Benvenuti nel mio giardino segreto d'inchiostro!

Scoprirai uno straordinario universo
in bianco e nero pieno di fiori fantastici
e piante strane.

Ci sono immagini da colorare, labirinti
da risolvere, decorazioni da completare
e molto spazio da riempire con i tuoi
disegni. Usa i pennarelli per dare
un po' di colore, oppure una penna nera
dal tratto sottile per creare ghirigori
e aggiungere dettagli.

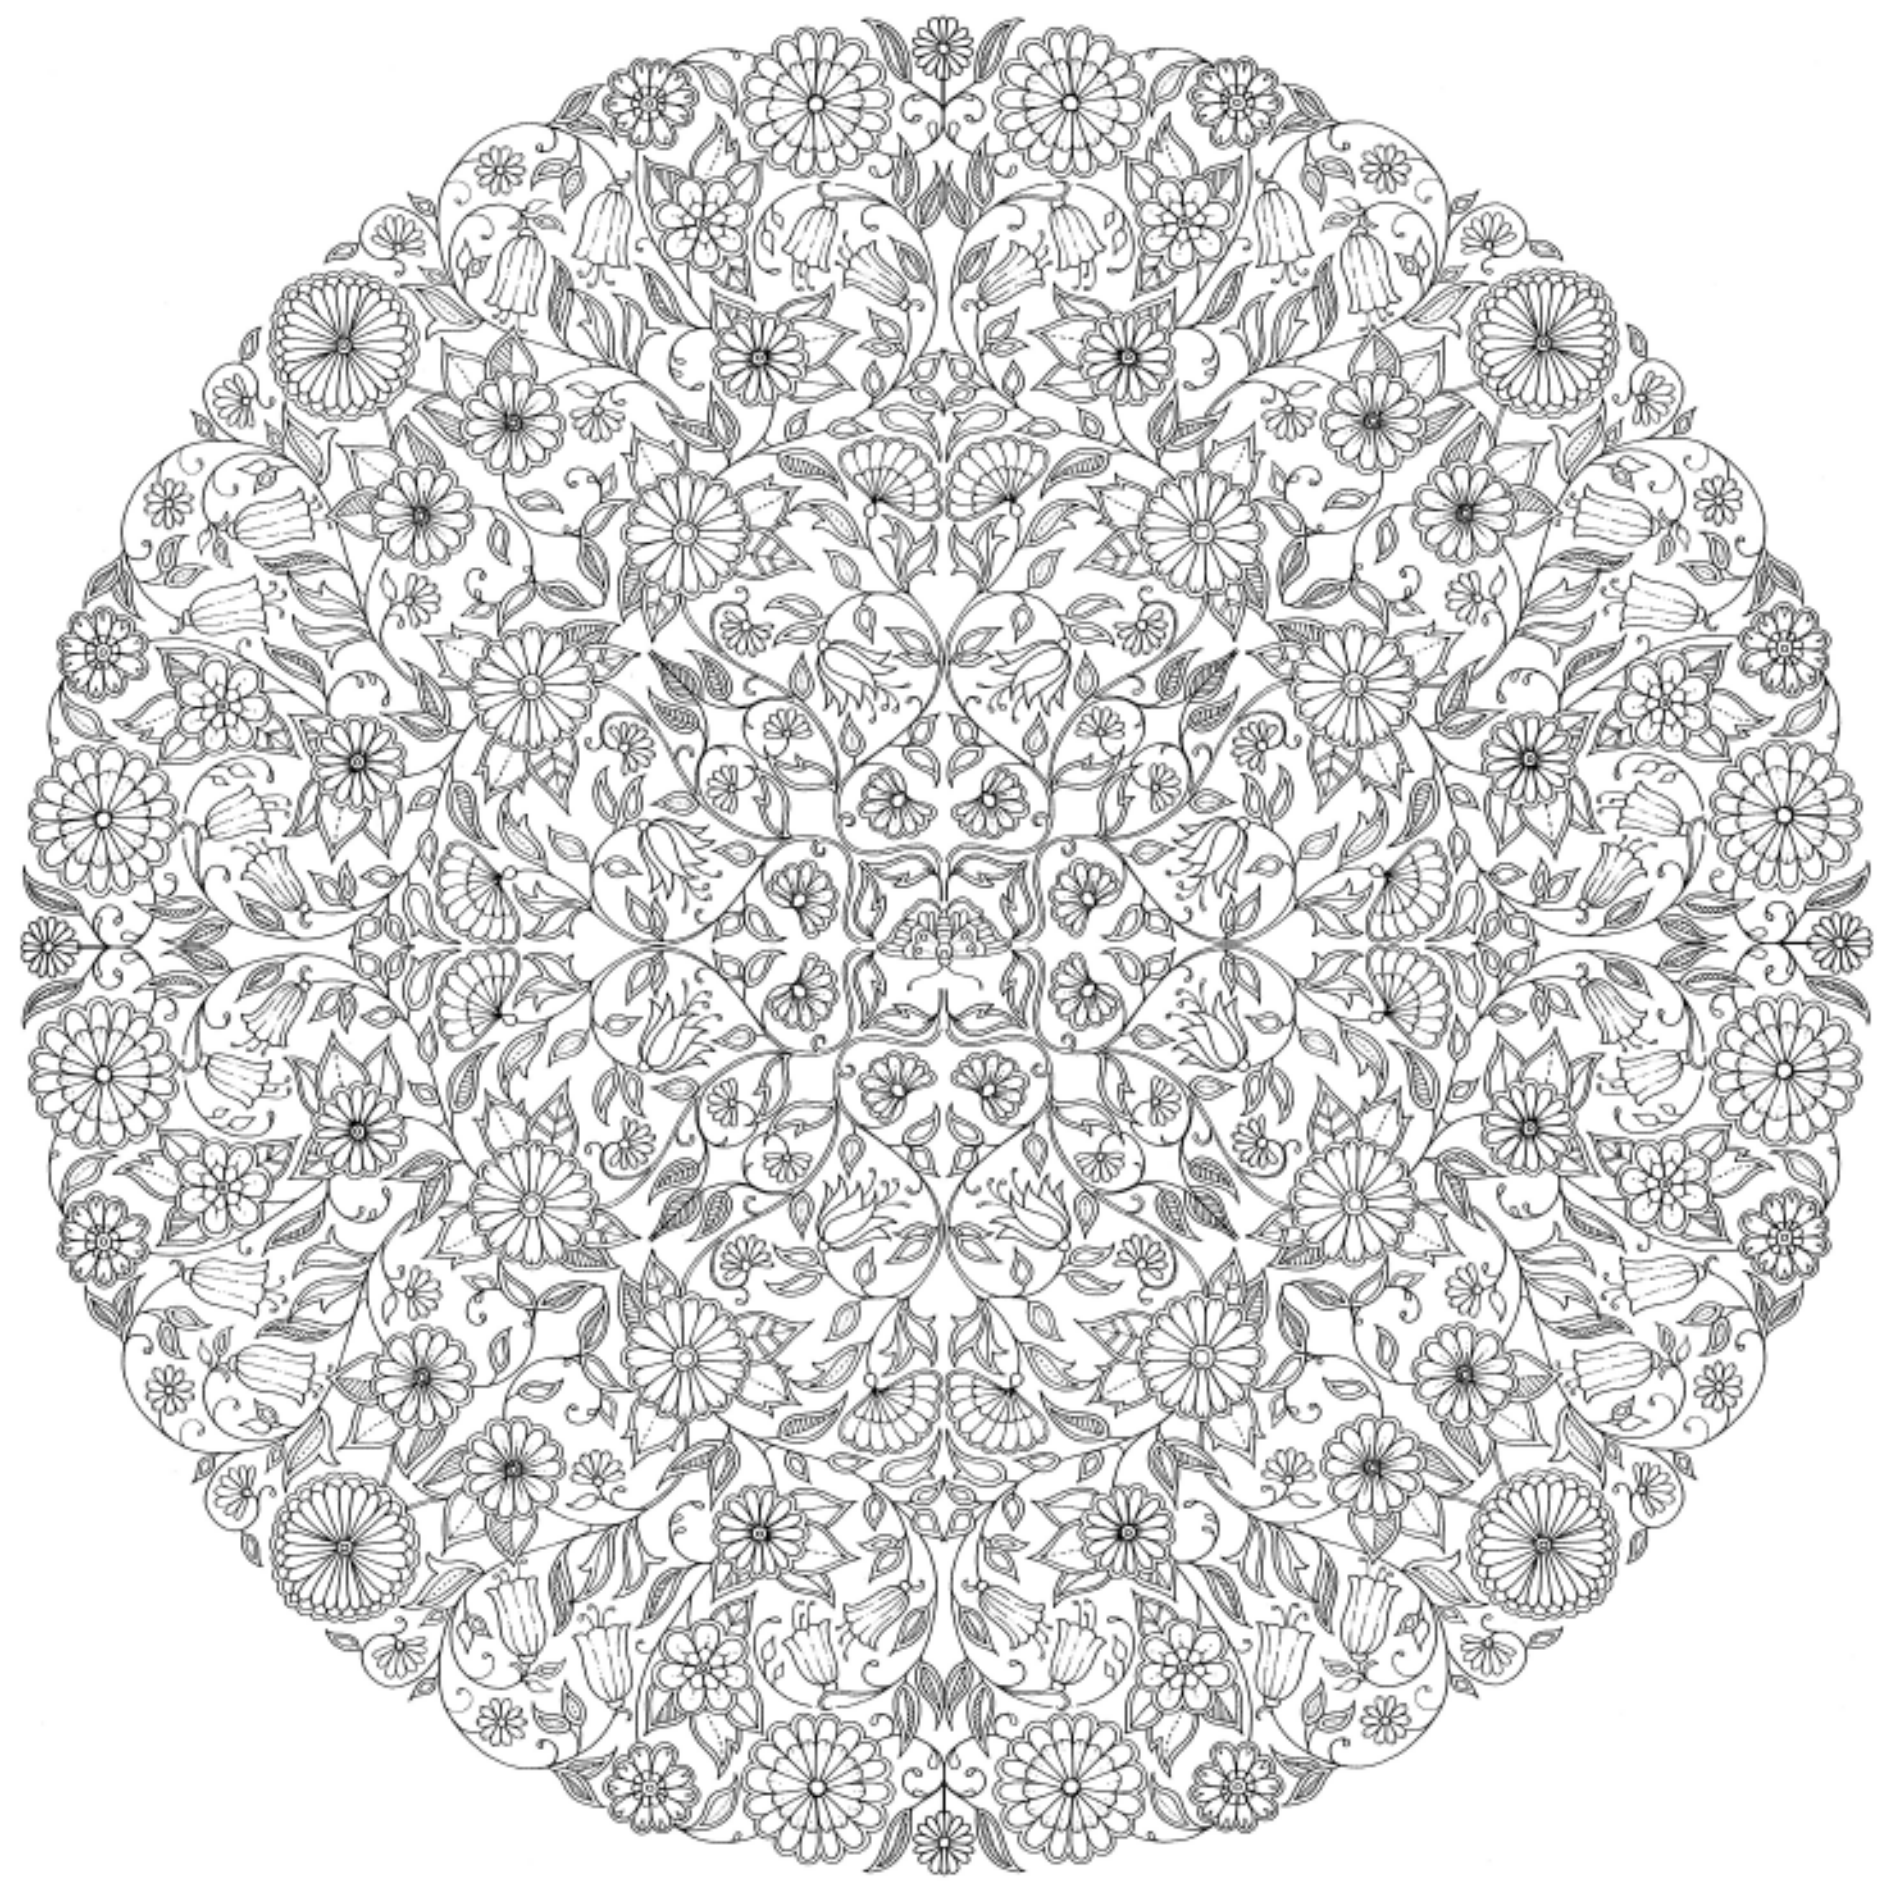

Tra le pagine si celano minuscoli insetti
e piccole creature bizzarre. Cerca tra i fiori
e scoprirai calabroni, farfalle e uccelli
nascosti dappertutto.

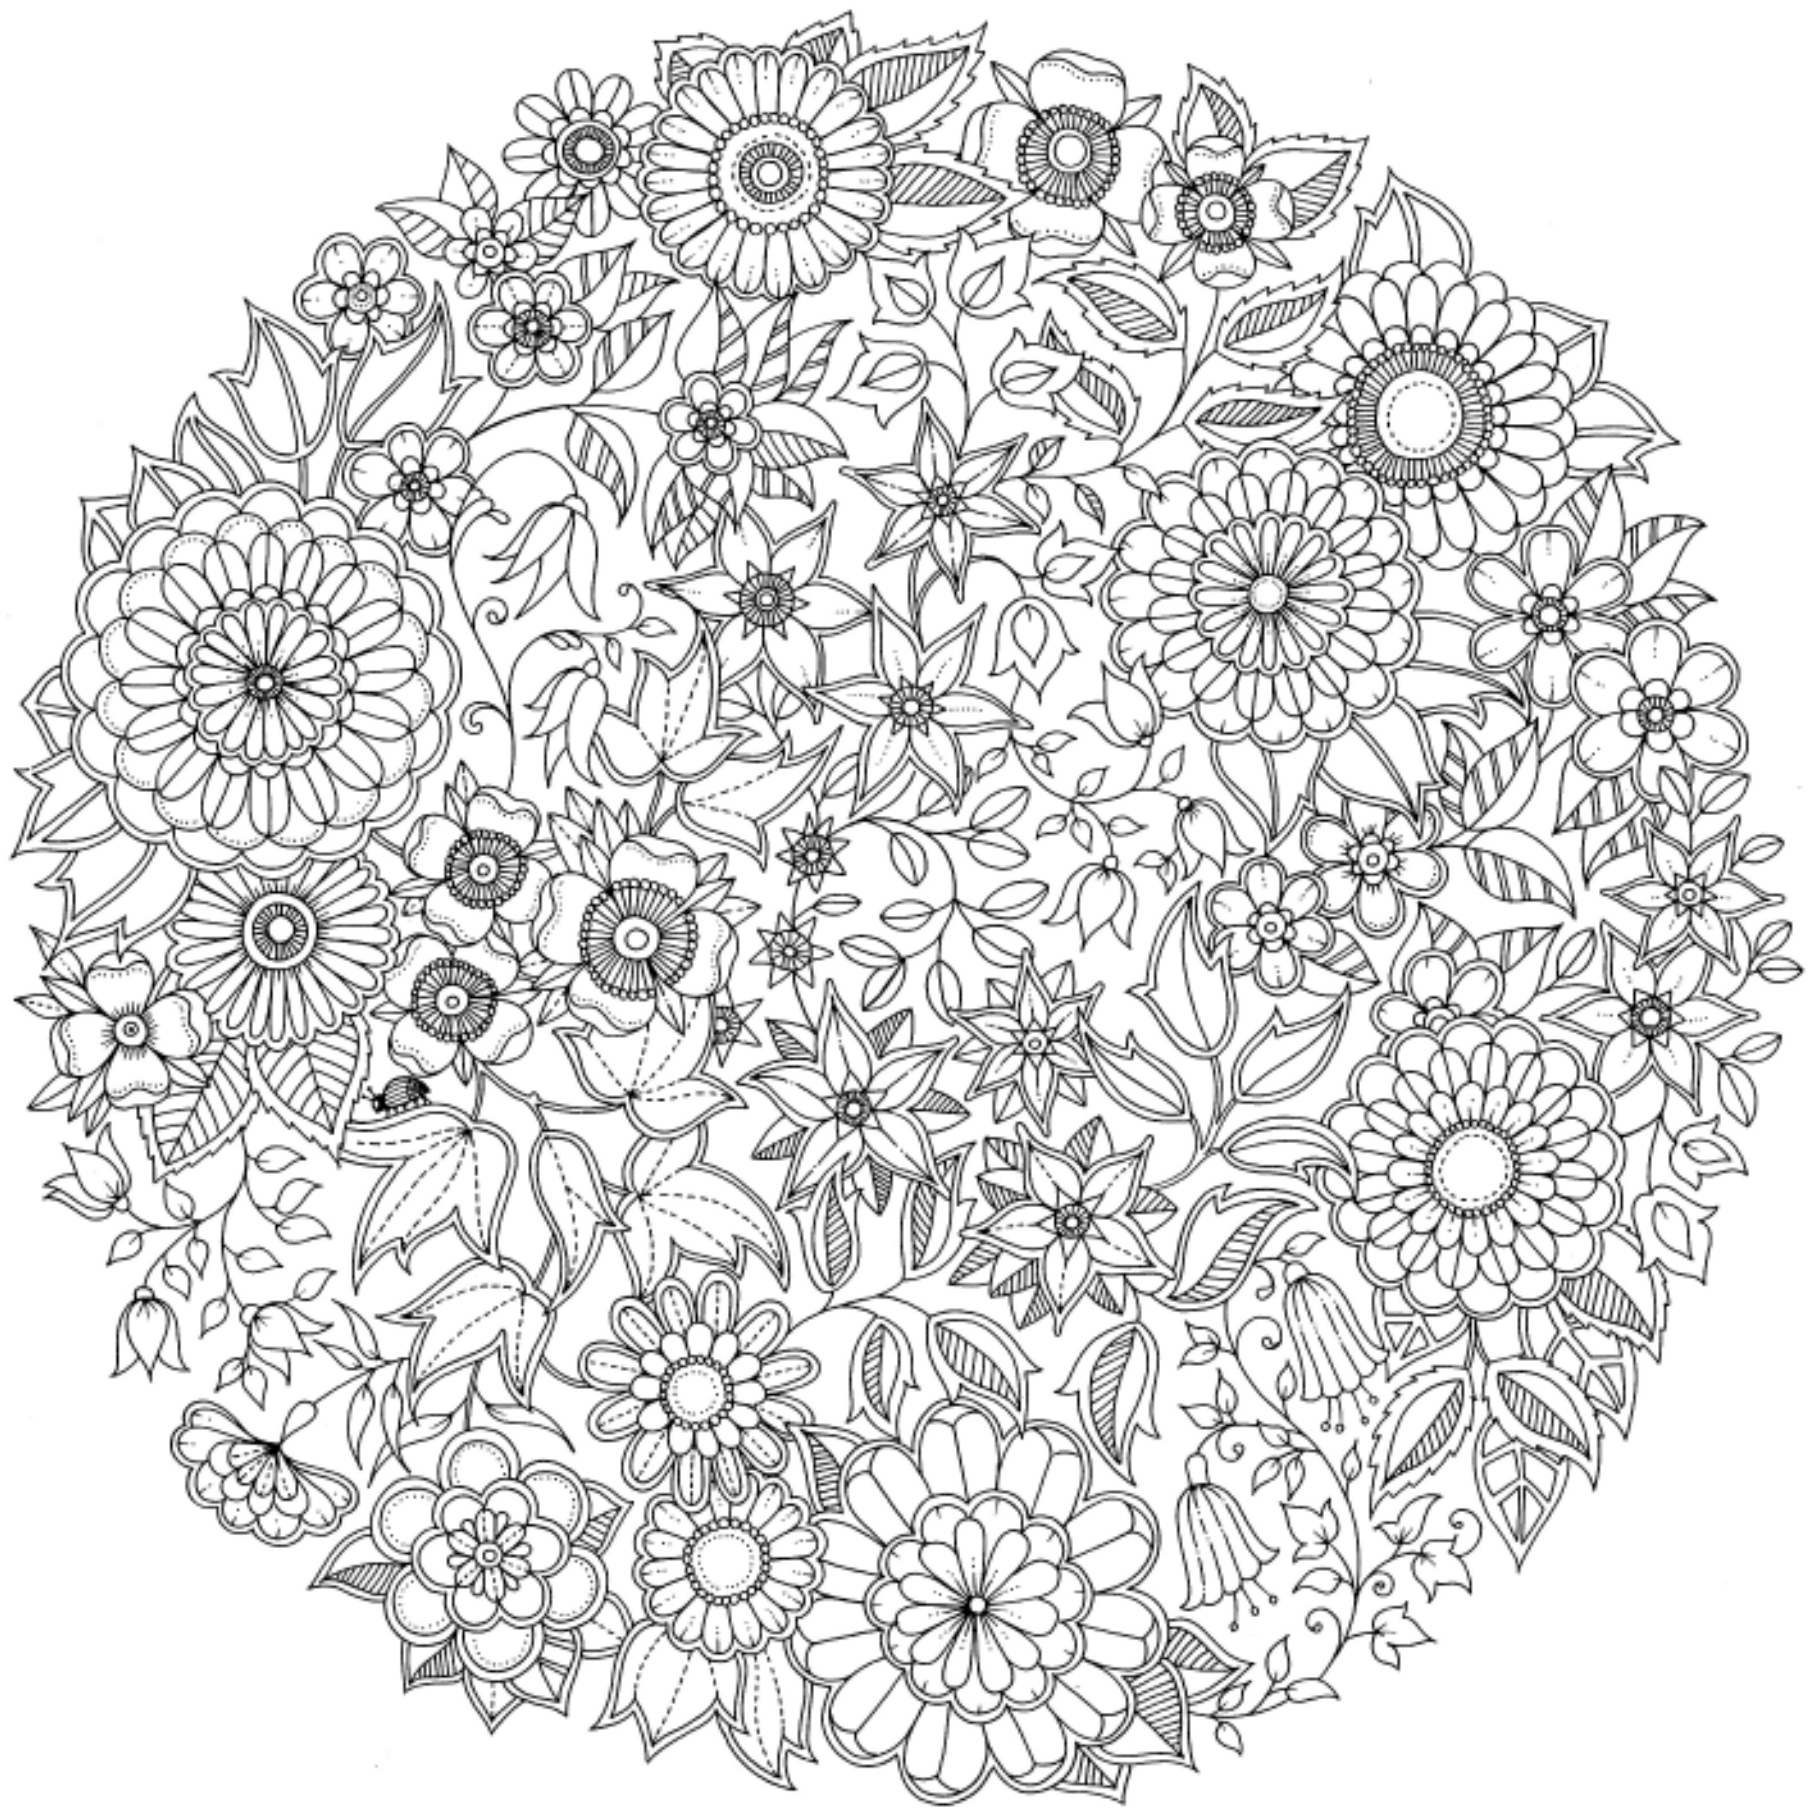

Utilizza "La lista del giardino segreto"
per tenere il conto di tutto quel che via via
troverai nel libro.

Fine

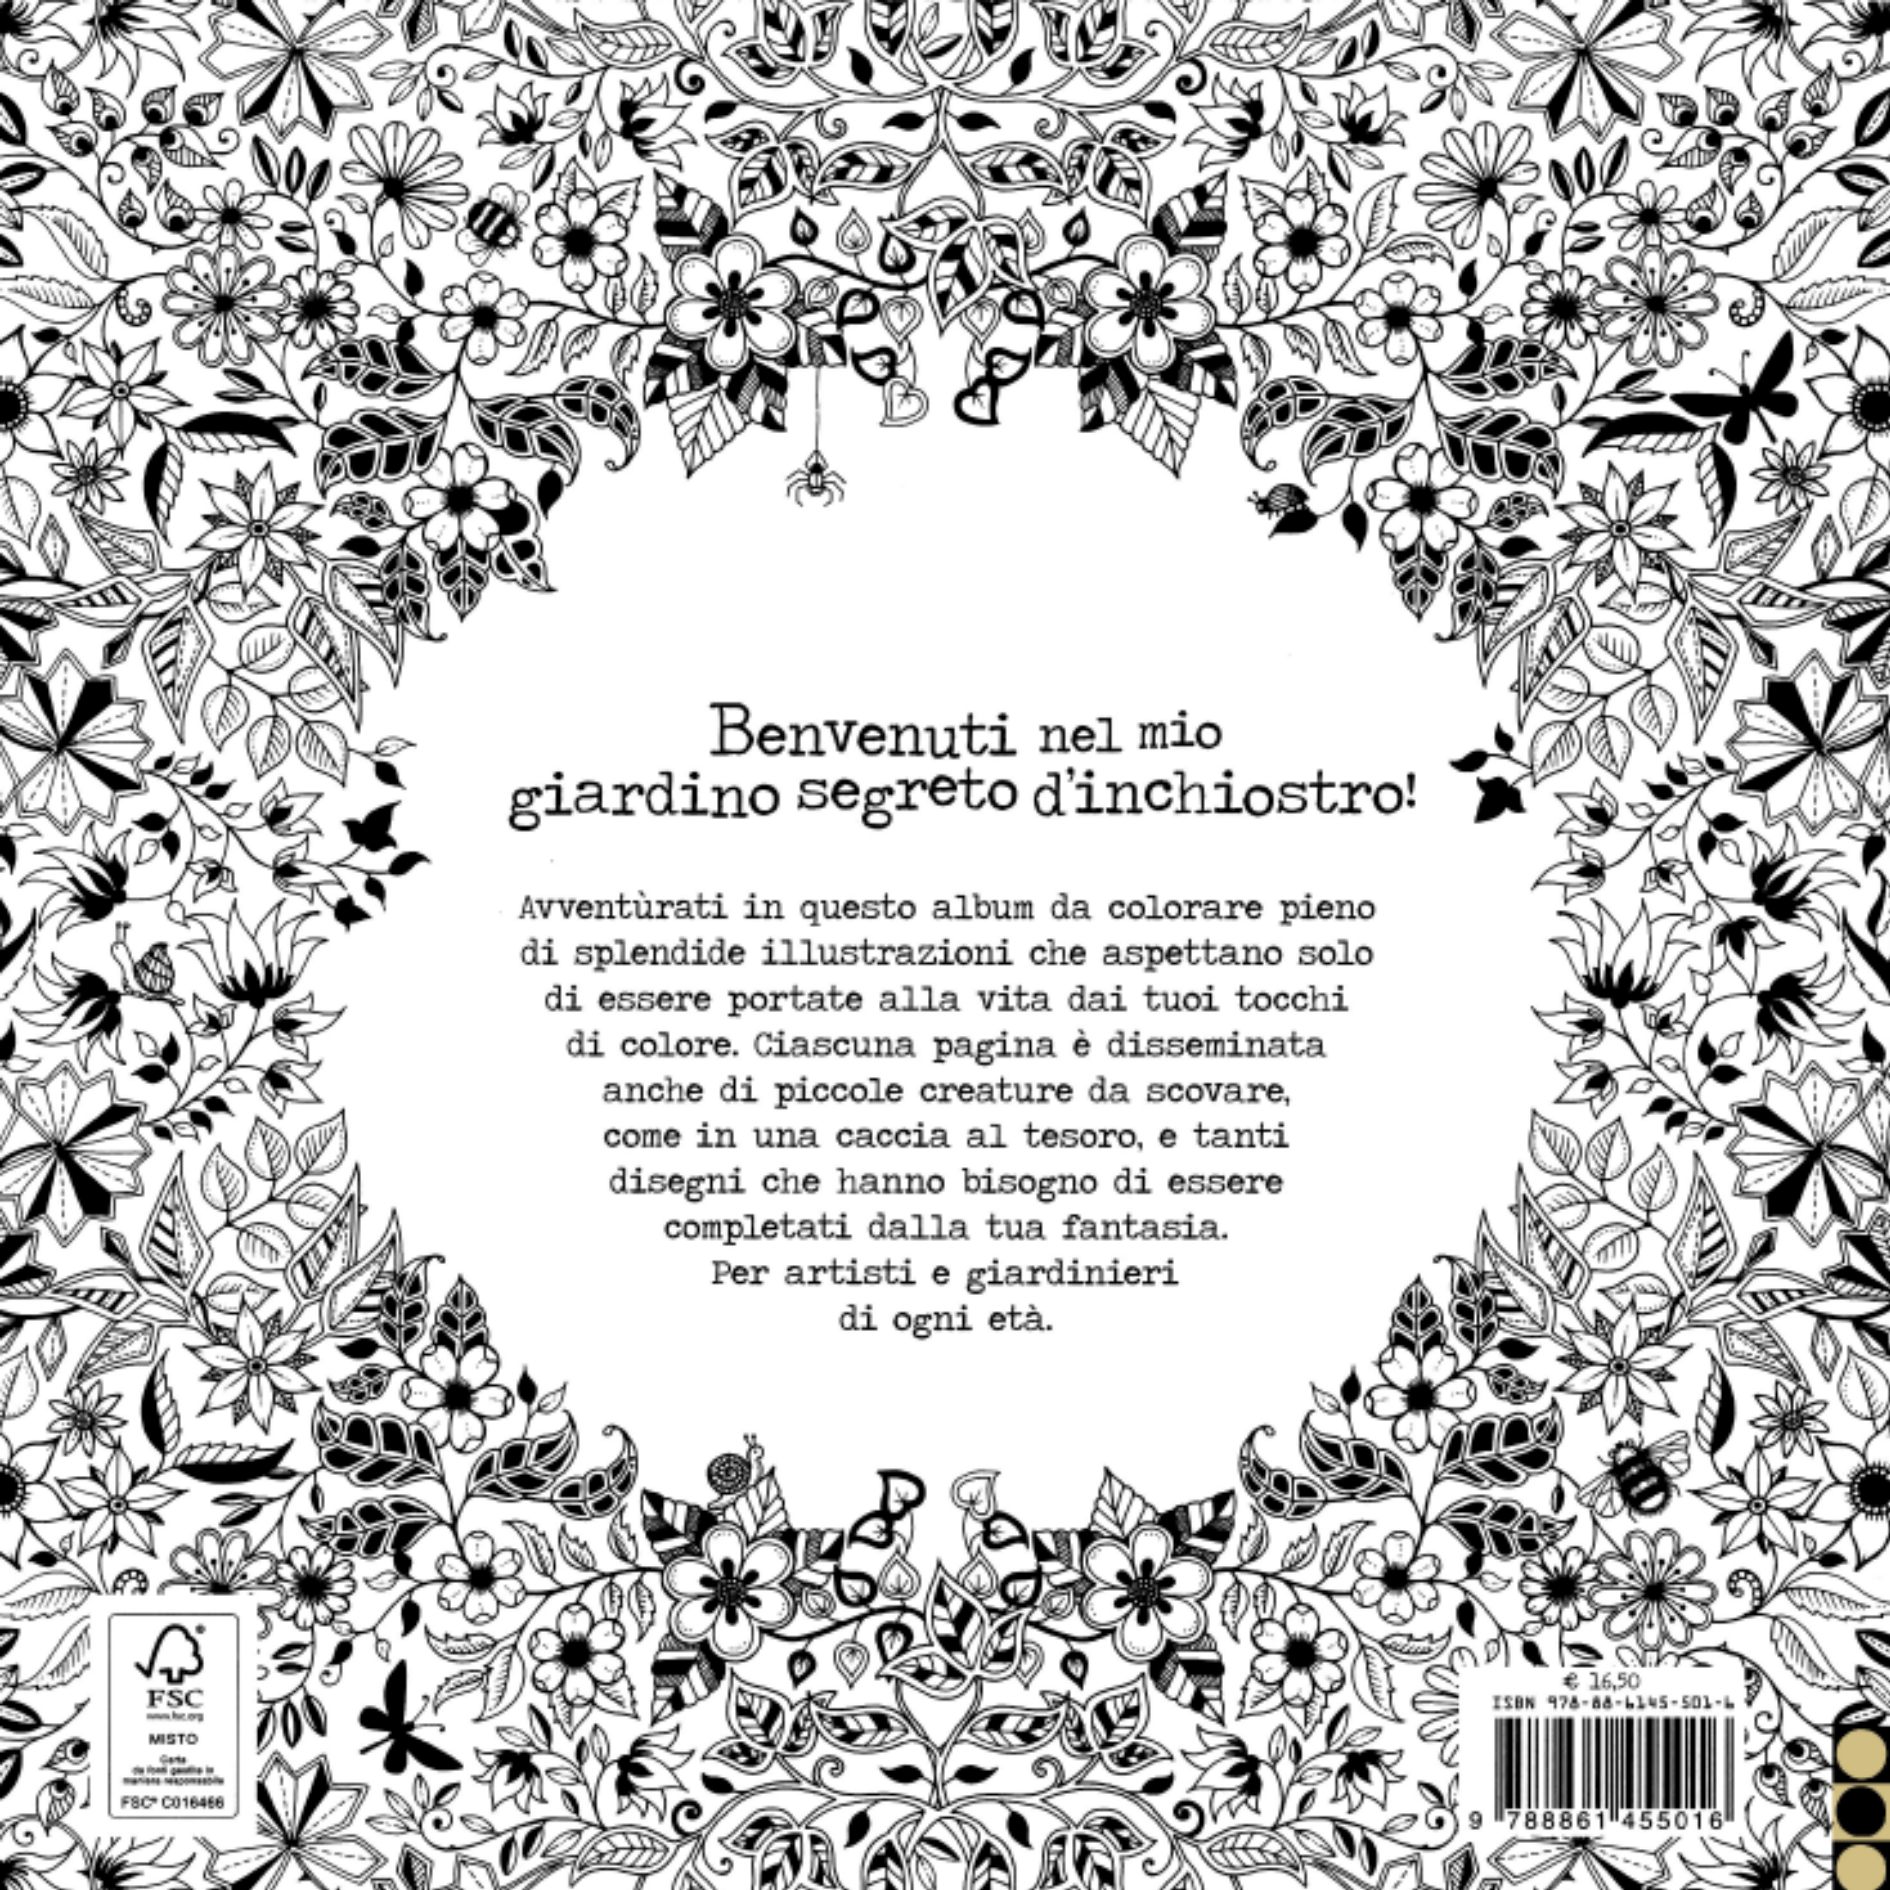

L'illustratrice Johanna Basford
è una fanatica dell'inchiostro.
Gli intricati disegni che realizza a mano
affondano le loro radici nella flora
e nella fauna tutt'intorno alla sua casa,
immersa nella campagna scozzese.

Con Gallucci ha pubblicato anche
La foresta incantata. I suoi libri hanno
un grande successo in tutto il mondo
e in Italia sono già stati ristampati
più volte in queste edizioni.
