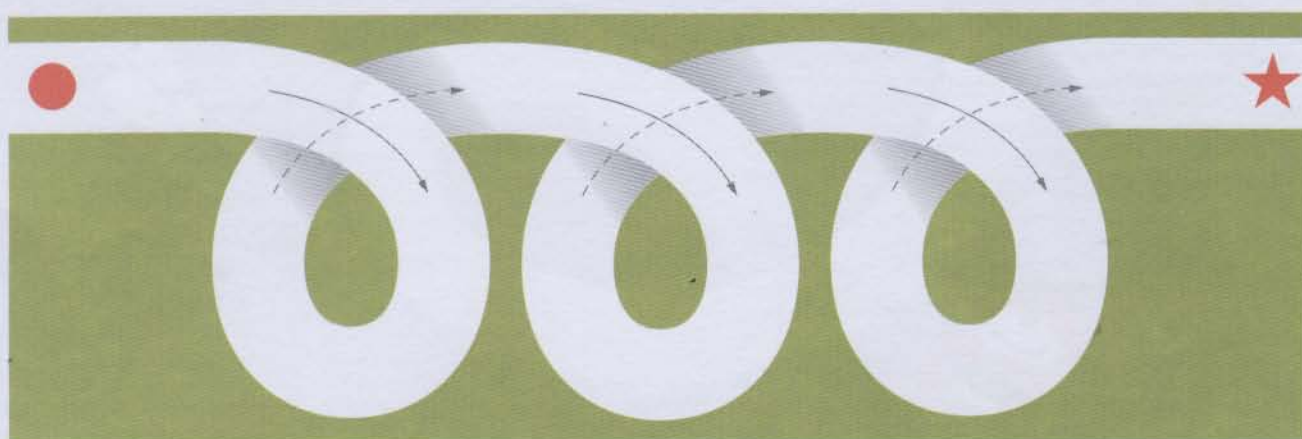

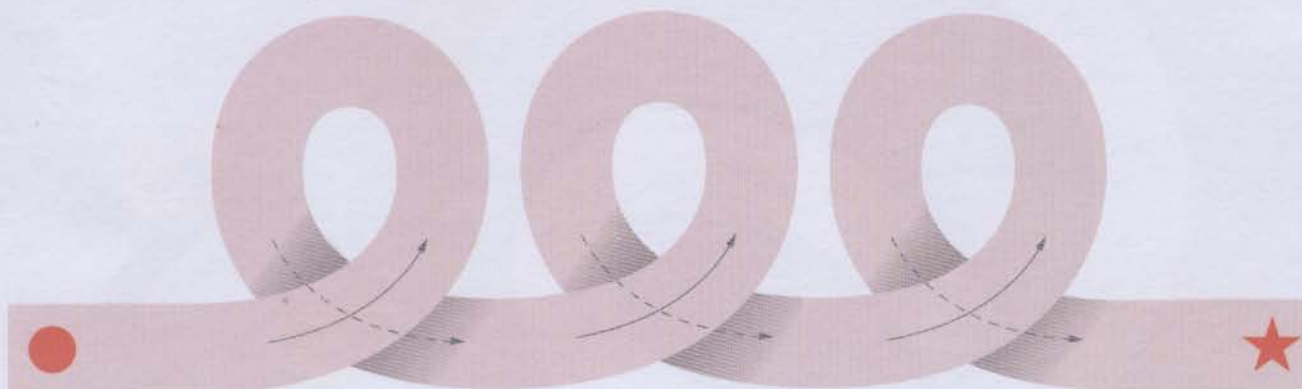

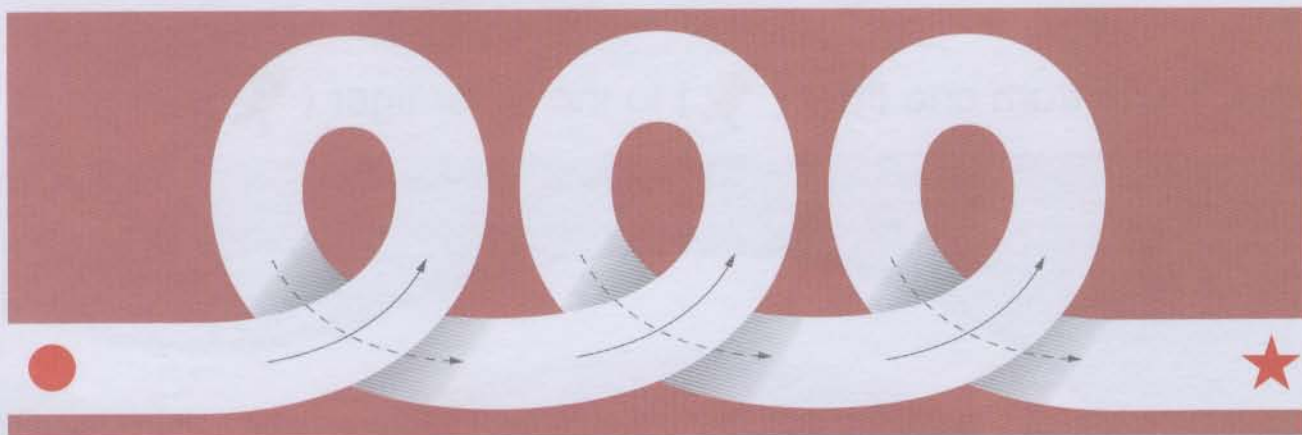

## Skating Party

Name
Date

■ Draw a line from one tiger (  ) to the other tiger (  ).

■ Draw a line from the dot (●) to the star (★).

# 25

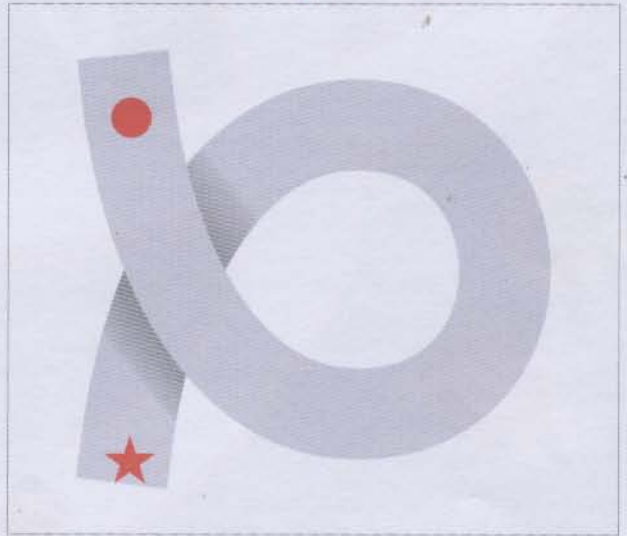

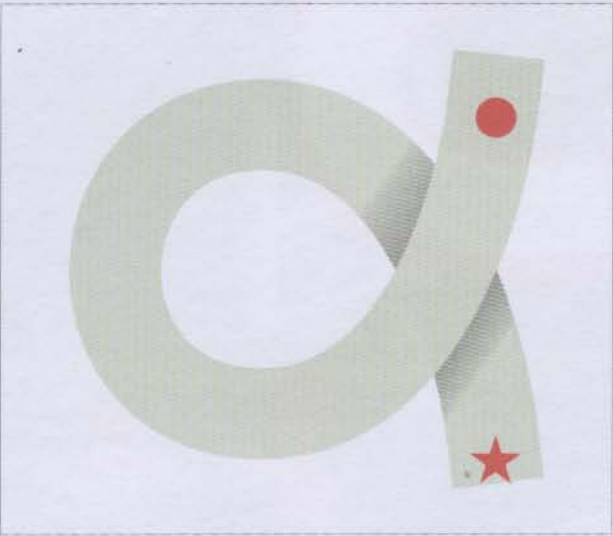

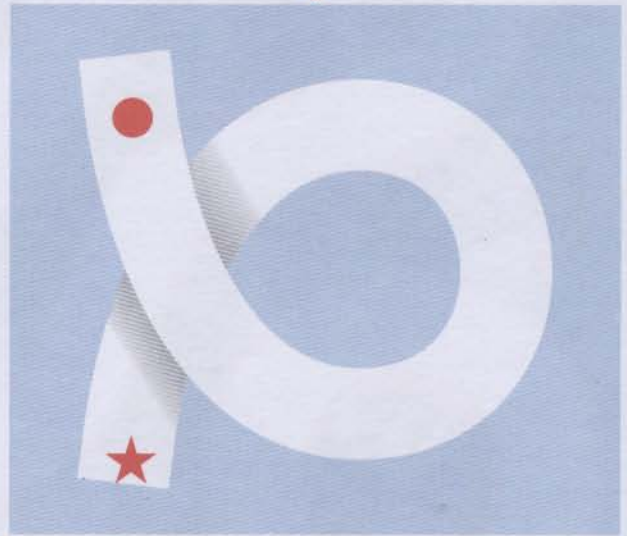

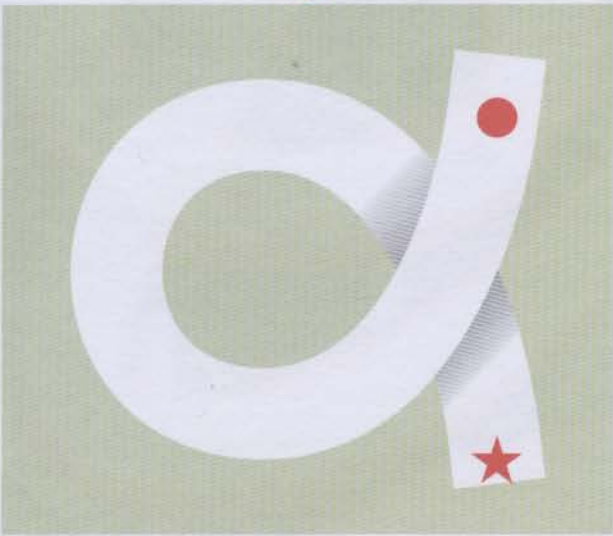

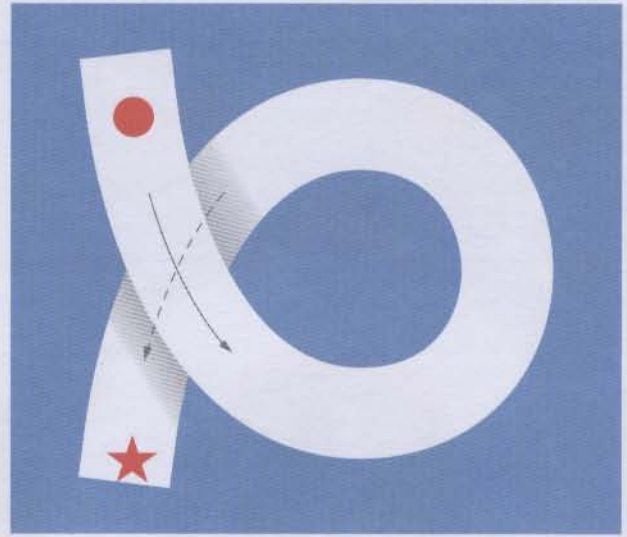

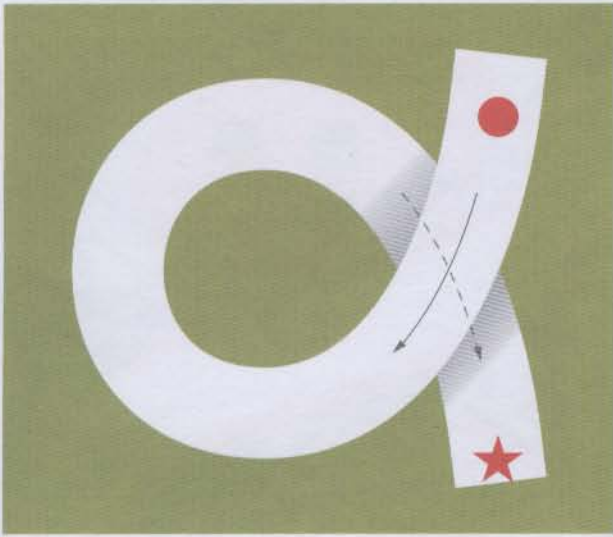

## Water Slide

Name
Date

■ Draw a line from one girl (  ) to the other girl (  ).

■ Draw a line from the dot (●) to the star (★).

# 26

## T-shirts Lined Up

Name
Date

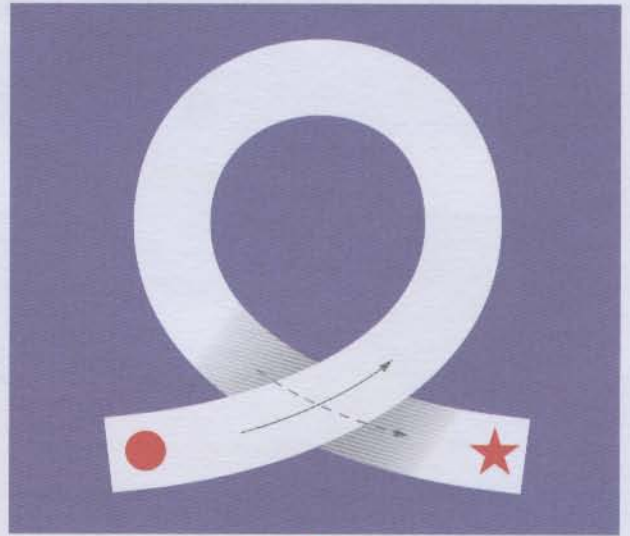

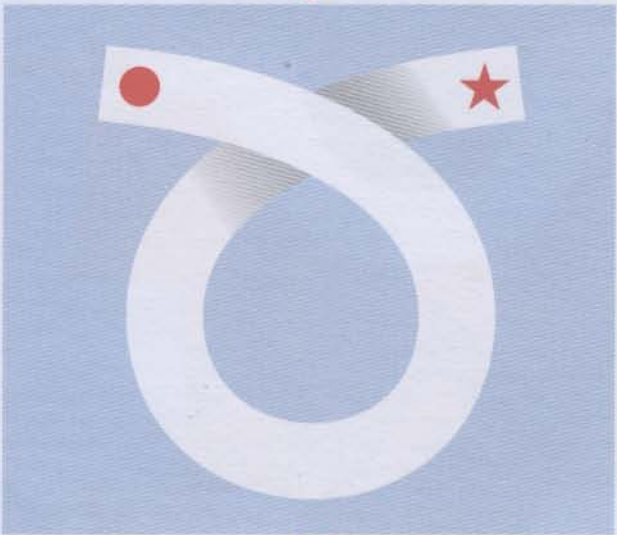

### To parents

From this page on, drawing lines becomes more difficult. Encourage your child to draw within the lines. It is important for your child to develop the ability to draw carefully and steadily.

- Draw a line from one T-shirt (👕) to the matching T-shirt (👕).

■ Draw a line from the dot (●) to the star (★).

# Which Book to Read?

Name
Date

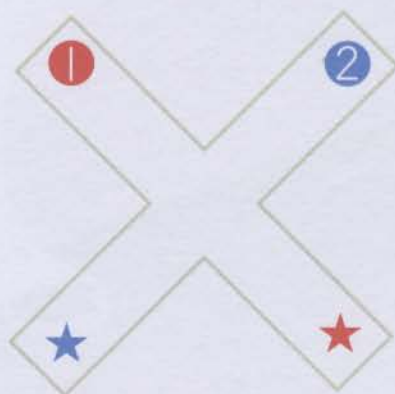

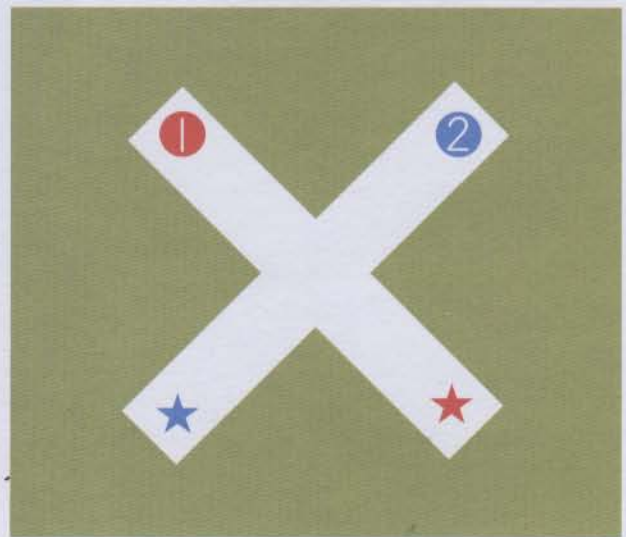

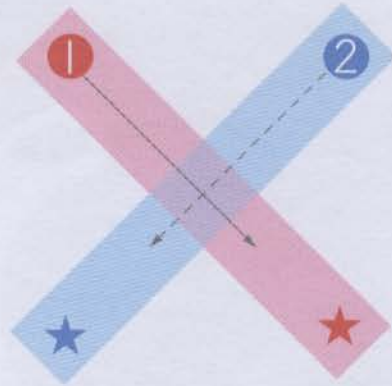

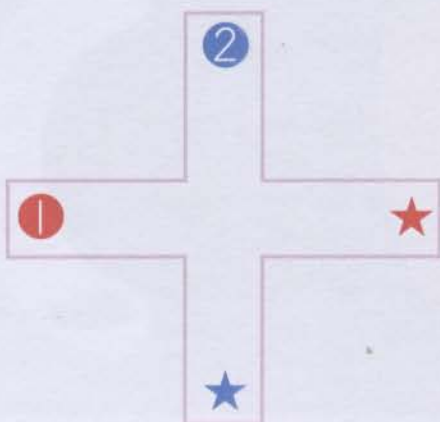

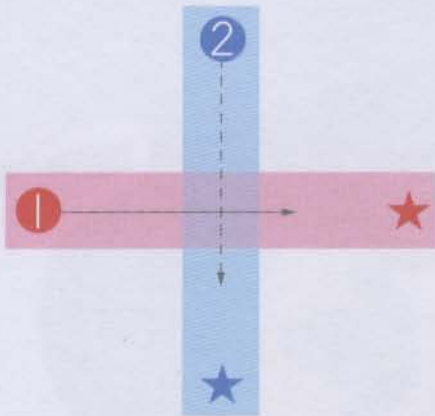

■ Draw a line from one book (📖) to the matching book (📖).

**To parents**

This activity teaches your child to draw lines of two or more strokes. Have your child begin by drawing a line from the numeral 1 to the matching star, then drawing a line from the numeral 2 to the matching star.

- Draw a line in the red path ( ❶ ) and then the blue path ( ❷ ).

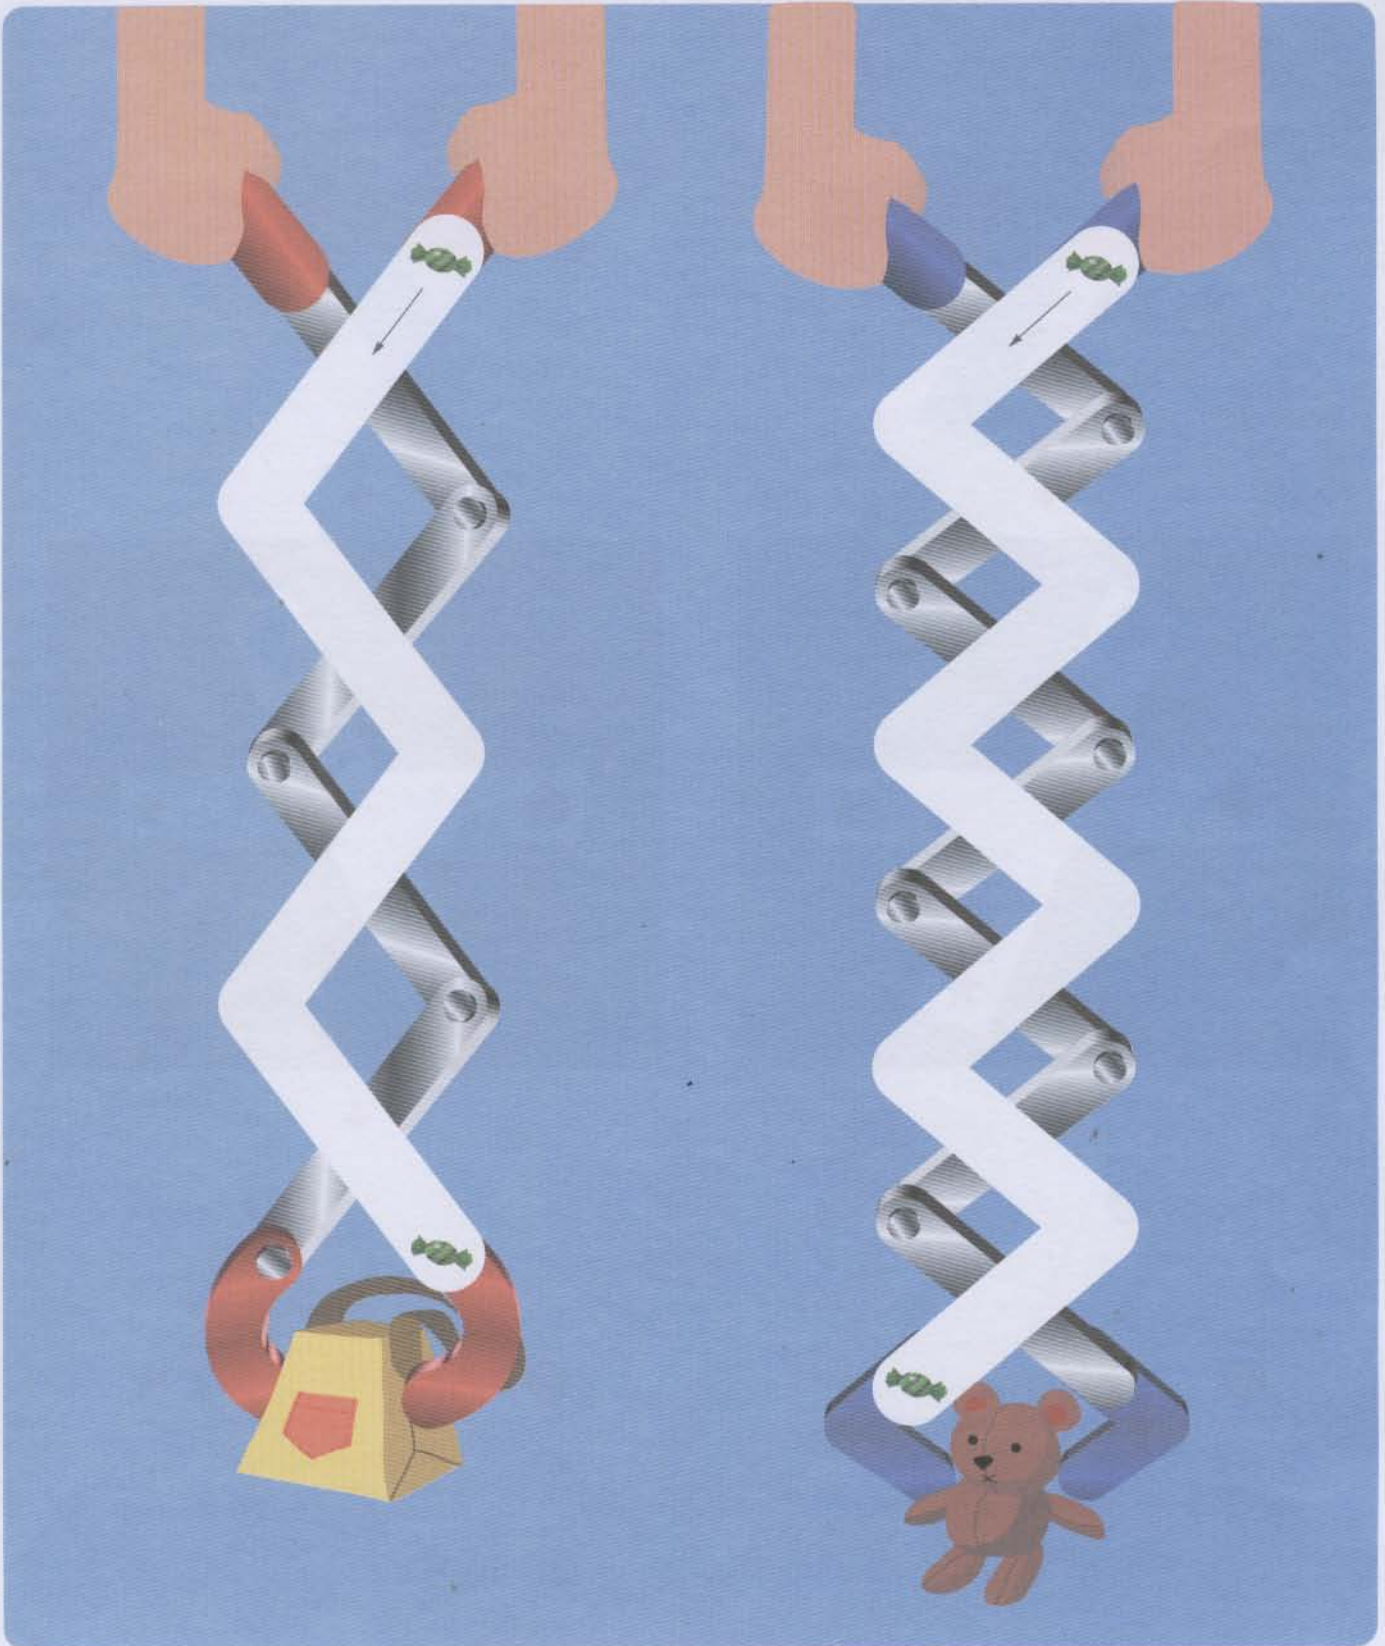

# 28

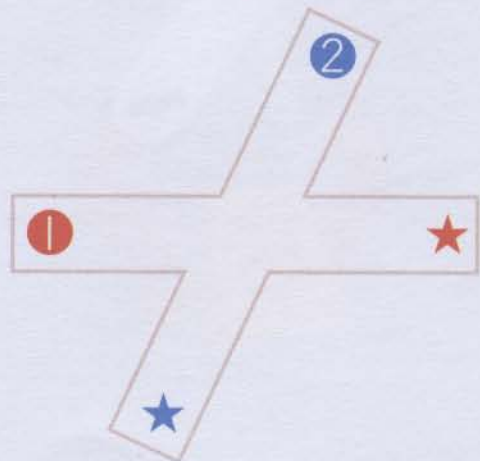

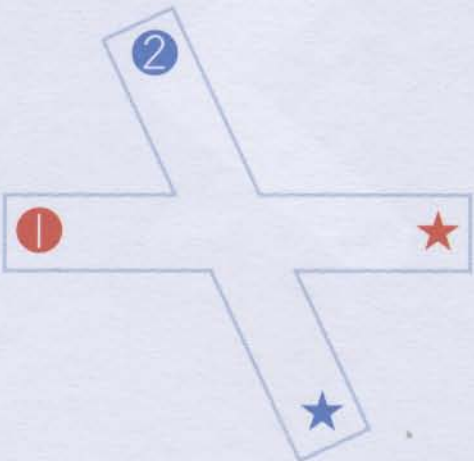

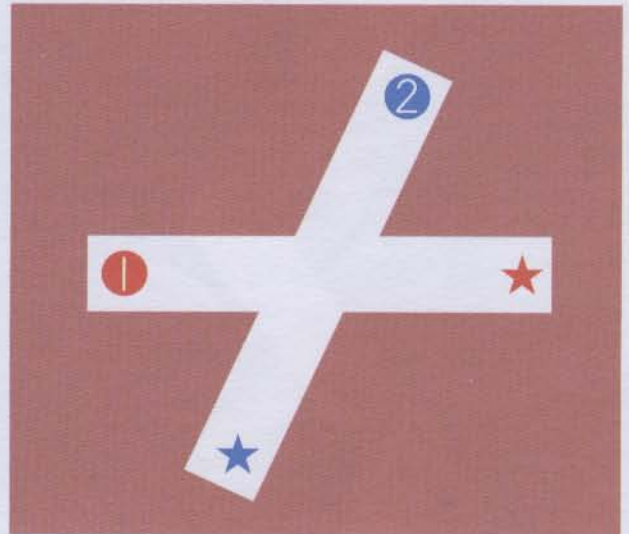

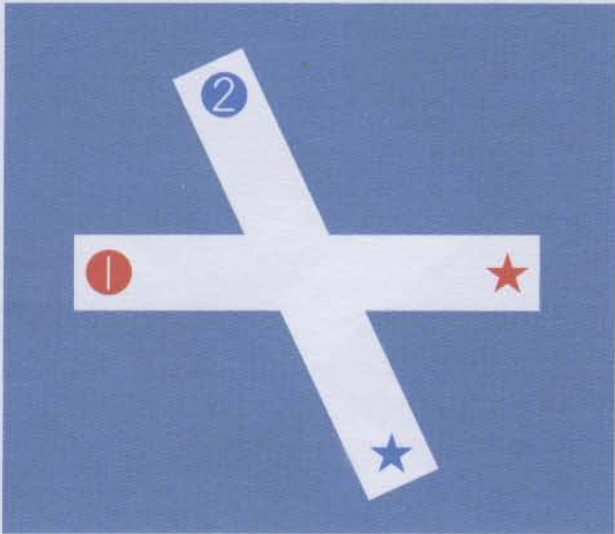

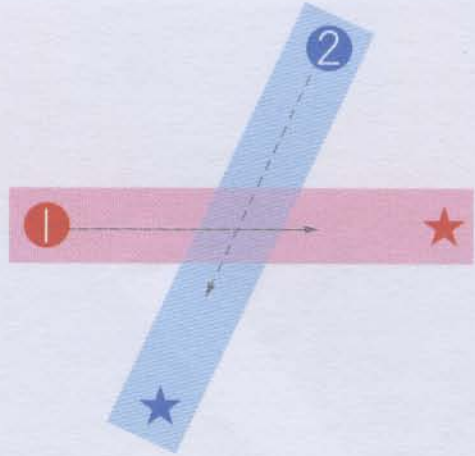

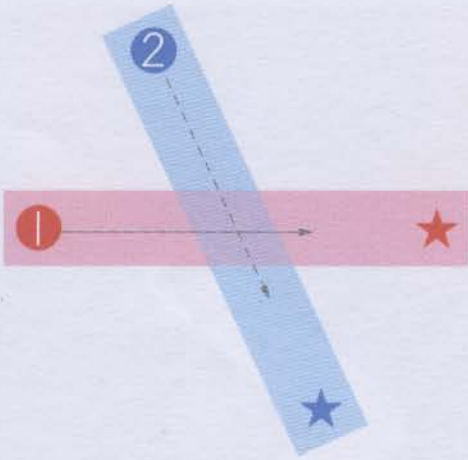

## Magic Hands

Name
Date

- Draw a line from one piece of candy (🍬) to the matching piece of candy (🍬).

■ Draw a line in the red path ( ① ) and then the blue path ( ② ).

# 29

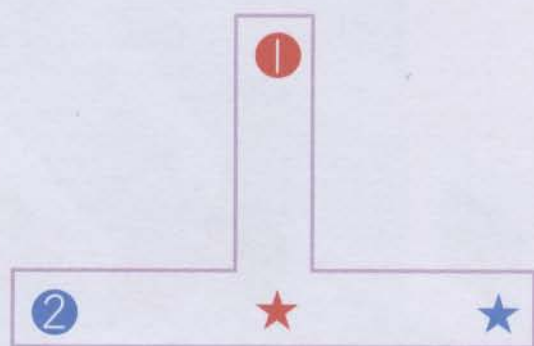

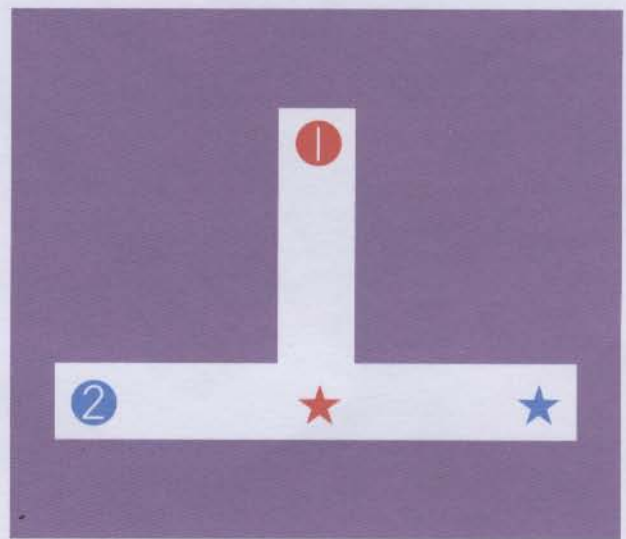

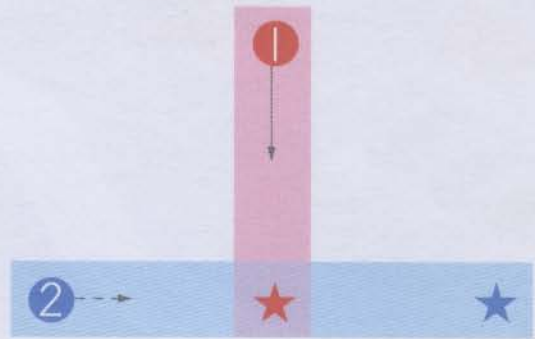

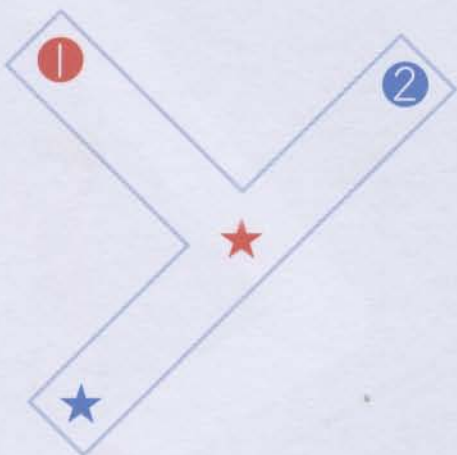

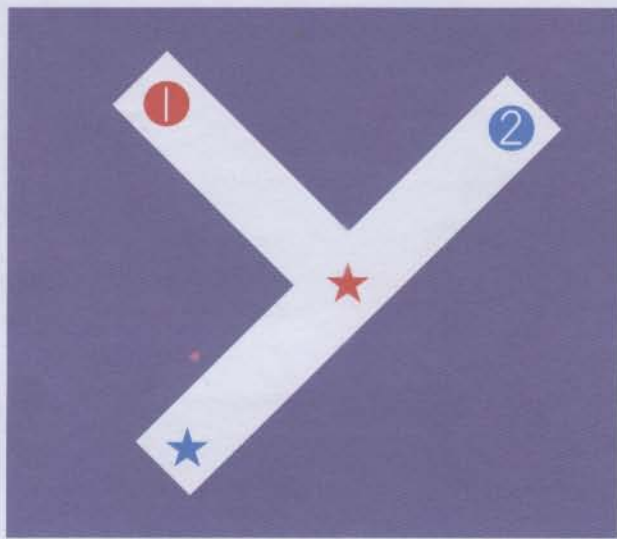

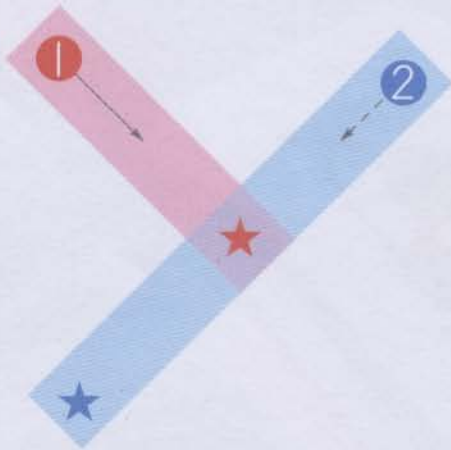

## Exploring a Department Store

Name
Date

■ Draw a line from one ball (  ) to the other ball (  ).

■ Draw a line in the red path ( ① ) and then the blue path ( ② ).

# 30

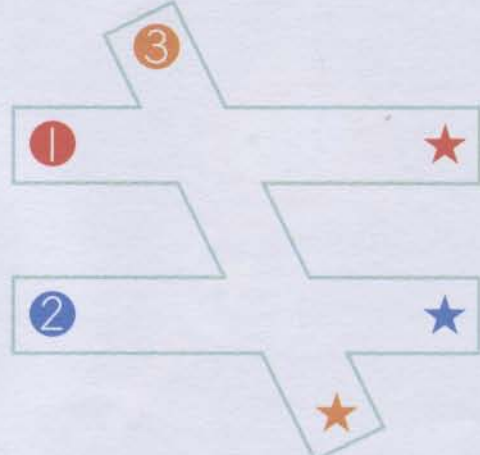

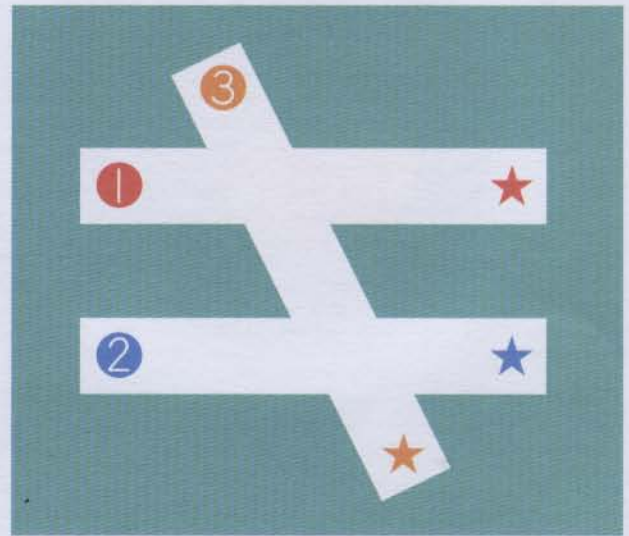

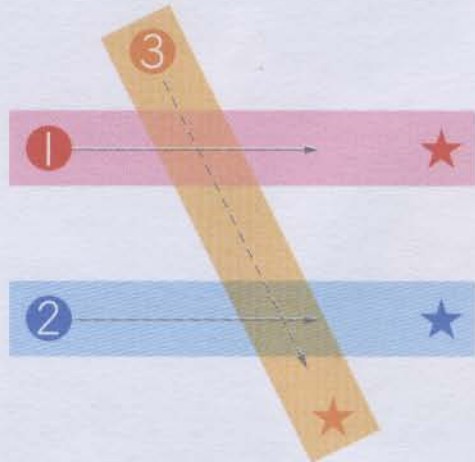

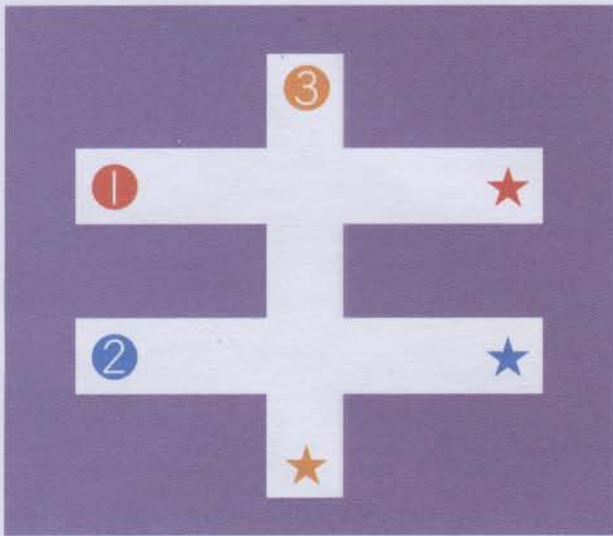

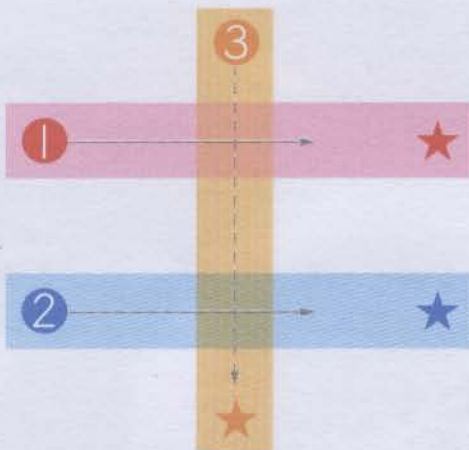

## Space Flight

Name
Date

■ Draw a line from one UFO (👾) to the other UFO (👾).

- Draw a line in the red path ( ❶ ), then the blue ( ❷ ), and then the yellow path ( ❸ ).

# 31

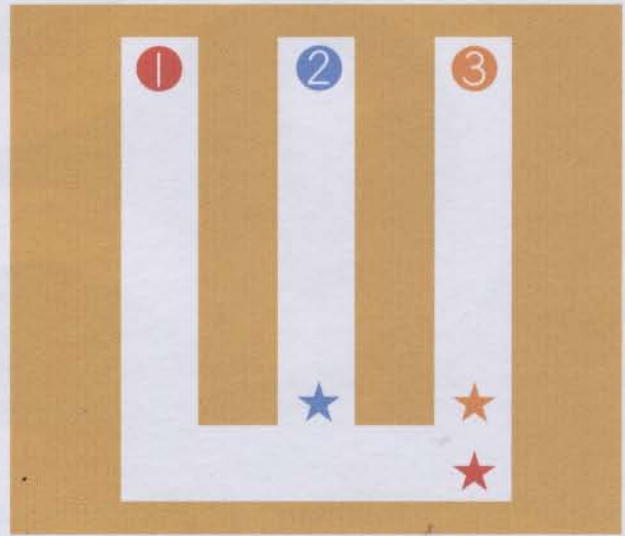

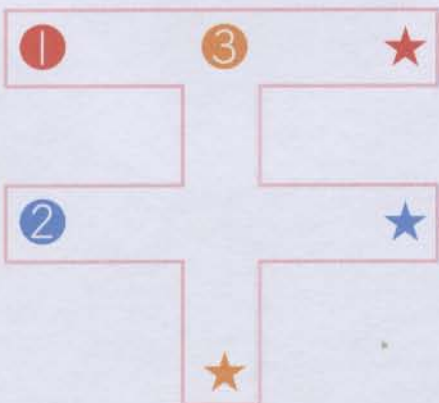

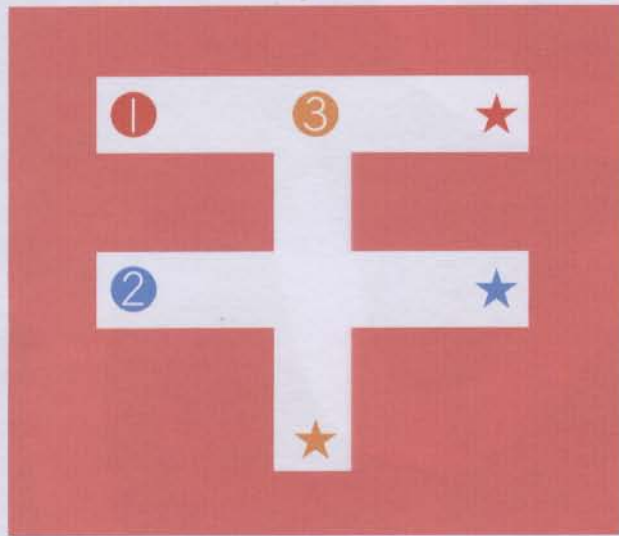

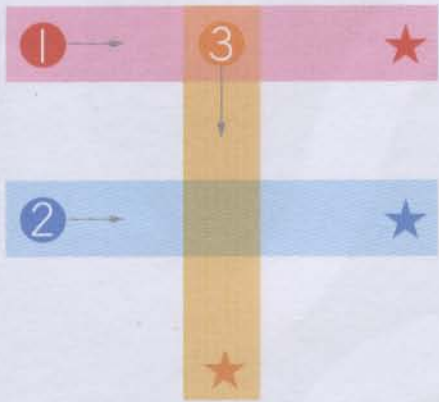

## Scary Haunted House

Name
Date

■ Draw a line from one ghost (  ) to the other ghost (  ).

- Draw a line in the red path ( ① ), then the blue ( ② ), and then the yellow path ( ③ ).

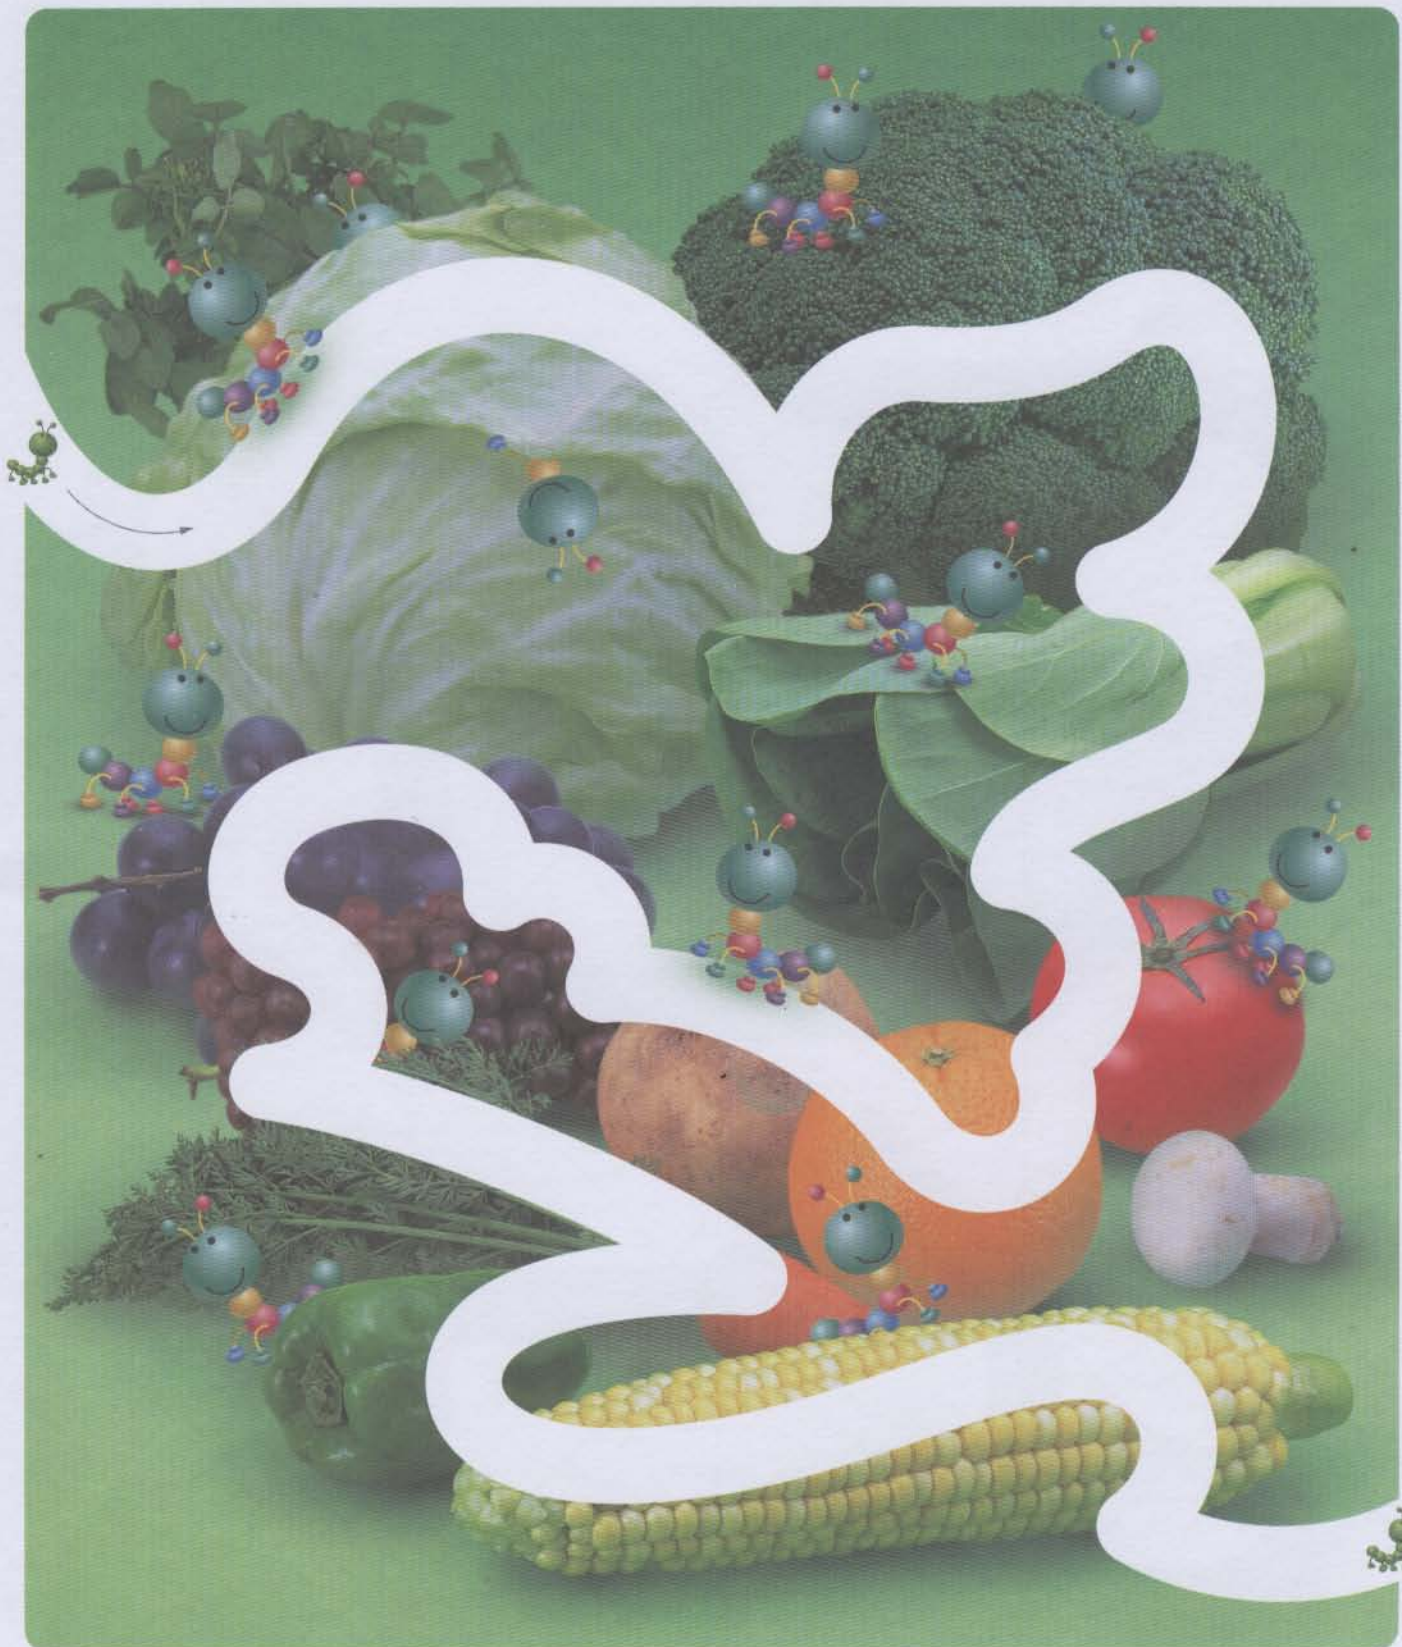

# 32

## Green Caterpillars Eating Vegetables

Name
Date

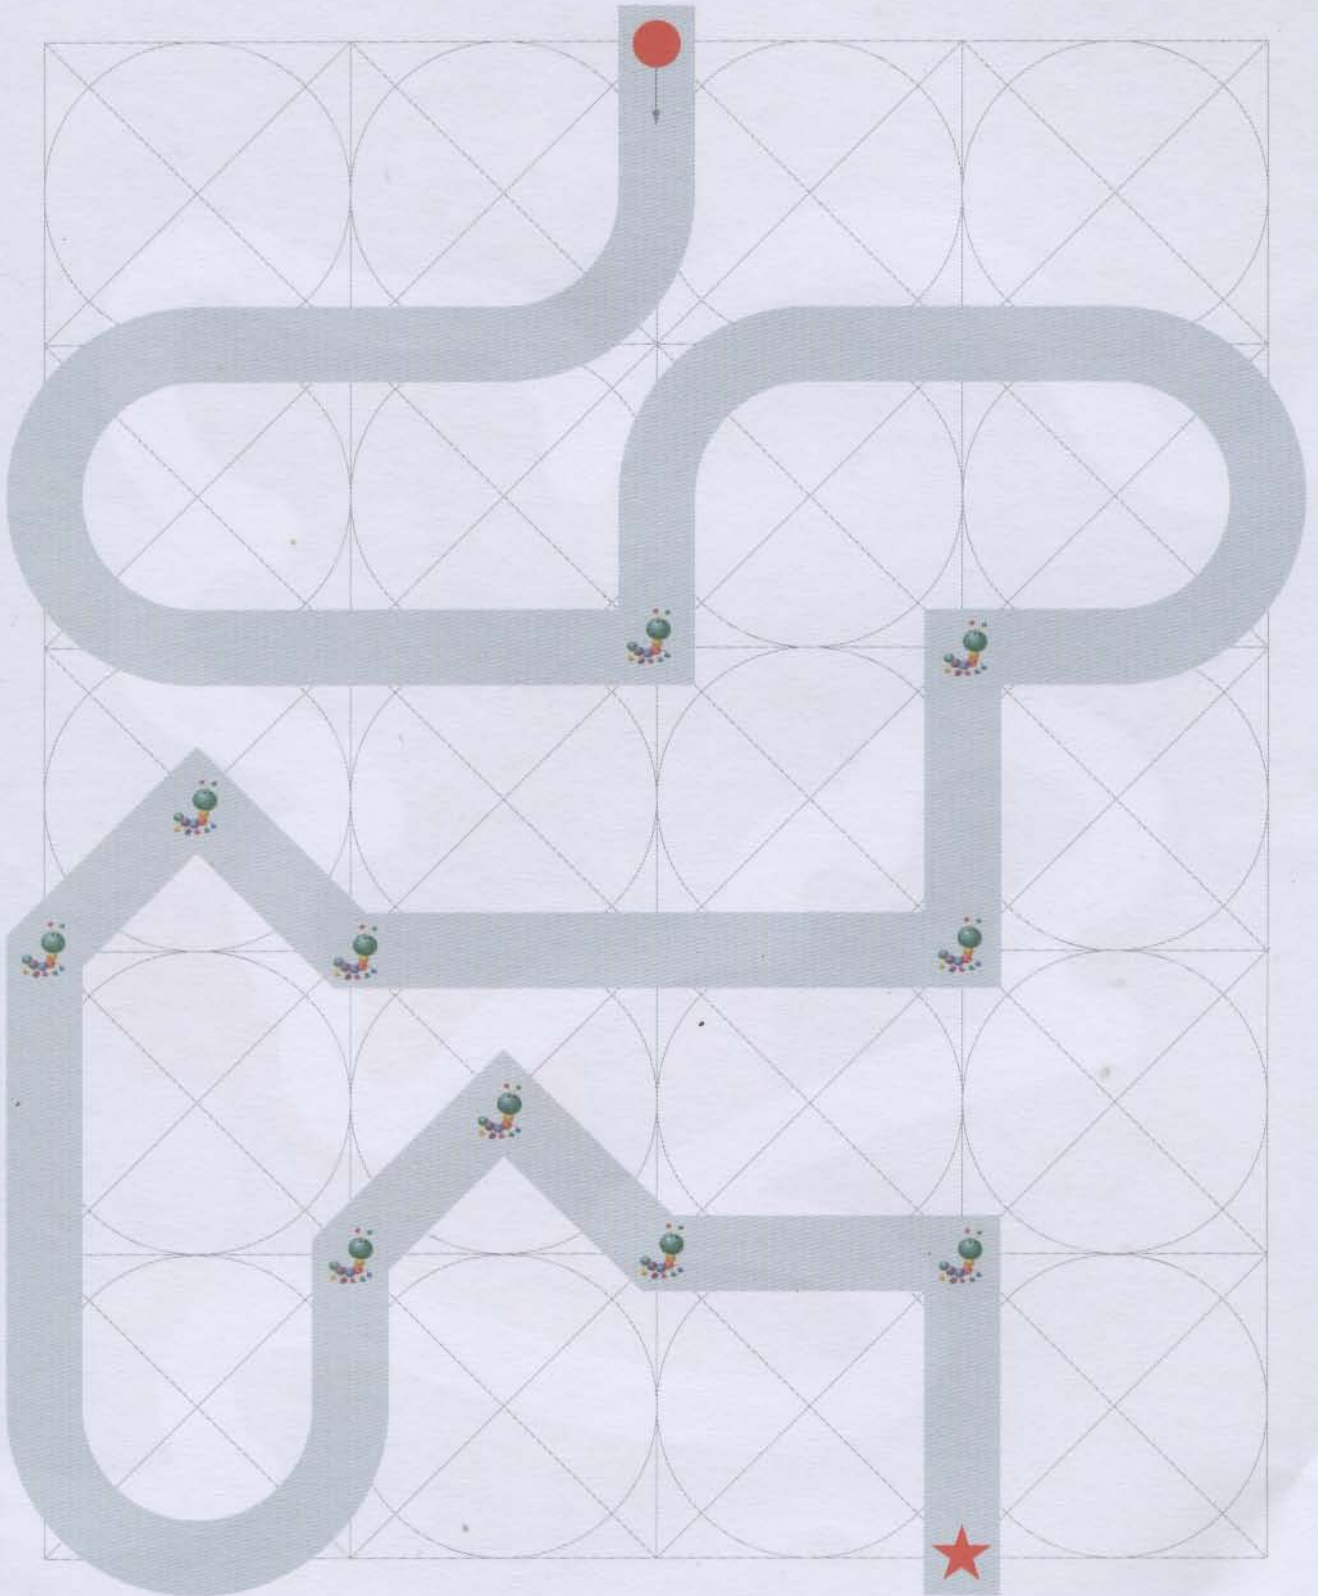

■ Draw a line from one green caterpillar (  ) to the other green caterpillar (  ).

**To parents**

On the following pages, your child will encounter more comprehensive activities for drawing several kinds of lines. Make sure your child stops the pencil at each corner before drawing in a new direction. If your child does these exercises well, it shows that he or she has gained fairly strong skills in using a pencil.

- Draw a line from the dot (●) to the star (★).

# 33

## Surfing

Name
Date

### To parents

At the crossing point, have your child follow the direction of the arrow. Encourage your child not to go outside of the area.

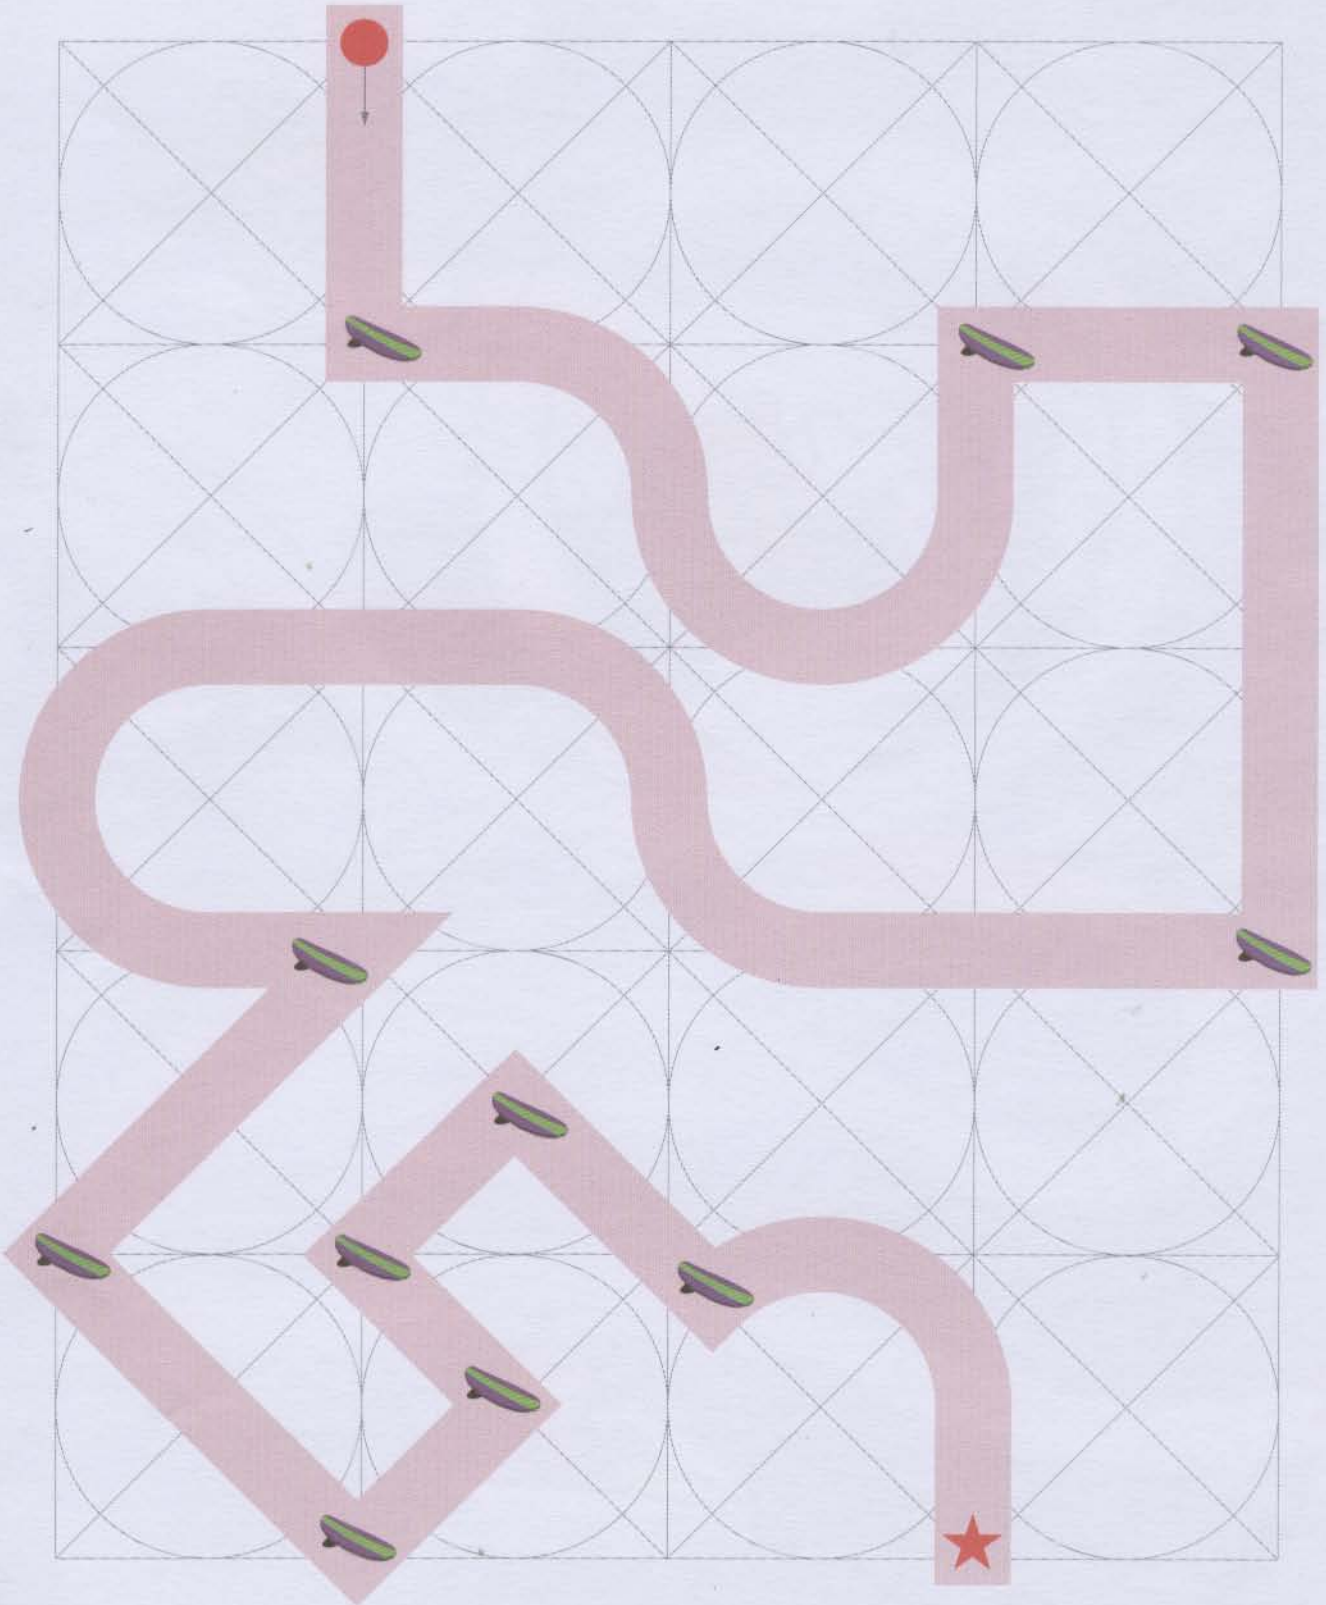

- Draw a line from one tiger (  ) to the other tiger (  ).

**To parents**

Make sure that your child stops the pencil at each corner (shown by pictures) before going on in the new direction.

- Draw a line from the dot (●) to the star (★).

# 34

## Doing Loop-the-Loops

Name
Date

### To parents

From this page on, the paths are even narrower. It is more important that your child draw slowly and carefully than that he or she draw in one stroke.

- Draw a line from one balloon (🎈) to the other balloon (🎈).

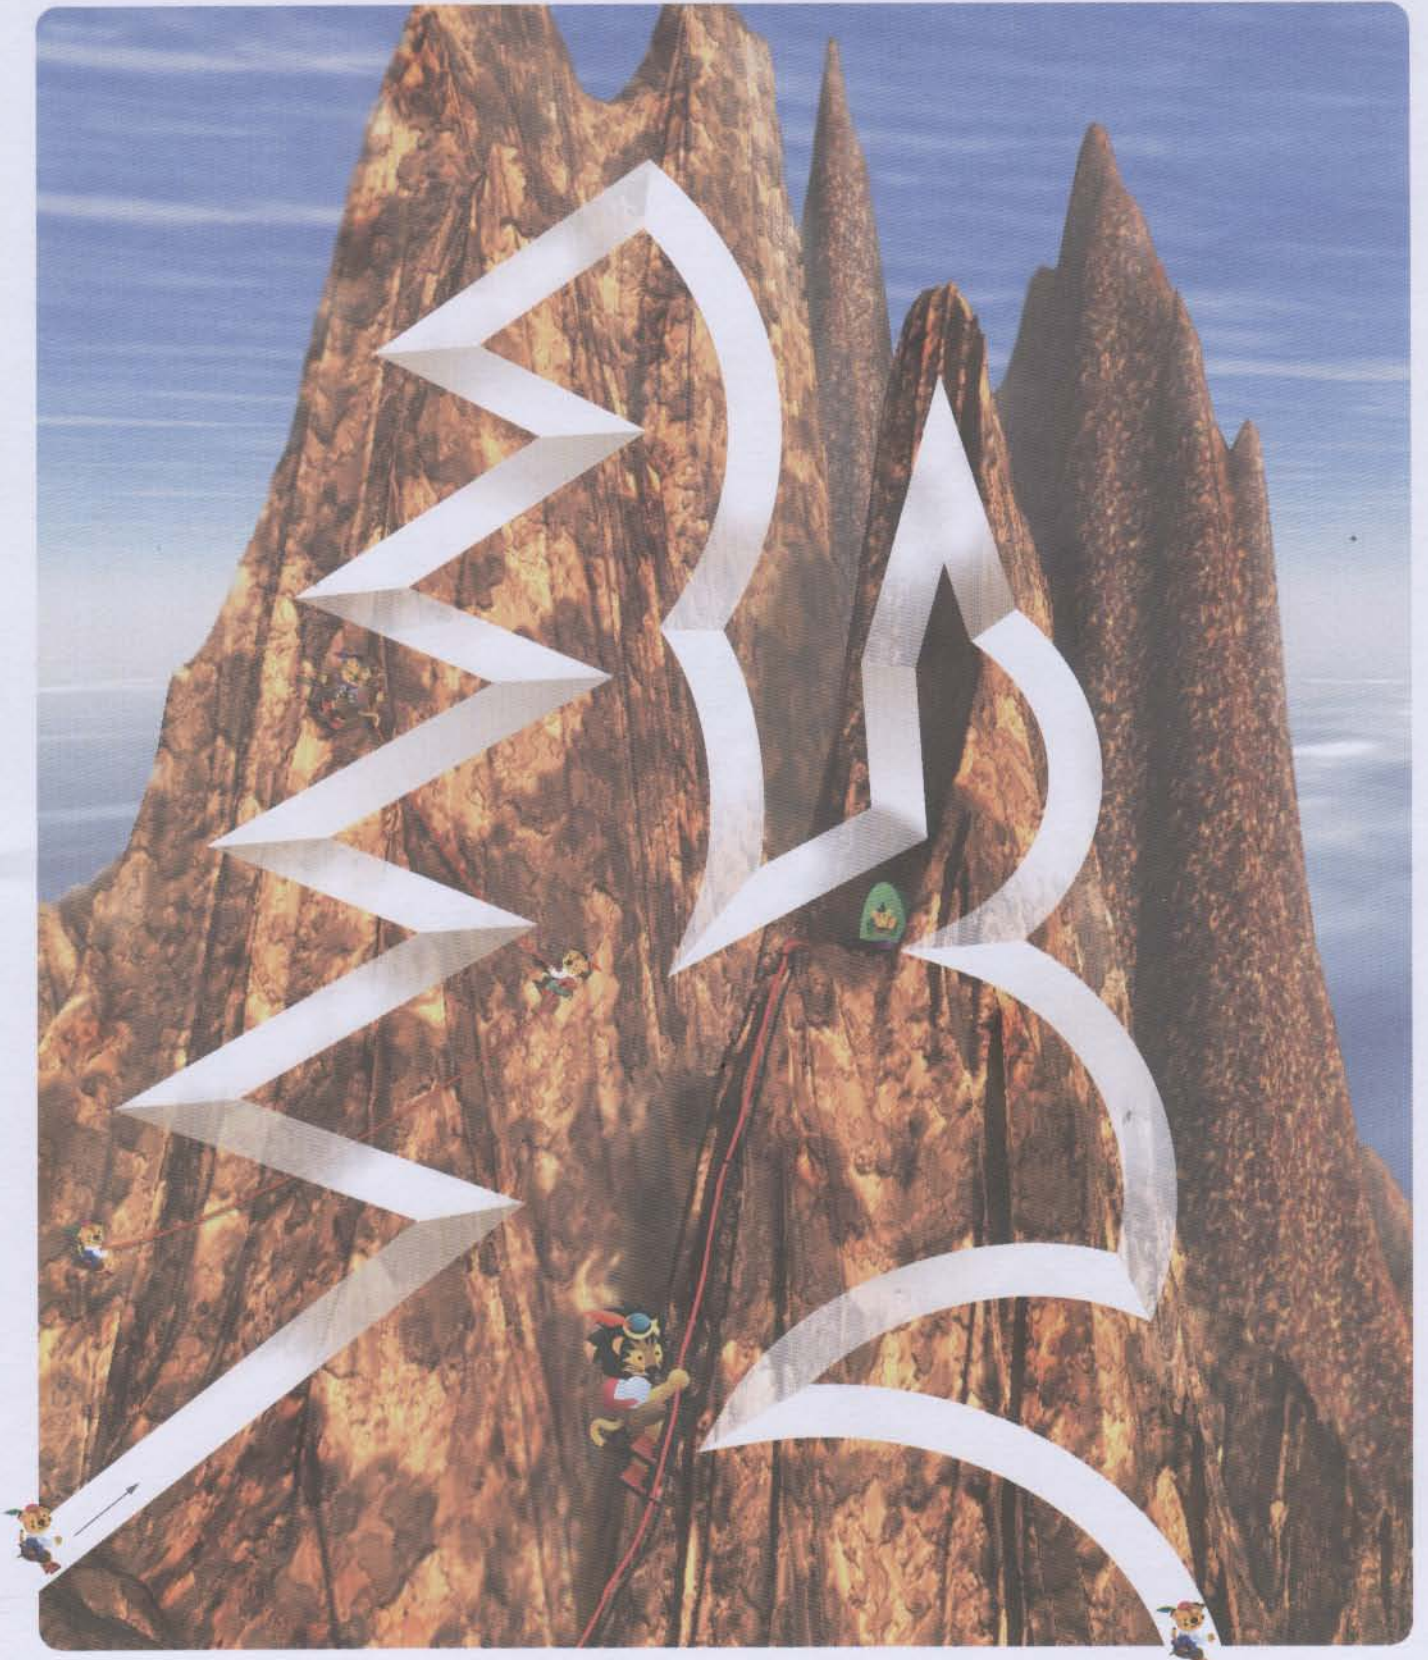

# Climbing a Steep Mountain

Name
Date

**To parents**

Encourage your child to use his or her experience drawing zigzag and curved lines to complete this activity.

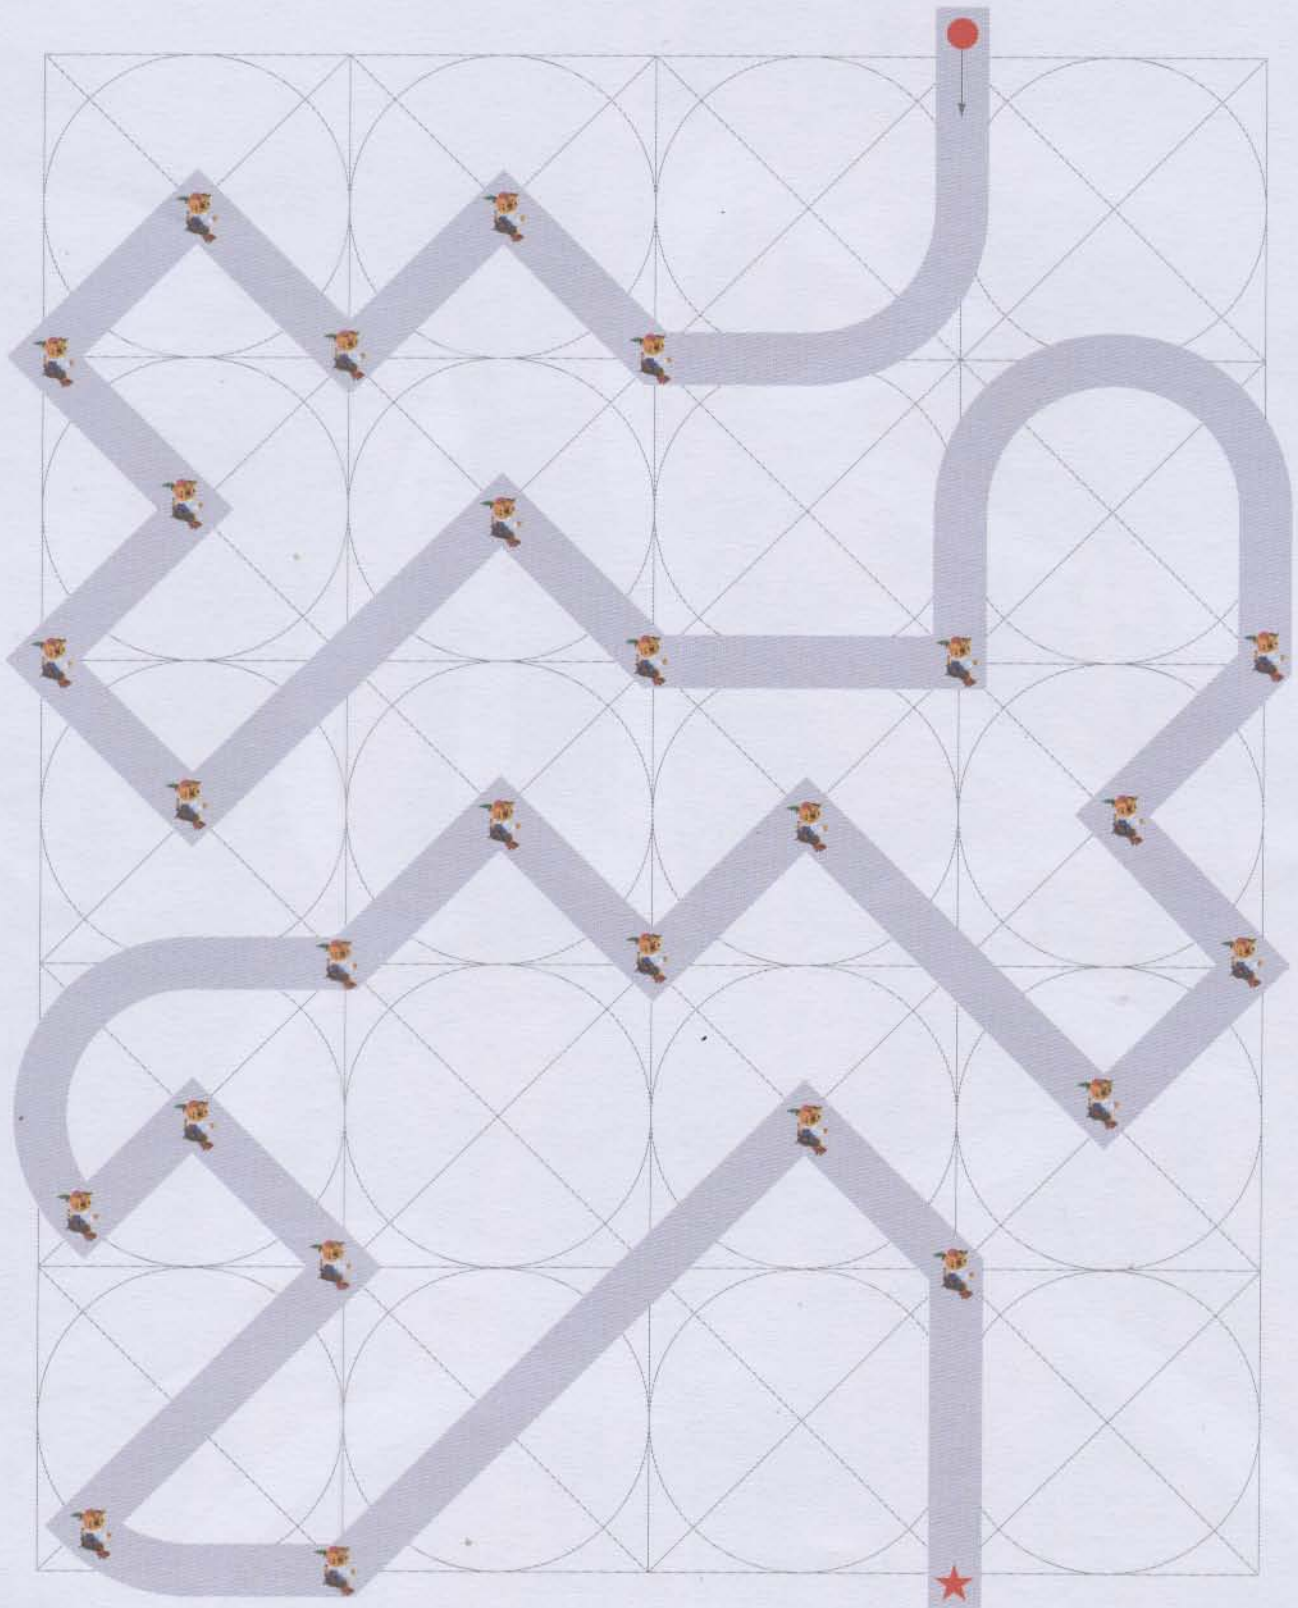

- Draw a line from one tiger (  ) to the other tiger (  ).

**To parents**

Make sure that your child stops the pencil at each corner (shown by pictures) before going on in the new direction.

■ Draw a line from the dot (●) to the star (★).

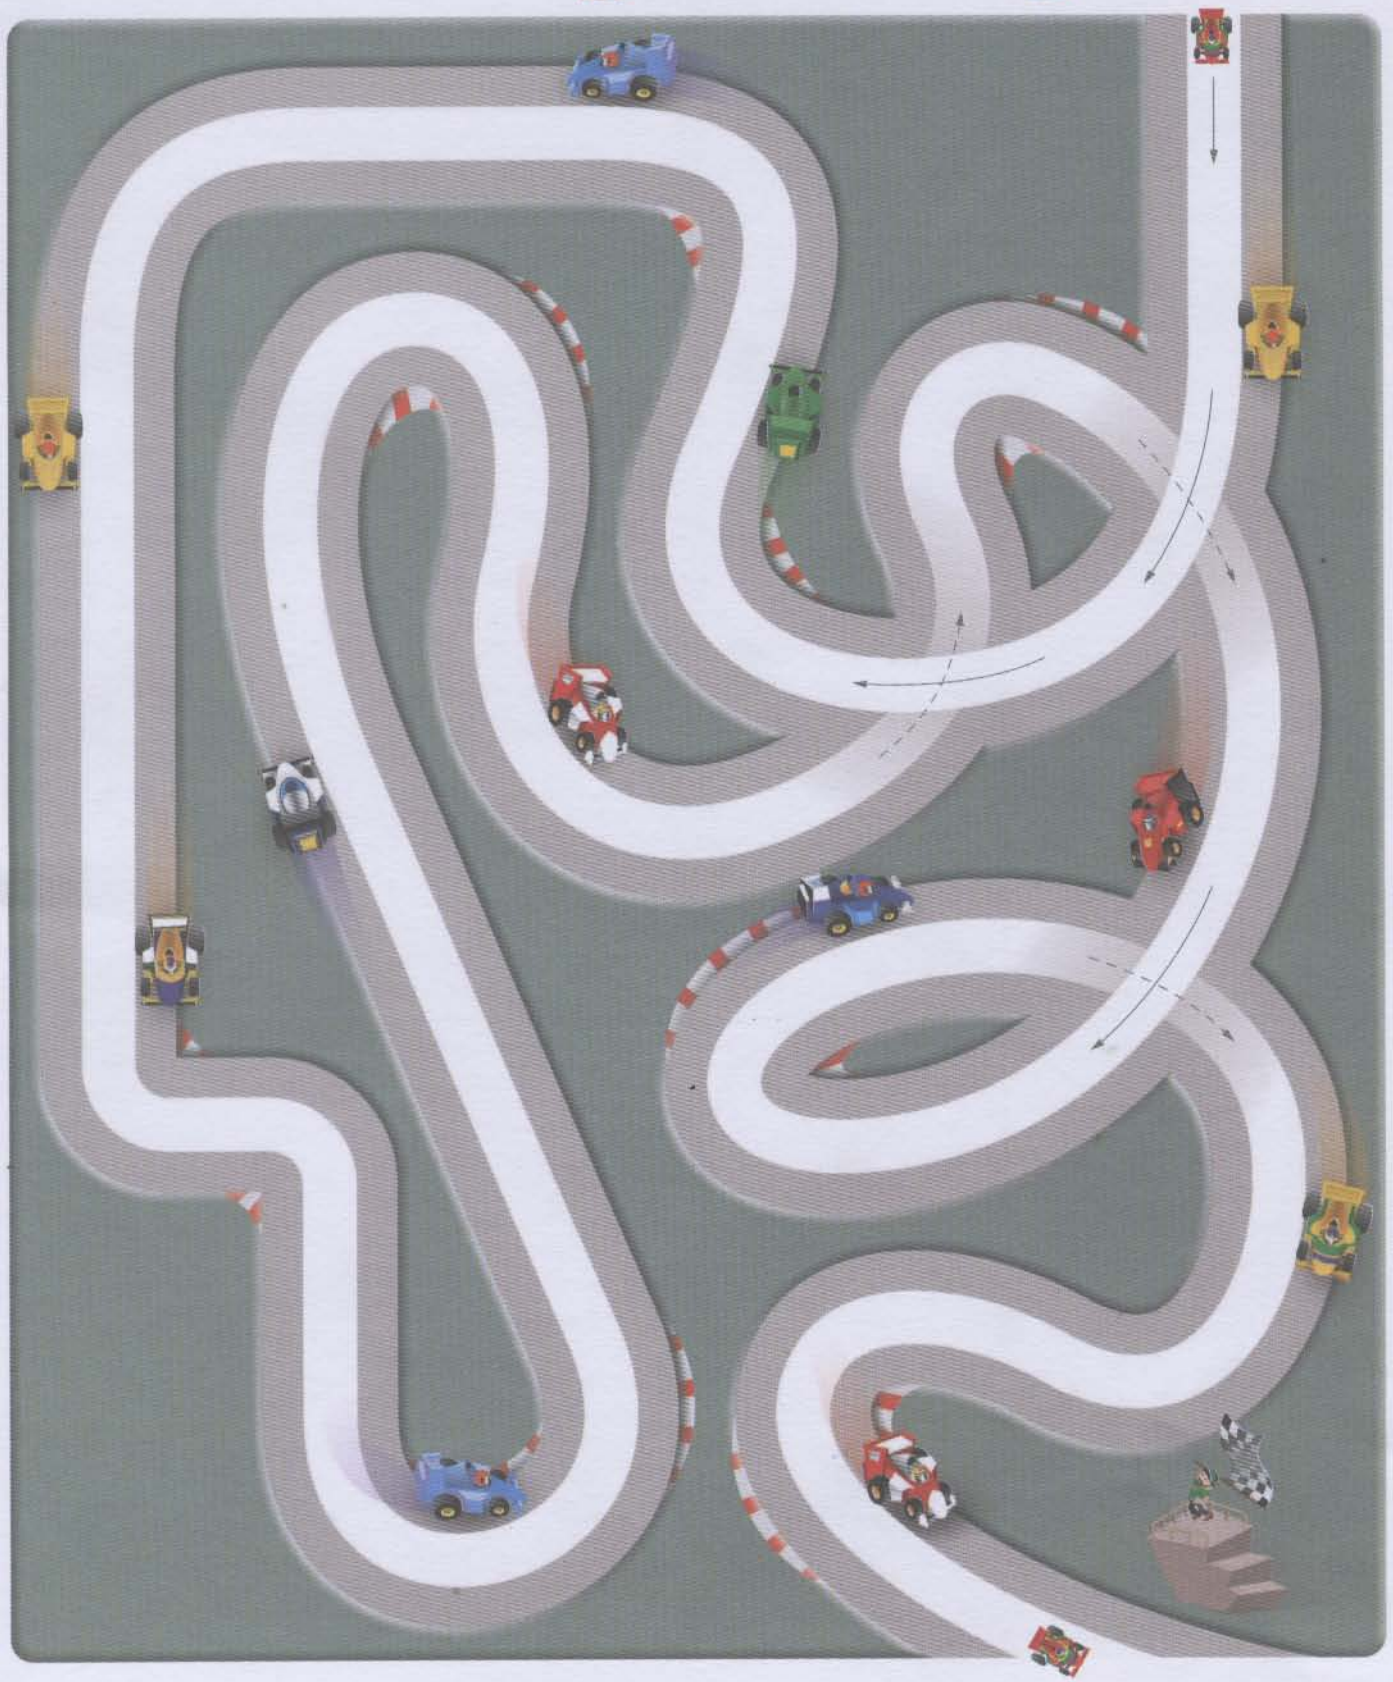

# 36

## Racetrack

Name
Date

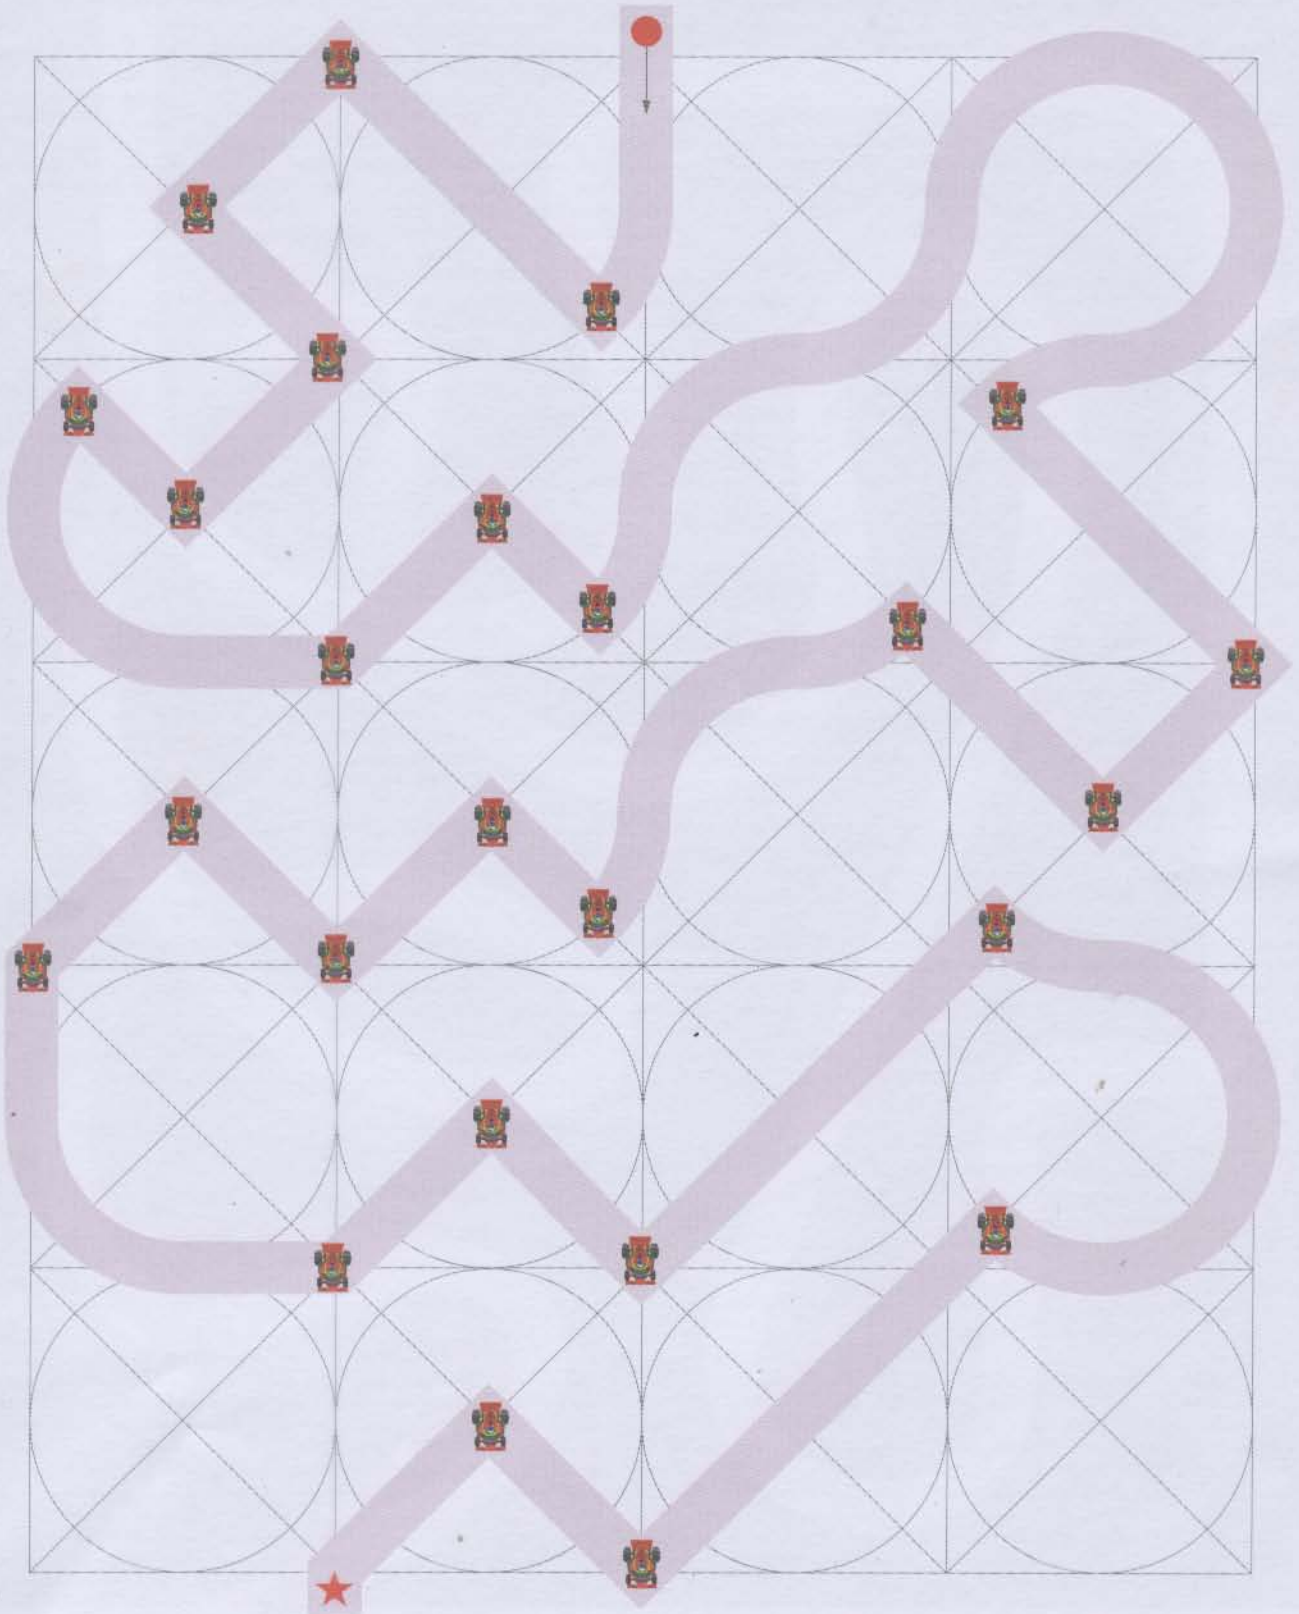

■ Draw a line from one car (  ) to the other car (  ).

**To parents**

Make sure that your child stops the pencil at each corner (shown by pictures) before going on in the new direction.

- Draw a line from the dot (●) to the star (★).

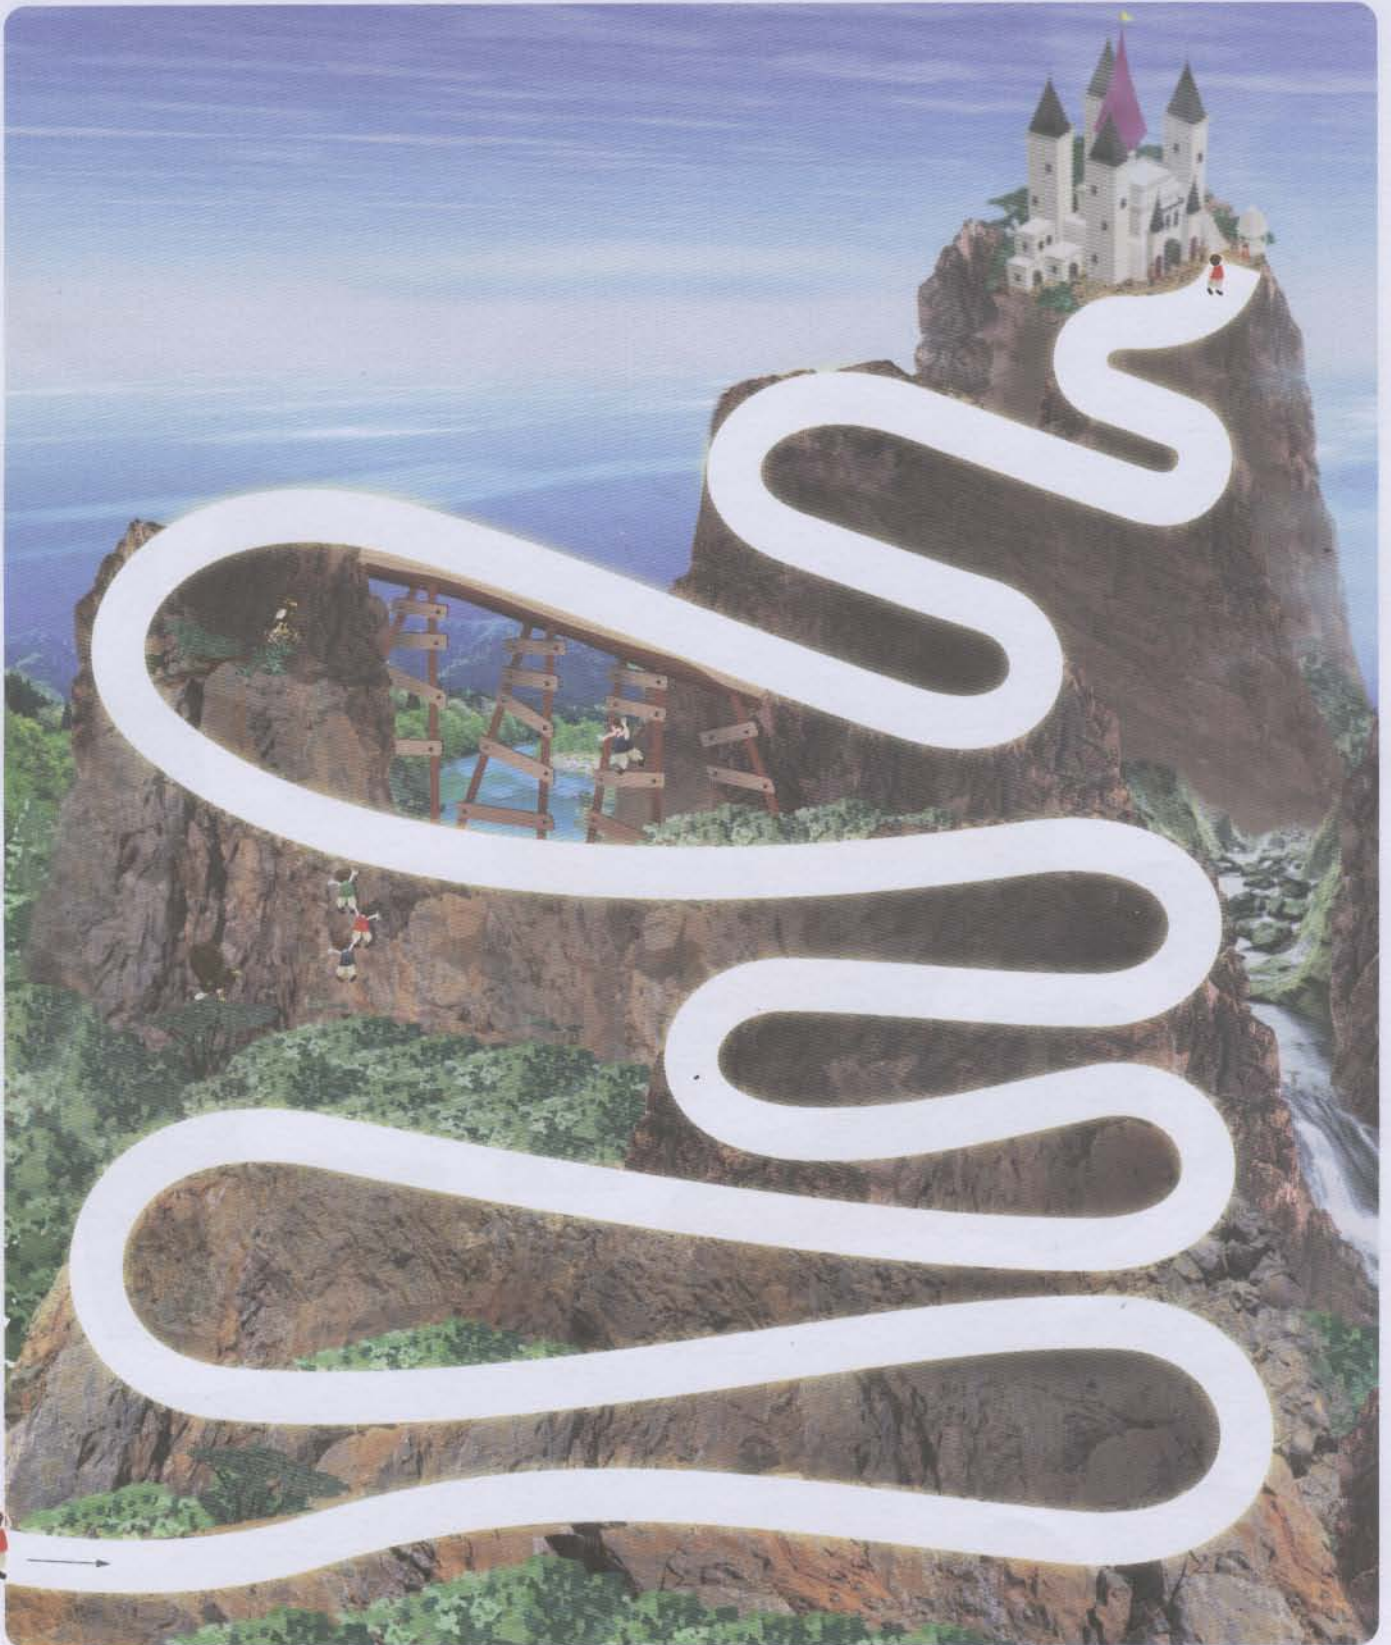

# 37

## A Path to the Castle

Name
Date

■ Draw a line from one girl (  ) to the other girl (  ).

**To parents**

From this page on, drawing lines becomes more difficult. Encourage your child to draw within the lines. It is important for your child to develop the ability to draw carefully and steadily.

■ Draw a line from the dot (●) to the star (★).

38

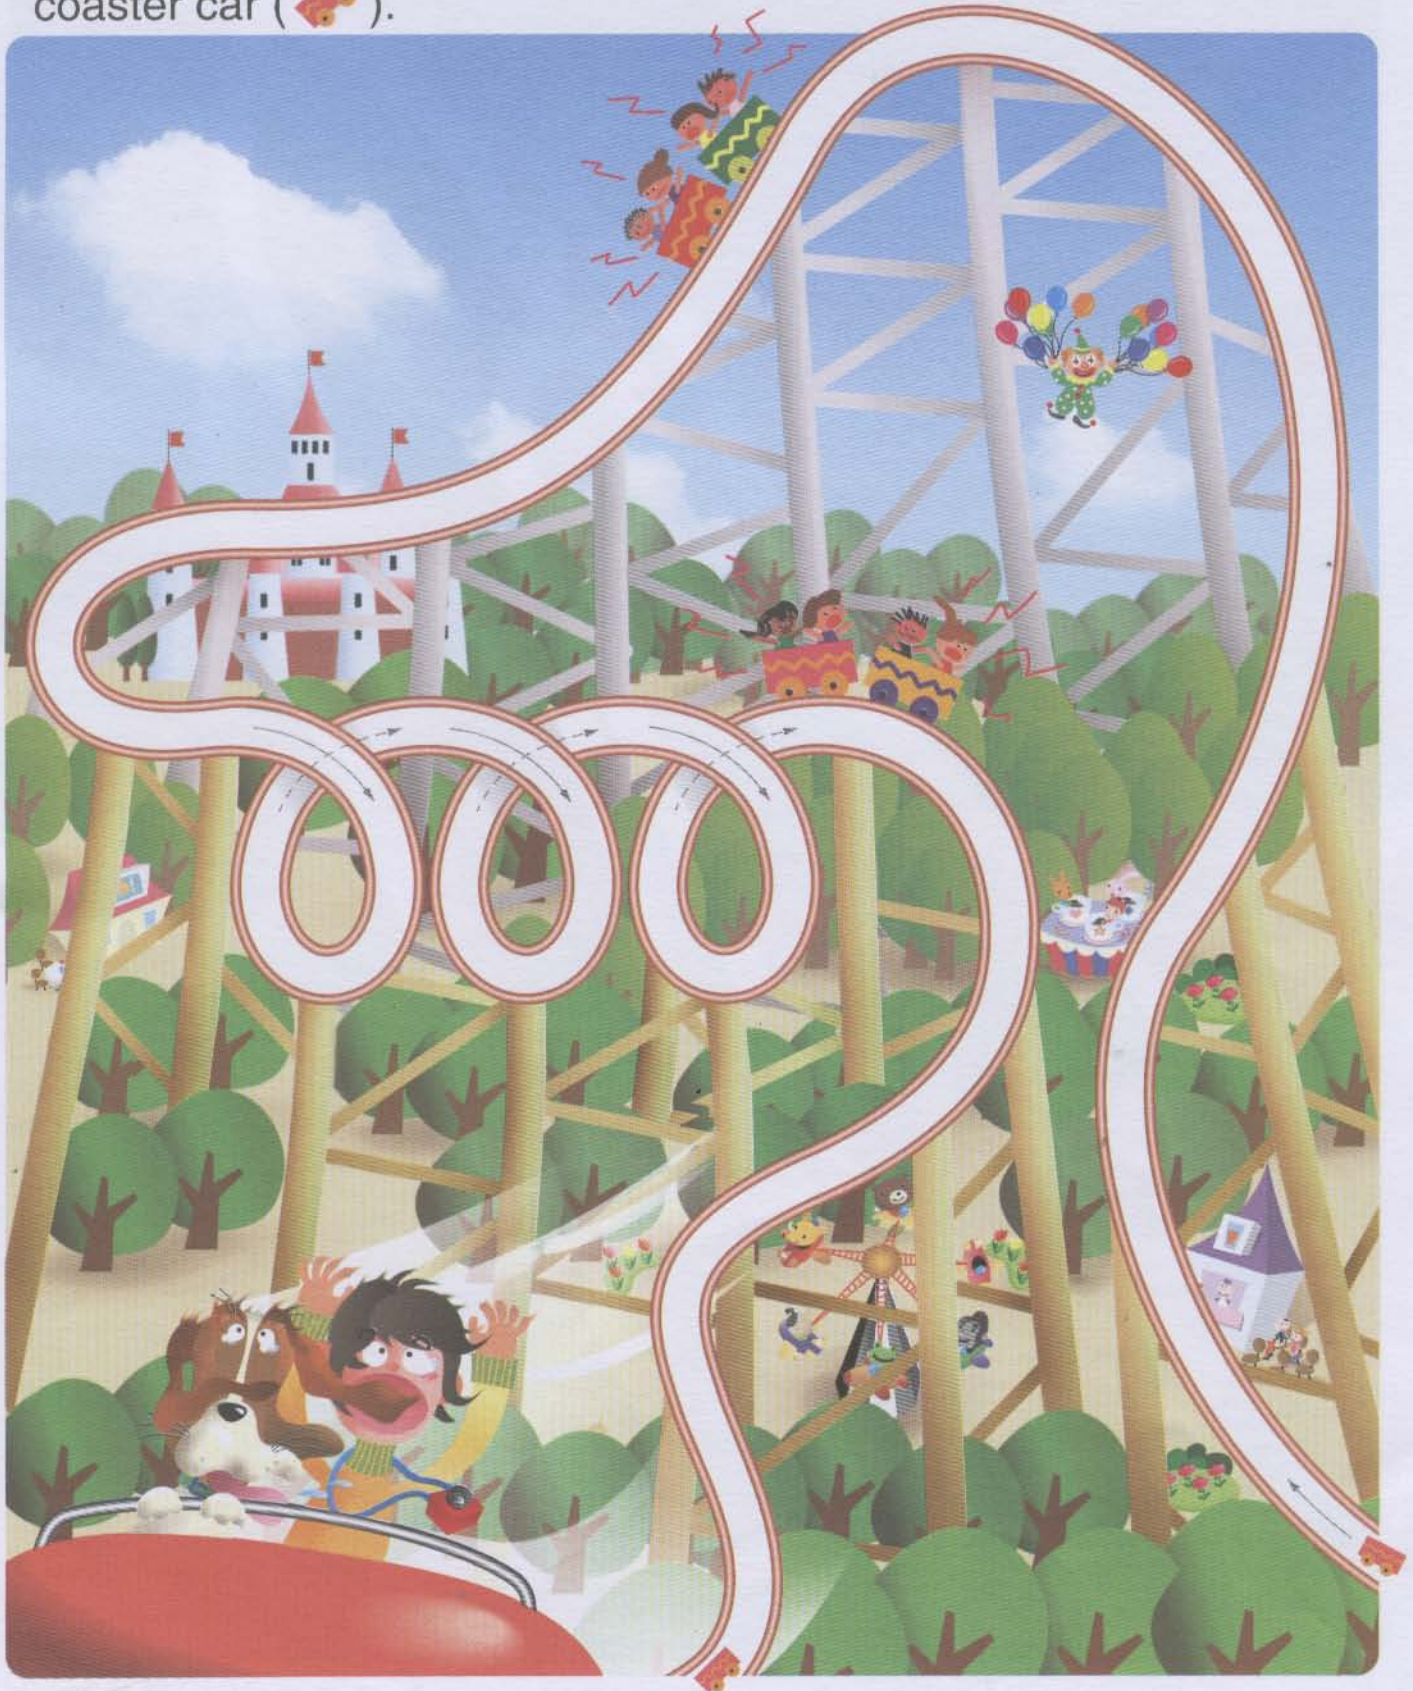

# Amusement Park Roller Coaster

Name

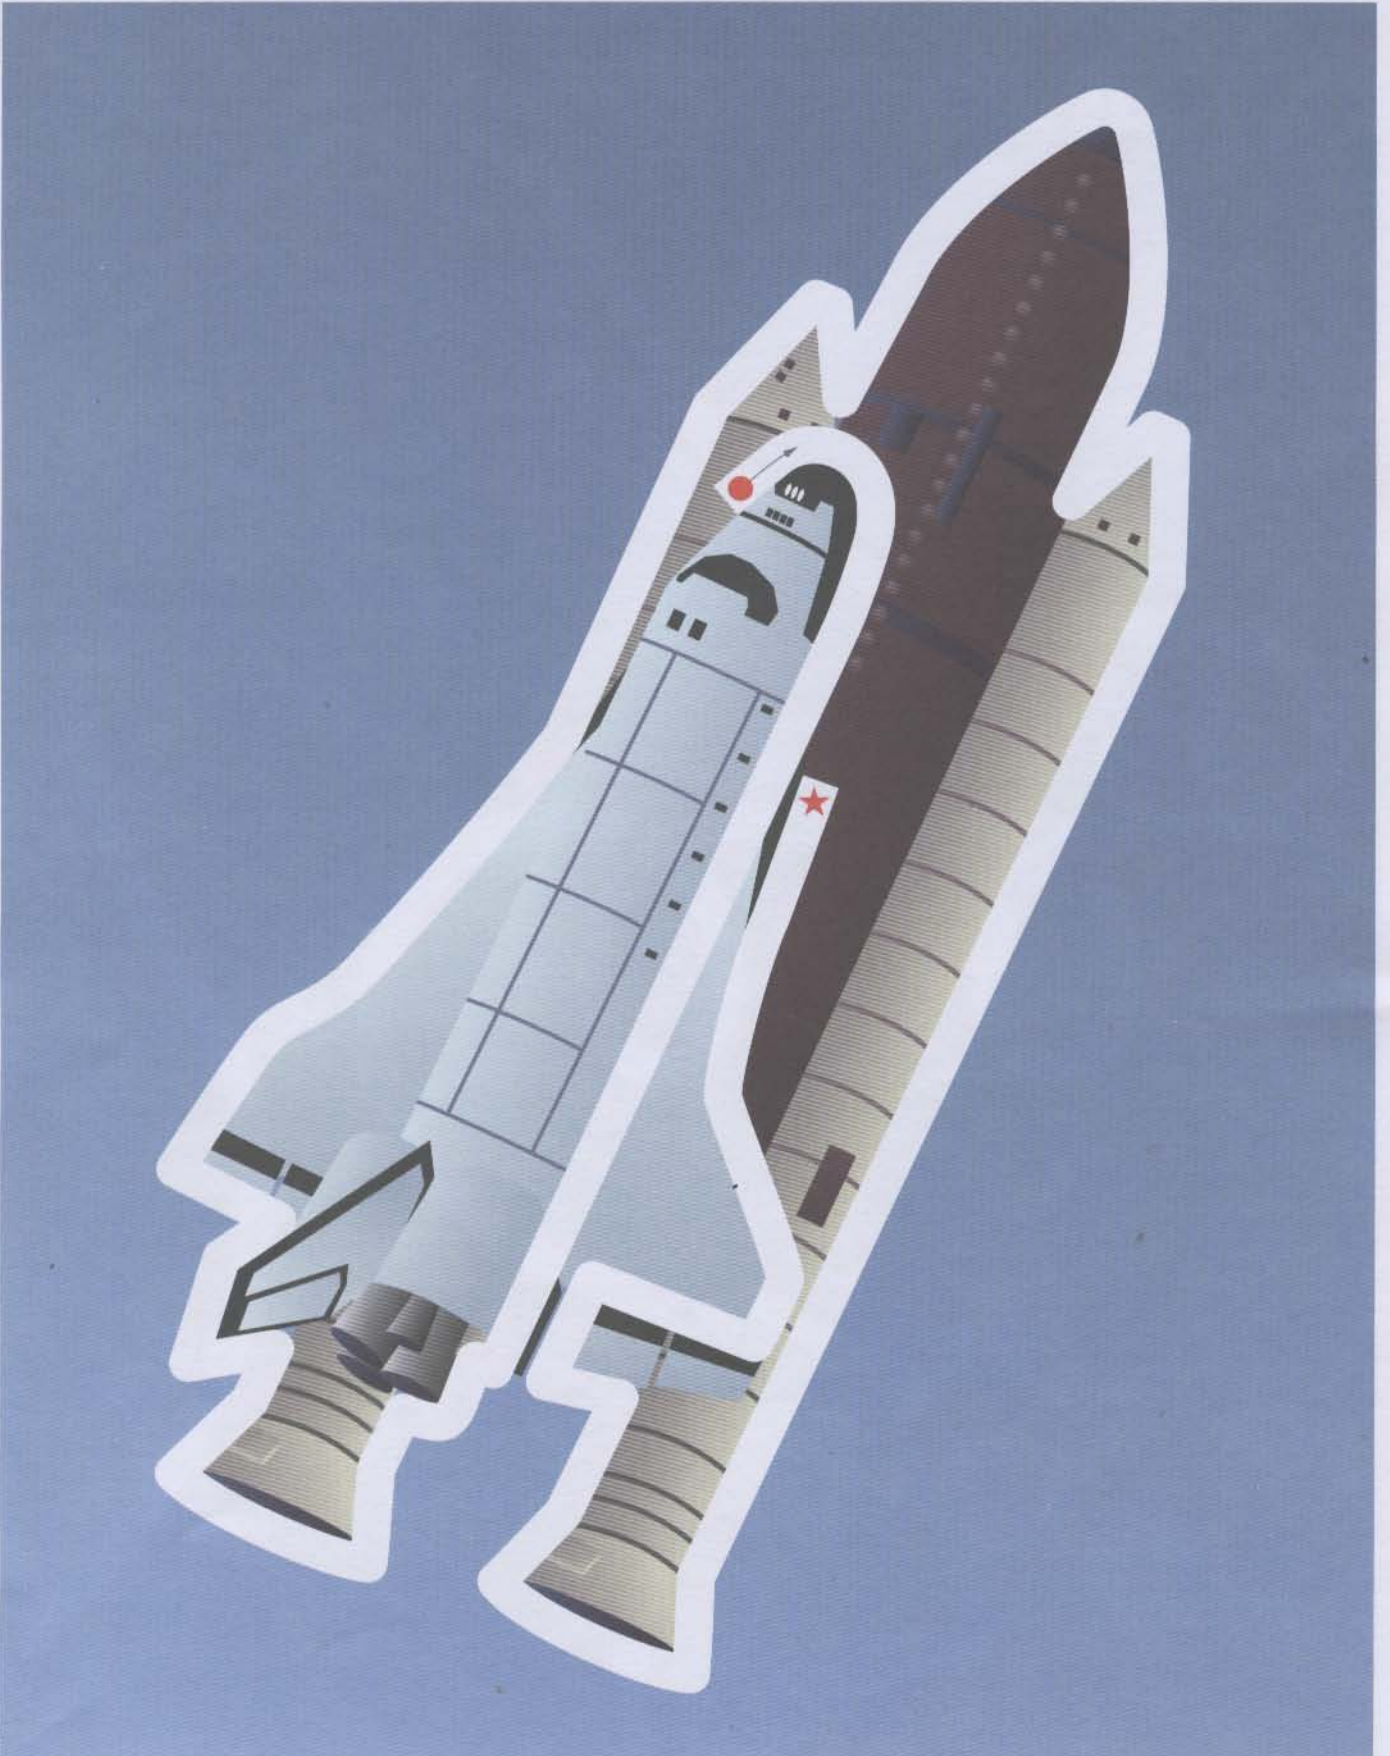

Date

**To parents** Encourage your child to draw along very narrow paths. Make sure that your child can easily draw a steady line along the path.

- Draw a line from one coaster car (  ) to the other coaster car (  ).

■ Draw a line from the dot (●) to the star (★).

Space Shuttle

# 39

## Mountainside Roller Coaster

Name
Date

- Draw a line from one coaster car (🚂) to the other coaster car (🚂).

■ Draw a line from the dot (●) to the star (★).

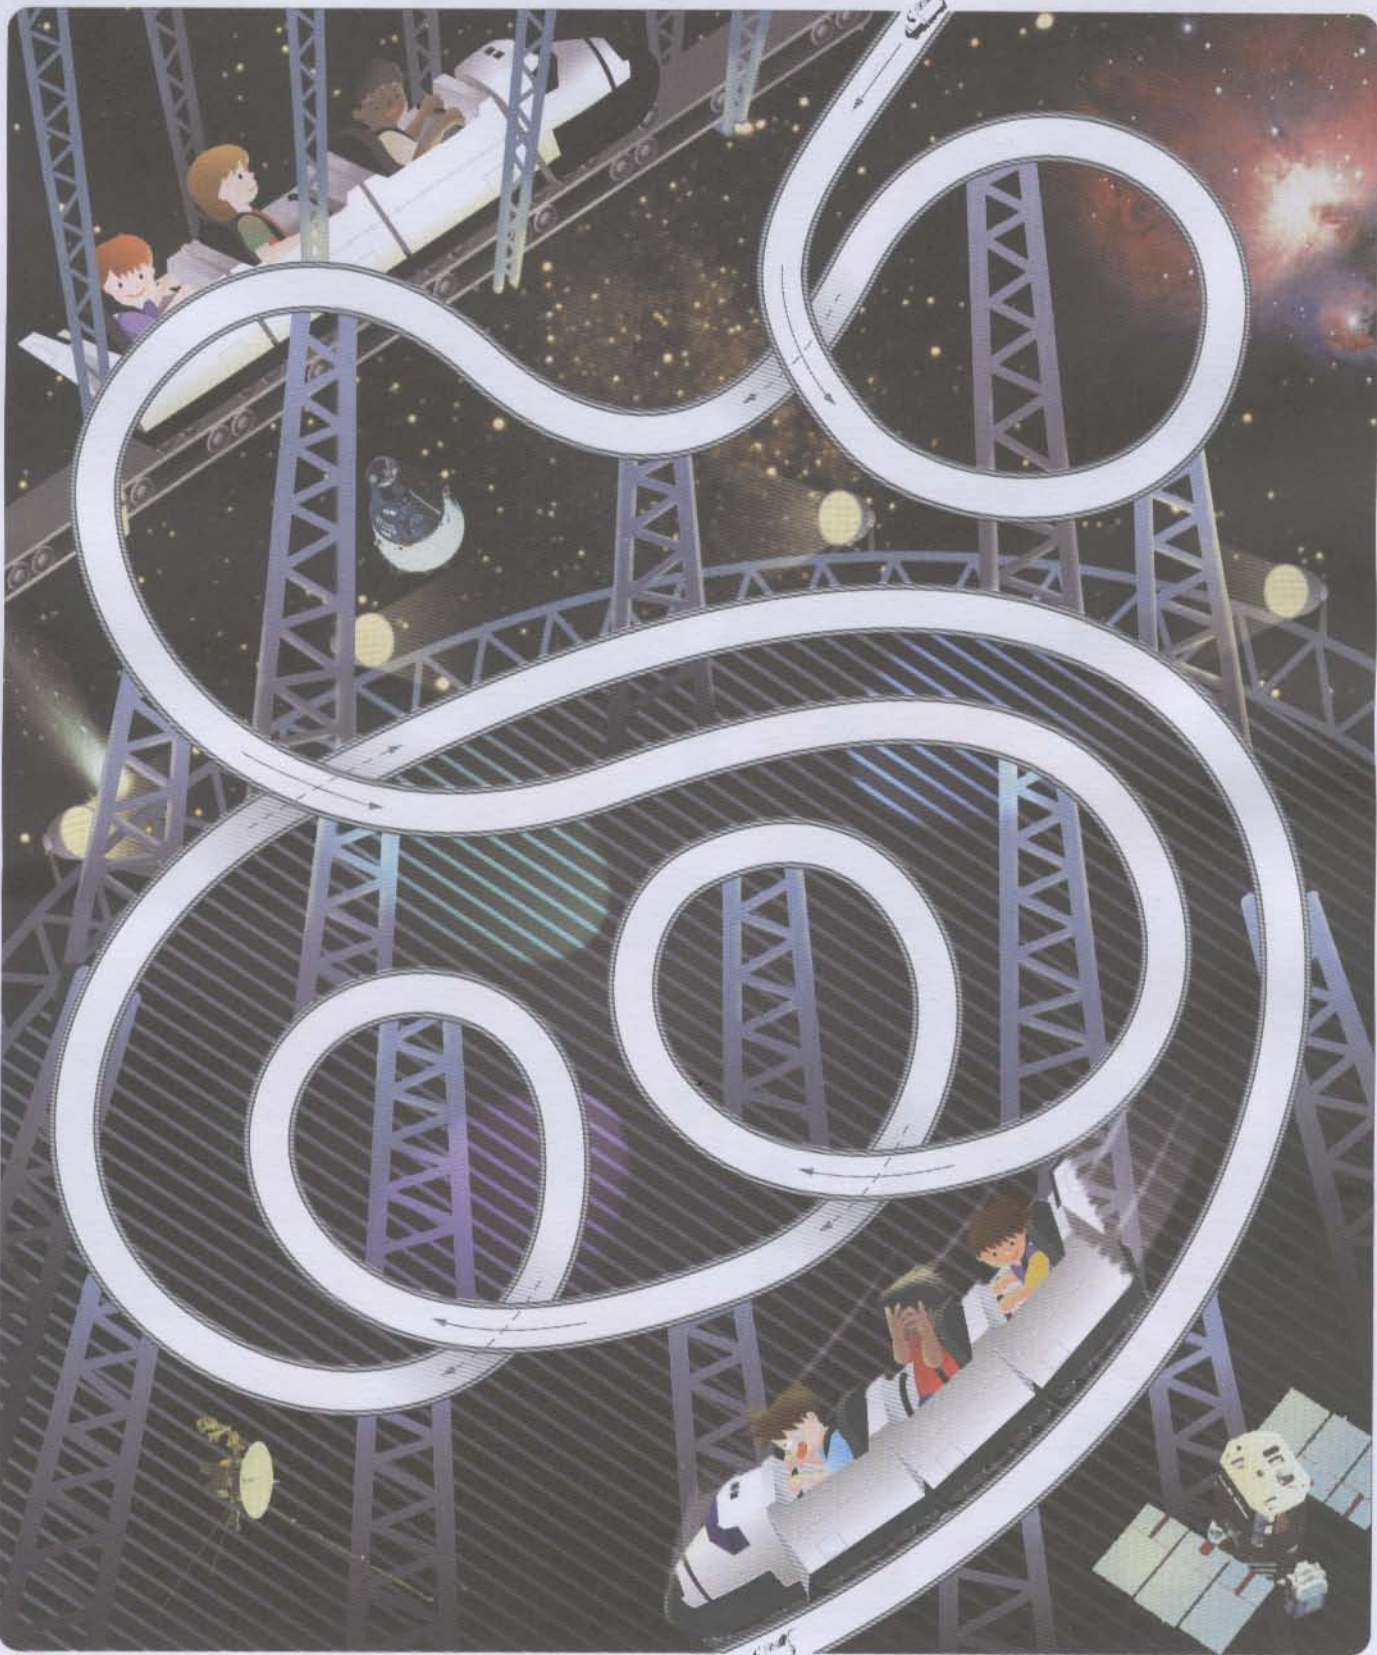

# 40

## Roller Coaster in Space

Name
Date

■ Draw a line from one coaster car (  ) to the other coaster car (  ).

**To parents**

Has your child had fun reaching the end of the book? By now he or she should be able to draw lines fairly well and with more confident strokes than on the first page. Give your child lots of praise for his or her effort!

■ Draw a line from the dot (●) to the star (★).
